All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

The Chairman publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy in the room where the meeting was being held.

The first item on the agenda was to approve the minutes of the August 20, 2012, District meeting.

After a full discussion and upon a motion being duly made and seconded, with everyone voting "aye" and no one voting "no", the following resolution was adopted:

> **RESOLVED**, that the minutes of the August 20, 2012, District meeting are hereby approved.

The Chairman announced that this was the time and place set for the Public Hearing on the proposed Budget Statement of the District. The Clerk presented Proof of Publication of Notice of this hearing and the budget summary, which was ordered attached to these minutes.

No person appeared to present support, opposition, criticism, suggestions or observations relating to the proposed budget and tax levy.

The Chairman noted that the proposed budget included within the computation of limit for the fiscal year an additional one percent increase in the total 2012-2013 funds subject to limitation. Counsel noted that in order to adopt the budget as proposed with the additional one percent increase that it would require the affirmative vote of at least 75 percent of the Board.

After a full discuss, and upon motion being duly made with everyone voting "aye" and no one voting "no", the following Resolution was adopted:

> **RESOLVED**, that the Board of Trustees by a vote of more than 75 percent of the Board members hereby approve an additional one percent increase from the total 2012-2013 funds, subject to the limitation as set forth in the adopted budget and lid computation.

The Chairman stated that the Board should now vote on the proposed budget, as amended.

After full discussion and upon motion being duly made and seconded, with all Trustees voting "aye" and with no Trustees voting "no", the following Resolution was adopted:

> **BE IT RESOLVED**, that the proposed Budget Statement for this District, as amended, which is set forth in full in the minutes of this meeting be, and hereby is, adopted as the Budget of this District, as amended as set forth herein.
>
> **BE IT FURTHER RESOLVED**, that the Clerk be, and is hereby authorized and directed to file copies of the adopted Budget Statement with the County Clerk of Sarpy County, Nebraska, and with the Auditor of Public Accounts of the State of Nebraska.

The Chairman then stated that, the Budget for the District having been adopted, it would be appropriate at this time to levy a tax in accordance with the Budget Statement.

After full discussion and upon motion being duly made and seconded, with all Trustees present voting "aye" and with no Trustees voting "no", the following Resolution was adopted:

> **BE IT RESOLVED**, by the Board of Trustees of Sanitary and Improvement District No. 147 of Sarpy County, Nebraska, has given the proper five day published notice of the hearing on the proposed budget.
>
> 1. That a levy of .345000 to the General Fund, and .280000 in the Bond Fund for each $100.00 of actual shall be made upon all taxable property within the District, except intangible property, which levy totals $108,233.00 to the General Fund and $87,841.00 to the Bond Fund, for a total levy and tax of .625000 for each $100.00 of actual valuation and $196,074.00 in property taxes.
>
> 2. That the Clerk of the District is hereby directed to certify said total levy of to the County Clerk of Sarpy County, Nebraska, and to file a copy of such certification with the Auditor of Public Accounts of the State of Nebraska on or before September 20, 2012.

Trustee, Dennis Whitfield, gave an update on the park matters. He stated that the tree work was being performed at this time. He also stated that the mowing contractor was doing a good job in mowing around the creek area. It was pointed out that the District had not received the signed contract back from SID 186 and the District's attorney stated that he had previously

spoke with the engineer for SID 186 who indicated that the contract was signed and he would follow up with the engineer to obtain a copy of the signed contract which had been sent to the engineer by the attorney's office.

A discussion was then held concerning the current stop signs and proposed stop signs to replace five (5) current stop signs by the homeowner's association in the District. Representatives of the homeowner's association were present to discuss that with the Board. A homeowner's association representative stated, a member of the County Engineer staff, had stated that the stop signs in the District were authorized by the County and substantially met the requirements. Dennis Whitfield, and his firm, DWS Construction Management Services, stated that Dennis Wilson, the County Engineer stated that the County has adopted the "Manual on Uniform Traffic Control Devices" as their standards. Dennis Whitfield stated that within the MUTCD standards, stop signs are to be 30" X 30" and the proposed homeowner's association stop signs are 24" X 24". The Board agreed that the matter of whether or not the current and proposed stop signs in the District complied with the applicable regulations was up to the Sarpy County Engineer and his office since the County has the traffic control and enforcement in the County, which includes the District's public streets.

It was stated that the District should obtain a written confirmation from the County that the stop signs in the District substantially comply with the County requirements, and the applicable regulations in the opinion of the County.

After full discussion and upon motion being duly made and seconded, with Dennis Whitfield abstaining, and with Allen Klostermeyer, Richard Scofield, Mark Schenck and Shelli Dart voting "aye" and with no Trustees voting "no", the following Resolution was adopted:

> **BE IT RESOLVED**, that the District's attorney is hereby directed to send a letter to the Sarpy County Engineer's Office with a layout of the District setting forth the location and dimensions of the stop signs and request that the County confirm that these stops signs substantially comply with the County requirements and other applicable traffic control regulations, and that they will be enforced by the County.

A discussion was then held concerning sidewalk matters within the District. It was pointed out that there was certain areas where the sidewalk is no longer level, cracked, or in bad condition and is need of repair and replacement. The Board, along with members of the Homeowner's Association, agreed that this had been discussed previously. The District's attorney informed the Board that the SID does have the power to reconstruct the sidewalks and levy a special assessment against the property owner for the special benefits resulting from the sidewalk reconstruction.

The parties agreed to discuss the matter further.

The Chairman then presented the following items for consideration by the Board:

1. Statement from World Herald Media Group in the amount of $77.15.

2. Statement from OPPD for account number 0604100051 in the amount of $954.94.

Questions and disputes about your bill should be directed to the Credit Services Division, 402.504.7002. If the dispute cannot be resolved, you may ask for a conference.

Billing date	Sep 7, 2012	
Previous balance		$1,664.96
Payment received		0.00
Current charges		1,037.25
New balance		2,702.21

Your enclosed utility bill includes a past due balance. This previous balance includes past due bills for utility service and other miscellaneous transactions. A list of transactions since last month's bill is shown on the right side of your bill.

Unless the total of the previous balance is paid or a payment plan is worked out with the Metropolitan Utilities District (M.U.D.) by **September 15, 2012,** your gas and/or water service could be shut off after that date. Mailed payments must be received by the above date. Use the enclosed envelope, and include the return (bottom) portion of your bill so your account can be promptly credited.

If you received a shut-off notice last month and have not paid the amount requested, your services could be shut off prior to the above date.

We do not collect payments at your home or business.

Restoring Service -- The charge to reconnect services will be billed to your account. To turn services on the same day for an additional fee, contact the Credit Services Division by 2 p.m. A Security Deposit may be charged if utilities are disconnected.

Welfare assistance -- Welfare recipients should contact their case worker to see if they qualify for assistance to pay utility bills.

Low Income Energy Assistance Program (LIHEAP) -- The State of Nebraska administers LIHEAP money from the Federal government to help low-income customers pay heating bills. Illness and disabilities -- If illness or disability exists in your household, a one-time 30-day delay of this shut-off can be granted. M.U.D. must receive a certificate from a licensed physician, stating that you or a member of your household has an existing illness or disability, and that a shut-off would cause an immediate and serious health hazard.

Physicians' certificates must be filed with M.U.D. within five days of receiving this shut-off notice.

MINUTES OF SPECIAL MEETING OF THE BOARD OF TRUSTEES
OF SANITARY AND IMPROVEMENT DISTRICT NO. 147
SARPY COUNTY, NEBRASKA

A special meeting of the Board of Trustees of Sanitary and Improvement District No. 147 of Sarpy County, Nebraska, was convened in open public session at 2913 Sheridan, Bellevue, Nebraska, at 7:00 P.M. on September 10, 2012. Present were: Allen Klostermeyer, Richard Scofield, Dennis Whitfield, Mark Schenck and Shelli Dart. Also present were James E. Lang, Counsel for the District. Notice of the meeting was given in advance thereof by publication in The Papillion Times, of Sarpy County, Nebraska, on September 5, 2012, a copy of the Proof of Publication being attached to these minutes. Notice of this meeting was simultaneously given to all members of the Board of Trustees and a copy of their Acknowledgment of Receipt of Notice of Meeting is attached to these minutes. All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

The Clerk presented Proof of Publication of the Notice of Hearing and directed that it be attached to the minutes of this meeting.

The Chairman then called the special meeting and hearing to order. The Clerk explained that the Board of Trustees was meeting for the purpose of receiving testimony to determine whether or not the District should adopt a property tax request for the 2012-2013 fiscal year different than the property tax request for the 2011-2012 fiscal year.

The Chairman explained that the property tax request for the 2011-2012 fiscal year budget was $195,930.00, and based upon the 2011 property valuation of $32,385,238, the 2011-2012 fiscal year budget tax rate was .604998. The Chairman explained that based upon the 2012 property tax valuation of $31,371,865, the property tax request for the 2011-2012 fiscal year budget of $196,074.00 would equal a property tax rate of .625000 needed to fund the 2011-2012 fiscal year property tax request based upon the property valuation for 2012-2013. The Chairman explained that if the District did not adopt a resolution approving a tax request different than the prior year's tax request, then the District's tax request would be the same as the prior fiscal year. The Clerk stated that the District had published a notice of this special meeting setting forth this information.

After full discussion, and upon motion being duly made, with all Trustees voting in favor of said motion, and no one voting against said motion, the following resolution was adopted:

BE IT RESOLVED, by the Board of Trustees of Sanitary & Improvement District No. 147 of Sarpy County, Nebraska, that the proper five days published notice of the special meeting and hearing to adopt a property tax request different than the prior year's tax request has been completed.

BE IT FURTHER RESOLVED, that the Board of Trustees of Sanitary and Improvement District No. 147 hereby finds that it is in the best interest of the District to adopt a property tax request different than the prior year's tax request.

BE IT FURTHER RESOLVED, that as a result of a majority of the governing body voting in favor of the above resolution that said resolution passes, and as a result, the District is authorized to set the levy for the fiscal tax year 2012-2013 in the amount of $108,233.00 in the General Fund which results in a General Fund tax levy of .345000 per $100 of actual valuation and $87,841.00 in the Bond (Sinking) Fund which results in a tax levy of .280000 per $100 of actual valuation in the Bond (Sinking) Fund, for a total levy and tax of .625000 for each $100 of actual valuation and $196,074.00 in property taxes which is an amount and levy different than the prior year's tax request.
