Also, at a point 300 feet east of the intersection of the centerlines of Echo Hills Drive and 146th Street, remove and replace 248 square yards of pavement.

The above-described work is to include removing and replacing PCC integral curb and gutter, removing and replacing approximately 2,316 S.Y. of PCC concrete pavement, repair of subgrade, adjusting manhole rings and covers to grade, sodding, and all other work necessary or incidental to the construction of 2013 Paving Repair in accordance with the plans and specifications. The improvement is to be located in dedicated public right-of-way within the boundaries of SID No. 68. The improvement shall be designated as 2013 Paving Repair. All work shall be as shown on the project drawings and described by the specifications and construction contract documents.

The plans, specifications, and cost estimate for this improvement have been made and filed, prior to the First Publication of this Resolution, with the Clerk of the District by the District's engineering firm, Thompson, Dreesen & Dorner, Inc. The engineer's estimate of the total cost

of this improvement, including all engineering fees, legal fees, interest, administration costs, and miscellaneous costs is \$166,672.00.

To pay for the cost of said improvement the Board of Trustees shall have the power to issue negotiable bonds after such improvements have been constructed or installed; said bonds to be called "Sanitary and Improvement District Bonds" and to be payable and to bear interest as provided by the statutes by the State of Nebraska. The Board of Trustees shall have the power to assess, to the extent of special benefits, the cost of such portions of said improvement as are local improvements against properties found especially benefited thereby. All special assessments which may be levied upon properties specially benefited shall, when collected, be set aside and constitute a sinking fund for the payment of interest and principal of said bonds. The District shall also cause to be levied annually a tax upon the assessed value of all taxable property in the District, except intangible property, which together with said sinking fund, derived from special assessments, shall be sufficient to meet payments of interest and principal of said bonds as the same shall become due; said tax shall be known as the "Sanitary and Improvement District Tax" and shall be payable annually in money. The outer boundaries in which it is proposed to make special assessments for said improvements are the outer boundaries of said Sanitary and Improvement District No. 68 of Sarpy County, Nebraska.

Any owner of property which might become subject to assessment and contemplated improvement may appear and make objections to the proposed improvement. The proposed resolution may be amended and passed or may be passed as proposed.

If a petition opposing this resolution, signed by property owners representing a majority of front footage which may become subject to assessment for the cost of said improvement be filed with the clerk of the District within three (3) days before the date of the meeting for the hearing on said resolutions, this resolution shall not be passed.

Rodney Martin, Chairman
Richard Verby, Clerk
