

SANITARY AND IMPROVEMENT
DISTRICT NO. 92 OF
SARPY COUNTY, NEBRASKA

NOTICE

NOTICE IS HEREBY GIVEN a meeting of the Board of Trustees of Sanitary and Improvement District No. 92 of Sarpy County, Nebraska, will be held at 8901 South 154th Street, Omaha, Sarpy County, Nebraska at 6:30 p.m. on July 27, 2016, which meeting will be open to the public. The agenda for such meeting, kept continuously current, is available for public inspection at the principal office of the Board of Trustees at 2027 Dodge Street, Suite 501, Omaha, Nebraska and includes payment of bills of the District, and the consideration and passing (or amending and passing) of the following resolutions, to-wit:

RESOLUTION "A"

BE IT RESOLVED the Board of Trustees of Sanitary and Improvement District No. 92 of Sarpy County, Nebraska, find and determine it is advisable for the District to amend the articles of association of the District to add contracting for solid waste collection services as an additional purpose for which the District has been formed and as an additional power which the District may exercise, the expense of which all owners of real estate within the District are willing and obligate themselves to pay the tax or taxes which may be levied against all of the property in the District and special assessments against the real property benefitted which may be assessed against them;

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of Sanitary and Improvement District No. 92 of Sarpy County, Nebraska, Article Seventh of the Articles of Association of the District is hereby amended to add contracting for solid waste collection services as an additional purpose for which the District has been formed;

BE IT FURTHER RESOLVED Article Eighth of the Articles of Association of the District is amended to provide that all owners of real estate within the District are willing and obligate themselves to pay the tax or taxes which may be levied against all the properties in the District and special assessments against the real property benefitted which may be assessed against them to pay the expenses incurred by the District, as provided by law, that are necessary for solid waste collection services;

BE IT FURTHER RESOLVED Article Ninth of the Articles of Association of the District is hereby amended to add contracting for solid waste collection services as an additional power which the District may exercise.

Any owner of property within the District may appear and make objection to the proposed amendments to the articles of association of the District. If the owners representing a majority of the front footage of real estate within the district fail to sign and present to the board, on or prior to the hearing date, a written petition opposing the resolution, then a majority of the board of trustees, may pass the resolution and thereby adopt the proposed amendment, or amend and then pass the amended resolution, and thereby adopt the amendment as altered. The clerk of the district

shall thereupon file a certificate with the county clerk and with the Secretary of State certifying such amendment to the articles, and, upon such filing, the articles of association shall be deemed to have been duly amended and the district shall thereafter have all powers included within the articles of association as amended. If, however, a petition opposing such amendment is signed by property owners representing a majority of the front footage of real estate within the district and is presented to the board on or prior to the hearing date, then the board of trustees shall not adopt the amendments to the articles of association unless and until they have submitted the issue to and received the approval of the district court which had formed the district in a proceeding wherein the objecting parties are named as parties defendant and are given the statutory time to plead or answer as in civil cases. At the hearing, the court may (1) disapprove such amendments if the court finds that such amendments will not be conducive to the public health, convenience, or welfare, or (2) approve the proposed amendments as originally submitted or alter the same, if the court finds that such amendments will be conducive to the public health, convenience, or welfare. Proceedings before the court shall be conducted as in other civil cases, including the right of appeal.

RESOLUTION "B"

BE IT RESOLVED that the Board of Trustees of Sanitary and Improvement District No. 92 of Sarpy County, Nebraska, find and determine that it is advisable and necessary for the District to provide for solid waste collection and disposal services to benefit the residents of the District.

The proposed solid waste collection and disposal services shall consist of the weekly collection, transportation, and disposal of residential solid waste materials, recyclable waste materials, and yard waste materials from all residents within the boundaries of the District by the Contractor and legally disposed in a permitted landfill. Recyclable materials shall also be collected by the Contractor and become its property and any revenue derived from such shall be to the benefit of the Contractor. The solid waste collection and disposal shall be at the expense of the District. The proposed contract shall be for a One (1) year term with two automatic consecutive one year renewal extensions, unless the District elects to not renew by giving written notice to the Contractor not less than sixty days prior to the renewal date. The Contractor shall furnish separate solid waste, recyclable waste, and yard waste containers to each of the 235 existing residential property owners within the District as well as the District Park for a total of 236 locations. All work shall be in accordance with the plans and specification for the 2016 Solid Waste Collection and Disposal Services for Sanitary and Improvement District No. 92 of Sarpy County, Nebraska.

The plans and specifications for 2016 Solid Waste Collection and Disposal Services have been prepared by Olmsted & Perry Consulting Engineers, Inc., engineers employed by the District for such purpose, and filed with the Board of Trustees of the District prior to the first publication of this resolution. Said engineers also filed an estimate of the total cost of the improvements for a three (3) year term, which cost estimate is in the amount of \$151,980.00.

To pay the cost of 2016 Solid Waste Collection and Disposal Services the District shall cause to be levied annually a tax upon the assessed value of all the taxable property in the District, except intangible property, which shall be sufficient to meet the payments required for same.

Any owner of property within the District which will become subject to said tax assessment for the 2016 Solid Waste Collection and Disposal Services may appear and make objections to the proposed solid waste collection project. This proposed resolution may be amended and passed or may be passed as proposed.
