All of the proceedings of the District and of the Board of Trustees thereof which are set out in the annexed and foregoing transcript have been fully recorded in the journal of proceedings of the District and the undersigned District Clerk has carefully compared the annexed and foregoing transcript with said journal and with the records and files of the District which are in such Clerk's official custody and said transcript is a full, true and complete copy of said journal, records and files which are set out therein.

2. Advance notice for the Meeting was given by publication as set forth in the affidavit of publication contained in the foregoing transcript and was mailed to the Clerk of the municipality or county within whose zoning jurisdiction the District is located at least seven days prior to the date of the Meeting. All of the subjects addressed at the Meeting were contained in the agenda for the Meeting, which agenda was kept continually current and readily available for public inspection at the address listed in the meeting notice for the Meeting and a copy of which is attached to this Certificate; such subjects were contained in said agenda for at least 24 hours prior to the Meeting and each agenda item was sufficiently descriptive to give the public reasonable notice of the matters to be considered at the Meeting.

4. A current copy of the Nebraska Open Meetings Act was available and accessible to members of the public, posted during the Meeting in the room in which such Meeting was held and all in attendance at the Meeting were informed that such copy of the Nebraska Open Meetings Act was available for review and were informed of the location of such copy in the room in which such Meeting was being held. 6. No litigation is now pending or threatened to restrain or enjoin the District from the issuance and delivery of any warrants or other obligations issued by the District or the levy and collection of tax or other revenues or relating to any of the improvements for which any such warrants or other obligations were or are issued nor in any manner questioning the proceedings and authority under which any such warrants or other obligations were or are issued or affecting the validity thereof; neither the corporate existence or boundaries of the District nor the title of its present officers to their respective offices is being contested; no authority or proceedings for the issuance of any warrants or other obligations by the District have been repealed, revoked or rescinded as of the date hereof. All actions taken by the Board of Trustees referred to in said transcript were taken at a public meeting while open to the attendance of the public.

IN WITNESS WHEREOF, we have hereunto affixed our official signatures this 16th day of September 2012.
