6. No litigation is now pending or threatened to restrain or enjoin the District from the issuance and delivery of any warrants or other obligations issued by the District or the levy and collection of tax or other revenues or relating to any of the improvements for which any such warrants or other obligations were or are issued nor in any manner questioning the proceedings and authority under which any such warrants or other obligations were or are issued or affecting the validity thereof; neither the corporate existence or boundaries of the District nor the title of its present officers to their respective offices is being contested; no authority or proceedings for the issuance of any warrants or other obligations by the District have been repealed, revoked or rescinded as of the date hereof.
