RE: SID No. 68 of Sarpy County, Nebraska
Echo Hills
2013 Paving Repair

Mr. Riggs,

Sarpy County Public Works has reviewed the plans for the above referenced paving repair project for SID 68 of Sarpy County (Echo Hills). Our review indicates that the plans, if followed, will meet the minimum standard requirements as specified in the 2003 3rd Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of the project to the Sarpy County Board of Commissioners.

As you had mentioned in your submittal letter, portions of Area 1 and Area 5 and all of Area 2, as shown on Sheets 1, 2 and 5 of the plans, appear to be within the Extra Territorial Jurisdiction (ETJ) of the City of LaVista, and may require additional approvals from the City.

If in the future, you find it necessary to revise the proposed designs, please submit the proposed changes for our further consideration.

Sincerely,

Patrick M. Dowse, PE
Engineering Manager
