The above-described work is to include removing and replacing PCC integral curb and gutter, repair of subgrade, adjusting manhole rings and covers to grade, sodding, and all other work necessary or incidental to the construction of 2016 Paving Repair in accordance with the plans and specifications.

The outer boundaries of the area which may be subject to special assessments are the same as the outer boundaries of Sanitary and Improvement District No. 156 of Sarpy County, Nebraska.

Plans and Specifications for said improvement have been prepared by Thompson, Dreessen & Dorner, Inc., engineers for the District and said engineers have filed with the Clerk of the District, prior to the first publication of this Resolution, an estimate of the total costs of said improvement, including engineering fees, legal fees, fiscal fees, interest and other miscellaneous costs, which estimate is in the sum of \$75,630.00.

To pay the cost of said improvement the Board of Trustees shall have the power to issue negotiable bonds of the District after such improvements have been completed and accepted; said bonds to be called "Sanitary and Improvement District Bonds" and shall be payable and bear interest as provided by the Statutes of the State of Nebraska.

The Board of Trustees shall assess to the extent of special benefits, the cost of such improvements upon properties specially benefitted thereby. All special assessments which may be levied upon the properties specially benefitted by such improvements shall, when collected, be set aside and constitute a sinking fund for the payment of interest and principal of said bonds. The District shall also cause to be levied annually a tax upon the assessed value of all of the taxable property in the District except intangible property, which together with said sinking fund derived from special assessments shall be sufficient to meet payment of the interest and principal of said bonds as the same become due; said tax shall be known as the Sanitary and Improvement District Tax and shall be payable annually in money.

If a petition opposing this Resolution, signed by property owners representing a majority of the front footage which may become subject to assessment for the cost of the improvements as set forth herein, is filed with the Clerk of the District within three (3) days before the date of the hearing on this Resolution, this Resolution shall not be passed.
