A

MINUTES OF MEETING OF SANITARY AND IMPROVEMENT DISTRICT NO. 204 OF SARPY COUNTY, NEBRASKA

A meeting of the Board of Trustees of Sanitary and Improvement District No. 204 of Sarpy County, Nebraska, was convened in open and public session at 2:00 p.m. on August 27, 2013, at 15426 West Center Road, Omaha, Nebraska. Present were: Trustees Troy Blenderman, Stan Baatz, Roger Lindsey, Larry Miller and David L. Miller; Absent: None. Also present were Attorney Robert J. Huck and Steve Coash of Massman Nelson Reinig P.C.

Notice of the meeting was given in advance thereof by publication in *The Papillion Times*, Papillion, Nebraska, on August 21, 2013, a copy of the Proof of Publication being attached to these minutes. Notice of this meeting was sent to the Sarpy County Clerk, Papillion, Nebraska, not less than seven (7) days prior to the date of this meeting. Notice of this meeting was simultaneously given to all members of the Board of Trustees, and a copy of their Acknowledgment of Receipt of Notice is attached to these minutes. Availability of the agenda was communicated in the published notice and in the notice to the Trustees of this meeting. All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

The undersigned Clerk hereby certifies that these minutes were written and available for public inspection within ten (10) working days after the date of said meeting.

After calling the meeting to order and completion of roll call, the Chairman publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy in the room where the meeting was being held.

The Chairman directed the Board's attention to Agenda Item No. 3, 2013-2014 Budget and Tax Levy, and presented the proposed budget statement for the District, which had previously been prepared with the assistance of the District's auditors, all in accordance with the Nebraska statutes. The Board reviewed the proposed dollar requirement and the proposed budget documents and accompanying handouts with Mr. Coash, and questions were asked and answered.

Some of the provisions of the budget draft indicated, among other things, the need to raise $36,004 for the General Fund and $103,490 for the Bond Fund, for a total of $139,494. Attorney Huck noted that for 2013-2014 the District is allowed to request up to 2.5% above last year's general fund request. In addition, this budget limit may be exceeded by up to an additional one percent upon the affirmative vote of at least 75 percent of the Board members. There is no special hearing or notice required to consider the additional one percent increase.

The Chairman further stated that the above-noted amount proposed to be raised for the General Fund takes advantage under the provisions of the current lid law of the allowed 2.5%

increase and the above-noted additional one percent increase over last year, provided that 75 percent of the Board members vote in favor of such additional increase at the public hearing on the budget. The law requires the District's budget to be filed with the County Board (care of the County Clerk) and the Auditor of Public Accounts on or before September 20, 2013. Notwithstanding this deadline, the Board has until October 13 to vote to establish a tax request different from the prior year, provided that a majority of the Board votes for such approval at a special public hearing, notice of which must be published at least five days prior to the hearing.

The Chairman then indicated that it appeared that the Board should propose the budget at this time as presented. After further discussion and review of the proposed budget items, the following resolutions were moved and seconded, to-wit:

> RESOLVED, that the Board of Trustees of Sanitary and Improvement District No. 204 of Sarpy County, Nebraska, does herewith propose the budget heretofore filed with the Clerk of the District reflecting the need for property taxes for the General Fund in the amount of $36,004 and for the Bond Fund in the amount of $103,490; that the proposed levy for the General Fund does not exceed the maximum increase permitted by the Nebraska Lid Law, but that same will require the approval of a 75 percent majority of the Board; that a hearing on such proposed budget be held on September 16, 2013, at 2:00 p.m. at 15426 West Center Road, Omaha, Nebraska; that public notice of the place and time of such hearing, together with the summary of the proposed budget statement be published in *The Papillion Times* of Papillion, Nebraska, on or before September 11, 2013.
>
> Further resolved, that a special public hearing be held on September 16, 2013, at 2:15 p.m. at 15426 West Center Road, Omaha, Nebraska, for the purpose of establishing a tax request which is different from that of the prior year; that public notice of the place and time of such hearing be published in *The Papillion Times* of Papillion, Nebraska, on or before September 11, 2013.

The District's engineer's report states that the suggested repairs are not required to be done immediately. They will probably be done after the engineer performs a street survey and makes recommendations as to needed repairs to the streets.

The Chairman directed the Board's attention to Agenda Item No. 6, whereupon the Board reviewed a letter from the District's fiscal agent detailing the need to engage an entity to process the required filings required under federal securities laws and regulations. Attached to the letter was a Dissemination Agent Agreement by which SID 204 would engage Bankers Trust Company to perform these services. After review and discussion, the following resolution was moved and seconded, to-wit:
