BE IT FURTHER RESOLVED by the Board of Trustees of Sanitary and Improvement District No. 68 of Sarpy County, Nebraska that this and the preceding Resolutions are hereby adopted as the Certificate with Respect to Arbitrage of the District pertaining to the above Warrants and the District and the Chairman and Clerk of the District hereby further certify, as of the date of the registration of the above Warrants with the County Treasurer of Sarpy County, Nebraska, as follows:

1. No separate reserve or replacement fund has been or will be established with respect to the above Warrants. The District reasonably anticipates that monies in its Bond Fund reasonably attributable to the above Warrants in excess of the less of: (a) 10% of the net principal proceeds of the above Warrants, (b) the maximum annual debt service due on the above Warrants, or (c) 125% of average annual debt service due on the above Warrants will be expended for payment of principal of and interest on the above Warrants within 13 months after receipt of such monies. That amount which is currently held in the District's Bond Fund which exceeds the amount which is to be expended for payment of principal and interest on the above Warrants within 13 months after receipt of such monies, plus that amount arrived at pursuant to the immediately preceding sentence, will not be invested in any securities or any other investment obligations which bear a yield, as computed in accordance with the actuarial method, in excess of the yield on the above Warrants.

On roll call on the foregoing motion, the following Trustees voted aye: Rodney Martin, Nick Stanley and Jef Saveraid. Voting nay thereon were the following Trustees: None. The Chairman then declared said resolution to be duly carried and adopted.

A general discussion then ensued regarding possible improvements to the District's park, such as new playground structures, ball diamond and park pavilion. It was noted that if the District were to spend $250,000.00 for park improvements, the bond fund tax levy would need to be approximately $.23 over the next nine years in order to pay the bonds and that if the District did not spend such sum, it would be possible to reduce the bond fund tax levy to $.11 over the

next eight years. The Board asked Mr. Olson to contact the engineer and manufacturer representative for the playground structures and ask them to attend the next meeting.

Thereupon the meeting adjourned.

Rodney Martin, Chairman and Trustee

Nick Stanley, Clerk and Trustee
