Re: Surplus Of Sarpy County Landfill Toro Walk-Behind Mowers

The Sarpy County Landfill is requesting two walk-behind mowers be declared surplus property. Per Sarpy County Resolution "Approving Vehicle Acquisition & Disbursement Policy", January 13, 1998, attached is Fleet Services' recommendation for disposal of the equipment.

Repairing the 1994 Toro 36" (L56) & 1997 Toro (L53) 44" walk-behind mowers is not cost effective. It would exceed the value of the mowers.

The mowers will be replaced with the purchase of a new Hustler 60" riding mower.

It is recommended that the attached Resolution, declaring two Toro walk-behind mowers surplus property, be signed.

Memo

June 14, 2013

To: Sarpy County Board
From: George Funderburk
Ref: Disposal Recommendation – Surplus Landfill Mowers

Sarpy County Landfill is requesting two walk-behind mowers Toro 36" and 44", be declared surplus property. The two walk behind mowers will be replaced with a new Hustler 60" riding mower. I have evaluated the two mowers and they are currently in need of repairs that exceed the value of the machines, it will not be effective to keep or repair these mowers.

I recommend that the two mowers be declared surplus and be sold at the next Sheriff Impound Lot auction.

Unit: L56 1994 Toro 36" walk behind
