SID 162 10/2/10

Dear Sirs,

My name is Gary Herman and along with my wife, Kathy we own the house at 6908 S 164th Avenue, also known as lot 32, Millard Park Replat 5. We have been here since July 2005. Last fall there was extensive work done on the creek repair that resulted in heavy equipment being brought in at the far west end of our property. This equipment damaged our sprinkler system and the concrete sidewalk and curb. We called the SID to inform them last fall and they were aware of the damages.

This spring we started up our sprinkler system and the two sprinkler heads and some of the sprinkler pipe had been crushed by the construction equipment. We contacted the J&J Sprinkler Company to come out and start up our sprinklers. They normally charge $57.00 to startup the sprinkler system. Because of the extensive damage done by the construction company they had to come out two times for parts & labor to repair the sprinkler system.

We submitted the two bills that we long ago had paid to J&J as directed by Dave Harnish so he could submit the request to the SID board. We told him we would like the parts and labor above the initial hour to start up the system. Now you are asking for more information.

We would appreciate if you would reimburse us for the expense of the parts that were necessary due to the damage. We provided the two separate invoices for the two sprinkler heads at $24.00 each, five funny pipes at .90 each, four funny pipe fittings at 1.08 each, two one inch saddles at $5.50 each, as well as four of the five labor hours required at $57.00 per hour to repair the damage that was done.

We were told that we would be reimbursed for the damages done to our sprinkler system. We have provided information and invoices for expenses we have incurred. We have answered questions regarding the damages. If there is anything else please contact us. We have provided all that was requested but have not yet been reimbursed for any expenses that we have incurred. You can reach us at 895-7015 if you have any questions. Please contact us if you do. Thank you for your consideration and we look forward to hearing from you.

Sincerely,

Gary & Kathy Herman
