

**MINUTES OF THE MEETING OF THE BOARD OF TRUSTEES
OF
SANITARY & IMPROVEMENT DISTRICT NO. 285
OF SARPY COUNTY, NEBRASKA**

The meeting of the Board of Trustees of Sanitary & Improvement District No. 285 of Sarpy County, Nebraska, was convened in open and public session at 4:00 o'clock P.M. on March 11, 2010 at 11718 Nicholas Street, Suite 101, Omaha, Nebraska. Present were the following Trustees: Craig Johnson, Shawn Nowling and Rick Scheer. Absent were Greg McNeese and Robert Fechtmeister. Also present were Mark L. Laughlin, counsel for the District and Doug Dreessen, the District's engineer. Notice of the meeting was given in advance thereof by publication in the Gretna Breeze, Sarpy County, Nebraska, on March 4, 2010, a copy of the Proof of Publication being attached to these minutes. Notice of this meeting was simultaneously given to all members of the Board of Trustees, and a copy of their Acknowledgment of Receipt of Notice to the Trustees of this meeting. All proceedings of the Board were taken while the convened meeting was open to the attendance of the public.

Mark Laughlin publicly stated to all in attendance that a current copy of the Nebraska Open Meetings Act was available for review and indicated the location of such copy in the room where the meeting was being held.

The first order of business was a discussion concerning changes that could be made in the paving plans for the paving of streets within the District that could reduce the cost of the improvements and allow the trustees to proceed with the project. Doug Dreessen indicated that modifications could be made to align the roadways more centered on the existing roadways already in place rather than having them centered in existing right of ways. He stated that in his opinion, the modifications would save the filling and grading of existing culverts and projected that the changes to the plans for the project could save as much as \$100,000.00. He also stated that given the present competitive situation for construction work that additional savings could be made in the base price for materials and labor.

The trustees all acknowledged that it would be in the best interest of the District to follow through with the project if it could be modified to reduce the cost and Doug Dreessen was

asked to study changes that could be made and report his findings to the Board.

Counsel then submitted to the Board the following invoices for payment from the General Fund:

- A) Statement from the Gretna Breeze in the amount of \$9.30 for publication costs.
- B) Statement from Laughlin Peterson and Lang in the amount of \$13,796.10 for legal services.

After full discussion upon motion being duly made and seconded with all Trustees present voting "aye" and with no Trustees voting "no", the following Resolutions were adopted:

RESOLVED, that the Board of Trustees of Sanitary and Improvement District No. 285 of Sarpy County, Nebraska hereby approves the above items for payment and that the Chairman and Clerk be and they hereby are authorized and directed to execute and deliver warrants to be payable from the General Fund Account of the District and to be redeemed no later than three (3) years from the date hereof, being March 11, 2013, and Warrant Nos. subject to extension of said maturity date by order of the District Court of Sarpy County, Nebraska after notice is given as required by law, said warrants to bear interest at the rate of 7% per annum after registration, to-wit:

- A) General Fund Warrant No. 1 in the amount of \$9.30, payable to the Gretna Breeze for publication costs.
- B) General Fund Warrant Nos. 2 through 5 in the amount of \$3,000.00 each and Warrant No. 6 in the amount of \$1,796.10 payable to Laughlin, Peterson & Lang for a total amount due of \$13,796.10 for legal services.

BE IT FURTHER RESOLVED by the Board of Trustees of Sanitary and Improvement District No. 285 of Sarpy County, Nebraska,

that both they and the District hereby find and determine and covenant, and warrant and agree that (a) the facilities for which the above Warrants are issued are designed to serve members of the general public on an equal basis; (b) there are no persons with rights to use said facilities other than as members of the general public; (c) ownership and operation of said facilities is with the District or another political subdivision; (d) none of the proceeds of the Warrants will be loaned to any person and to the extent that special assessments have been or are to be levied for any said facilities, such special assessments have been or are to be levied under Nebraska law as a matter of general application to all property specially benefited by such facilities in the District; (e) the development of the land in the District for sale and occupation by the general public is proceeding with reasonable speed and (f) the District hereby authorizes and directs the Chairman or Clerk to file, when due, an information reporting form pursuant to section 149(e) of the Internal Revenue Code of 1986 pertaining to the above Warrants.

BE IT FURTHER RESOLVED by the Board of Trustees of Sanitary and Improvement District No. 285 of Sarpy County, Nebraska, that the District hereby covenants, warrants and agrees as follows: (a) to take all actions necessary under current federal law to maintain the tax exempt status (as to taxpayers generally) of interest on the above Warrants; and (b) to the extent that it may lawfully do so, the District hereby designates the above Warrants as its "qualified tax exempt obligations" under Section 265(b)(3)(B)(i)(III) of the Internal Revenue Code of 1986 as amended and covenants and warrants that the District does not reasonably expect to issue warrants or bonds or other obligations aggregating in the principal amount of more than \$5,000,000

during the calendar year in which the above Warrants are to be issued.

BE IT FURTHER RESOLVED, by the Board of Trustees of Sanitary and Improvement District No. 285 of Sarpy County, Nebraska that this and the preceding Resolutions are hereby adopted as the Certificate with Respect to Arbitrage of the District pertaining to the above Warrants and the District and the Chairman and Clerk of the District hereby further certify, as of the date of the registration of the above Warrants with the County Treasurer of Douglas County, Nebraska, as follows:

1. No separate reserve or replacement fund has been or will be established with respect to the above Warrants. The District reasonably anticipates that monies in its Bond Fund reasonably attributable to the above Warrants in excess of the lesser of: (a) 10% of the net principal proceeds of the above Warrants, (b) the maximum annual debt service due on the above Warrants, or (c) 125% of average annual debt service due on the above Warrants will be expended for payment of principal of and interest on the above Warrants within 13 months after receipt of such monies. That amount which is currently held in the District's Bond Fund which exceeds the amount which is to be expended for payment of principal and interest on the above Warrants within 13 months after receipt of such monies, plus that amount arrived at pursuant to the immediately preceding sentence, will not be invested in any securities or any other investment obligations which bear a yield, as computed in accordance with the actuarial method, in excess of the yield on the above Warrants.

2. To the best of their knowledge, information and belief, the above expectations are reasonable.

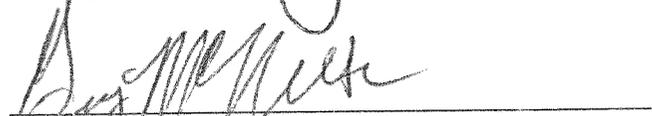

3. The District has not been notified of any listing of it by the Internal Revenue Service as an issuer that may not certify its bonds.

4. This Certificate is being passed, executed and delivered pursuant to Sections 1.103-13, 1.103-14 and 1.103-15 of the Income Tax Regulations under the Internal Revenue Code of 1986, as amended.

There being no further business to come before the meeting, the same was adjourned.
