The Board of Trustees shall have the power to assess, to the extent of special benefits, the cost of such portions of said improvement as are local improvements against properties found especially benefited thereby. The District shall also cause to be levied annually a tax upon the assessed value of all taxable property in the District, except intangible property, which together with said sinking fund, derived from special assessments, shall be sufficient to meet payments of interest and principal of said bonds as the same shall become due; said tax shall be known as the "Sanitary and Improvement District Tax" and shall be payable annually in money. The outer boundaries in which it is proposed to make special assessments for said improvements are the outer boundaries of said Sanitary and Improvement District No. 68 of Sarpy County, Nebraska.

Any owner of property which might become subject to assessment and contemplated improvement may appear and make objections to the proposed improvement. The proposed resolution may be amended and passed or may be passed as proposed.

If a petition opposing this resolution, signed by property owners representing a majority of front footage which may become subject to assessment for the cost of said improvement be filed with the clerk of the District within three (3) days before the date of the meeting for the hearing on said resolutions, this resolution shall not be passed.
