

## WHAT WE CAN DO TO HELP YOU

- (1) We can help to collect all the money from the bad check plus interest for only \$10 per check.
- (2) We can also help to identify and locate the bad check writer.
- (3) We can prosecute the bad check writer – They won't likely write you any more bad checks.
- (4) Through effective prosecution, we can send a message to all such criminals throughout the country and reduce such crime.
- (5) We can notify merchants like yourself throughout the country of habitual bad check writers before they write one to you.
- (6) We can help you to set policies and procedures for accepting bad checks which will help reduce the amount of bad checks passed at your business without affecting the amount of business you do.
- (7) We can inform you of any new schemes and scams which are being used throughout the county, state or in the Midwest.
- (8) We can notify you of the latest safety measures including fingerprint and video identification to reduce and deter criminals from victimizing you and your business.
