MINUTES OF THE MEETING OF THE BOARD OF TRUSTEES OF SANITARY AND IMPROVEMENT DISTRICT NO. 147 OF SARPY COUNTY, NE

A meeting of the Board of Trustees of Sanitary and Improvement District No. 147 of Sarpy County, Nebraska, was convened in open public session at 2913 Sheridan, Bellevue, Nebraska, at 7:00 p.m. on January 23, 2012. Present were: Allen Klostermeyer, Dennis Whitfield and Shelli Dart. Absent were Richard Scofield and Mark Schenck. Also present was James E. Lang, counsel for the District. Notice of the meeting was given in advance thereof by publication in The Bellevue Leader, of Sarpy County, Nebraska on January 18, 2012, a copy of the Proof of Publication being attached to these minutes. Notice of this meeting was simultaneously given to all members of the Board of Trustees and a copy of their Acknowledgment of Receipt of Notice of Meeting is attached to these minutes. All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

The Chairman publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy in the room where the meeting was being held.

The first item on the agenda was to approve the minutes of the September 12, 2011, District meeting.

After a full discussion and upon a motion being duly made and seconded, with everyone voting "aye" and no one voting "no", the following resolution was adopted:

> **RESOLVED**, that the minutes of the September 12, 2011, District meeting are hereby approved.

The District's attorney presented to the Board a resolution relating to appointing a compliance officer whose duties shall make sure that the District is complying with the law relative to its issuance of tax exempt obligations. The District's attorney presented the procedures to the Board relative to this assignment and directed that it be attached to the minutes of this meeting.

The Board then discussed the matter and Allen Klostermeyer agreed to serve as the Compliance Officer.

BE IT RESOLVED BY THE BOARD OF TRUSTEES OF SANITARY AND IMPROVEMENT DISTRICT NO. 147 OF SARPY COUNTY, NEBRASKA (THE "DISTRICT") AS FOLLOWS:

Section 1: The Board of Trustees of the District hereby finds and determines:

(a) that the District was duly formed and remains in existence pursuant to the Constitution and applicable laws of the State of Nebraska;

(b) that the District has heretofore issued and there are now outstanding bonds and/or warrants of the District (collectively, the "Outstanding Tax-Exempt Obligation"); and

(c) that it is necessary and advisable for the District to adopt certain procedures to promote compliance with certain federal tax and securities laws relating to the Outstanding Tax-Exempt Obligation.

Section 2. Now therefore be it resolved that the policy and procedures attached hereto as Exhibit "A" are hereby adopted by the Board of Trustees of the District in all respects.

Section 3. This Resolution shall be in full force and effect, immediately upon its adoption by the Board of Trustees.

Allen Klostermeyer was then nominated as the Compliance Officer.

After a full discussion, and upon motion being duly made with everyone voting "aye" and no one voting "no", the following Resolution was adopted:

> **RESOLVED**, that the Board of Trustees hereby appoints Allen Klostermeyer as the Compliance Officer under the resolution set forth above and the Procedures set forth in Exhibit "A" attached hereto.

Trustee, Dennis Whitfield then presented a bid from Munch Electric for the repair of the luminaries in the park. Munch Electric was the only contractor that submitted a bid. The amount to repair the existing broken lights is $475.00; $300.00 related to SID 147 and $175.00 related to SID 186. The unit price to replace lamp and clean fixture for Luminaire type A was $90.00 and the unit price to replace one glass pane for Luminaire type A was $75.00. An alternate bid to deduct $10.00 for each lamp for a standard lamp fixture was also submitted. The Board asked if SID 186 had consented to the $175.00 repair amount and the unit prices. The District's attorney stated that he had provided that to the attorney for SID 186 and even though he did not receive an unconditional approval, it appeared from the conversation he had with their District's attorney that they did not have an objection to that. He would check on that and get back to the Board.

After a full discussion, and upon motion being duly made with everyone voting "aye" and no one voting "no", the following Resolution was adopted:

> **RESOLVED**, that the Board of Trustees hereby approves Bid Item No. 1 to repair the lamps in the amount of $475.00; $300.00 of which relates to lamps within SID 147, and $175.00 within SID 186, which bid approval as to the SID 186 repair, is conditioned upon the consent of SID 186 as to their portion to fix and pay for their lamp.

BE IT FURTHER RESOLVED, that the Board of Trustees hereby approves Bid Item No. 2 for the unit bid to replace lamp and clean fixture for Luminaire type A in the amount of $90.00 and the unit price to replace one glass pane for Luminaire type A in the amount of $75.00.

The District's attorney was directed to inform SID 186 of this.

Trustee Dennis Whitfield then reviewed the other park matters with the Board. He stated that he had not got back to the tree matter, but would do so. Trustee Shelli Dart stated that she had received concerns about teenagers shooting air type rifles at the duck in the park at the pond drainage area. It was suggested that she inform the people to call the sheriff on the matter.

Trustee, Dennis Whitfield recommended that the Board obtain bids for the lawn chemical treatment in addition to Granulawn. The Board agreed.

Trustee, Dennis Whitfield stated that Terry Hughes had submitted a bid for the treatment of bag worms for the trees in the amount of $1,787.00 for both parks. He stated he would look to see how that was split last year. The Board authorized him to proceed on that matter.

The Board discussed tree trimming and tree removal, especially in the Oakhurst Park. At certain locations this was becoming a safety matter especially where the dead tree hung over the trail. Trustee, Dennis Whitfield agreed to provide that information to the District's attorney and the District's attorney would then send a letter to SID 186 attorney informing him of the dead tree(s) and requesting their removal.

Discussion was also held concerning the sprinkler maintenance matter.

Discussion was then held concerning the mowing. It was agreed by the Board that the Board would recommend going ahead with the current contractor if the current contractor maintained their 2011 prices. Once the District hears from the current contractor, it will then advise SID 186 on the matter.

The Board discussed the trash pickup. Since Sterrett's was doing a good job and had not raised their prices for several years, the Board agreed to stay with Sterrett's at this time.

Trustee, Dennis Whitfield stated that Granulawn provides roundup to areas of the sidewalk to control weed growth within the cracks 8 times per year. The Board felt this maybe too many. It was suggested they perform this service May through August.

The Board was submitted a proposal from Clean Sweep to sweep the street with a bid of $350.00. The Board approved the bid and requested a mid April sweeping.

The Chairman stated that the District needs to ratify the issuance of warrant numbers 1683 through 1690.

After full discussion upon motion being duly made and seconded with all Trustees present voting "aye" and with no Trustees voting "no", the following Resolution was adopted:

> **RESOLVED**, that the Board of Trustees hereby ratifies the issuance of warrant numbers 1683 through 1690 of the District.

The Board requested that the invoices paid by the issuance of warrants between meetings be listed on the agenda in future meetings.

The Chairman then presented the following items for consideration by the Board:

1. Statement from World Herald Media Group in the amount of $10.31.

2. Statement from OPPD for account number 0604100051 in the amount of $2,763.85.

Procedures
Federal Tax Law and Disclosure Requirements for
Outstanding Bonds and Warrants

POLICY

It is the policy of Sanitary and Improvement No. 147 of Sarpy County, Nebraska, (the "District") to comply with all Federal tax requirements and securities law continuing disclosure obligations for its outstanding tax-exempt bonds and warrants (the "Tax-Exempt Obligations") to ensure (a) that interest on its Tax-Exempt Obligations remains exempt from Federal income tax and (b) compliance with any continuing disclosure obligations of the District with respect to its outstanding Tax-Exempt Obligations.

PROCEDURES

Compliance Officer. Review of compliance with Federal tax requirements and securities law continuing disclosure obligations as generally outlined below shall be conducted by the Clerk of the District (the "Compliance Officer").

Training. The Compliance Officer shall evaluate and review educational resources regarding post-issuance compliance with Federal tax and securities laws, including periodic review of resources published for Districts of tax-exempt obligations by the Internal Revenue Service (either on its website at http://www.irs.gov/taxexemptbond, or elsewhere) and the Municipal Securities Rulemaking Board (either on its Electronic Municipal Market Access website ["EMMA"] at http://www.emma.msrb.org/, or elsewhere).

Compliance Review. A compliance review shall be conducted at least annually by or at the direction of the Compliance Officer. The review shall occur at the time the District's annual audit takes place, unless the Compliance Officer otherwise specifically determines a different time period or frequency of review would be more appropriate.

Scope of Review.

Document Review. At the compliance review, the following documents (the "Bond Documents") shall be reviewed for general compliance with covenants and agreements and applicable regulations with respect to each outstanding Tax-Exempt Obligation:

(a) the resolution(s) adopted by the governing body of the District authorizing the issuance of its outstanding Tax-Exempt Obligations, together with any documents setting the final rates and terms of such Tax-Exempt Obligations (the "Authorizing Proceedings"),

(b) the tax documentation associated with each Tax-Exempt Obligation (the "Tax Documents"),

(c) the District's continuing disclosure obligations, if any, contained in the Authorizing Proceedings or in a separate agreement, as the case may be (the "Continuing Disclosure Obligations"), and

(d) any communications or other materials received by the District or its counsel, from bond counsel, the underwriter or placement agent or its counsel, the Internal Revenue Service (the "IRS"), or any other material correspondence relating to the tax-exempt status of the District's Tax-Exempt Obligations, or relating to the District's Continuing Disclosure Obligations.

Use and Timely Expenditure of Bond Proceeds. Expenditure of proceeds of outstanding Tax-Exempt Obligations shall be reviewed by the Compliance Officer to ensure (a) such proceeds are spent for the purpose stated in the Authorizing Proceedings and as described in the Tax

Documents and (b) that the proceeds, together with investment earnings on such proceeds, are spent within the timeframes described in the Tax Documents and (c) that any mandatory redemptions from excess proceeds of Tax-Exempt Obligations are timely made if required under the Authorizing Proceedings and the Tax Documents.

Arbitrage Yield Restrictions and Rebate Matters. The Tax Documents shall be reviewed by the Compliance Officer to ensure compliance with any applicable yield restriction requirements under Section 148(a) of the Internal Revenue Code (the "Code") and timely calculation and payment of any rebate and the filing of any associated returns pursuant to Section 148(f) of the Code. A qualified rebate analyst shall be engaged as appropriate or as may be required under the Tax Documents.

Use of Bond Financed Property. Findings, expectations, representations, warranties, covenants and agreements contained in the Bond Documents regarding private use shall be reviewed by the Compliance Officer to ensure compliance. Property financed with Tax-Exempt Obligations shall be clearly identified (by mapping or other reasonable means). Prior to execution, the Compliance Officer (and the District's counsel, if deemed appropriate by the Compliance Officer) shall review (a) all proposed leases, contracts related to operation or management of property financed with Tax-Exempt Obligations, take-or-pay contracts or other agreements or arrangements or proposed uses which have the potential to give any entity any special legal entitlement to the property financed with Tax-Exempt Obligations, (b) all proposed agreements which would result in disposal of any property financed with Tax-Exempt Obligations, and (c) all proposed uses of property financed with Tax-Exempt Obligations which were not anticipated at the time the Tax-Exempt Obligations were issued. Such actions could be prohibited by the Authorizing Proceedings, the Tax Documents or Federal tax law.

Continuing Disclosure. Compliance with the Continuing Disclosure Obligations with respect to each Tax-Exempt Obligation issue shall be evaluated (a) to ensure timely compliance with any annual disclosure requirement, and (b) to ensure that any material events have been properly disclosed as required by the Continuing Disclosure Obligation.

Record Keeping. If not otherwise specified in the Bond Documents, all records related to each Tax-Exempt Obligation shall be kept for the life of the indebtedness associated with such Tax-Exempt Obligation (including all tax-exempt refundings) plus six (6) years.

Incorporation of Tax Documents. The requirements, agreements and procedures set forth in the Tax Documents, now or hereafter in existence, are hereby incorporated into these procedures by this reference and are adopted as procedures of the District with respect to the series of Tax-Exempt Obligations to which such Tax Documents relate.

Consultation Regarding Questions or Concerns. Any questions or concerns which arise as a result of any review by the Compliance Officer shall be raised by the Compliance Officer with the District's counsel or with bond counsel to determine whether non-compliance exists and what measures should be taken with respect to any non-compliance.

VCAP and Remedial Actions. The District is aware of (a) the Voluntary Closing Agreement Program (known as "VCAP") operated by the IRS which allows Districts under certain circumstances to voluntarily enter into a closing agreement in the event of certain non-compliance with Federal tax requirements and (b) the remedial actions available to Districts of certain obligations under Section 1.141-12 of the Income Tax Regulations for private use of property financed with Tax-Exempt Obligations which was not expected at the time the Tax-Exempt Obligations were issued.

Billing date	Nov 4, 2011	
Previous balance		$144.14
Payment received		0.00
Current charges		85.11
New balance		229.25

Your enclosed utility bill includes a past due balance. This previous balance includes past due bills for utility service and other miscellaneous transactions. A list of transactions since last month's bill is shown on the right side of your bill.

Unless the total of the previous balance is paid or a payment plan is worked out with the Metropolitan Utilities District (M.U.D.) by **November 12, 2011,** your gas and/or water service could be shut off after that date. Mailed payments must be received by the above date. Use the enclosed envelope, and include the return (bottom) portion of your bill so your account can be promptly credited.

If you received a shut-off notice last month and have not paid the amount requested, your services could be shut off prior to the above date.

We do not collect payments at your home or business.

Restoring Service -- The charge to reconnect services will be billed to your account. To turn services on the same day for an additional fee, contact the Credit Services Division by 2 p.m. A Security Deposit may be charged if utilities are disconnected.

Welfare assistance -- Welfare recipients should contact their case worker to see if they qualify for assistance to pay utility bills.

Low Income Energy Assistance Program (LIHEAP) -- The State of Nebraska administers LIHEAP money from the Federal government to help low-income customers pay heating bills. Family size and income determines eligibility. Apply through the appropriate county offices from November 1 through March 31 by calling:

Douglas and Sarpy Counties	402.595.3608
www.ACCESSNebraska.ne.gov	
Washington County	402.426.2329
Saunders County	800.755.1333

Illness and disabilities -- If illness or disability exists in your household, a one-time 30-day delay of this shut-off can be granted. M.U.D. must receive a certificate from a licensed physician, stating that you or a member of your household has an existing illness or disability, and that a shut-off would cause an immediate and serious health hazard.

Physicians' certificates must be filed with M.U.D. within five days of receiving this shut-off notice.

Please return this portion of the bill with payment. • Please do not staple payment to bill.

Subject: SID 186 & 147 Mole Treatment

mole treatment.jpg
(72 KB)

Back in October, the parks experienced several locations of mole activity. The moles were treated by All City Pest Control LLC as described on the attached invoice. The moles were treated on an emergency basis before more damage was caused to the parks and adjacent homeowner lawns.
There were 3 areas treated in both parks, so both SID's would owe half of the total which is $187.25 payable to All City Pest Control LLC.

Should there be any question, just let me know.

Thanks, Denny
