The District reasonably anticipates that monies in its Bond Fund reasonably attributable to the above Warrants in excess of the lesser of: (a) 10% of the net principal proceeds of the above Warrants, (b) the maximum annual debt service due on the above Warrants, or (c) 125% of average annual debt service due on the above Warrants will be expended for payment of principal of and interest on the above Warrants within 13 months after receipt of such monies. That amount which is currently held in the District's Bond Fund which exceeds the amount which is to be expended for payment of principal and interest on the above Warrants within 13 months after receipt of such monies, plus that amount arrived at pursuant to the immediately preceding sentence, will not be invested in any securities or any other investment obligations which bear a yield, as computed in accordance with the actuarial method, in excess of the yield on the above Warrants.

2. To the best of their knowledge, information and belief, the above expectations are reasonable.

3. The District has not been notified of any listing of it by the Internal Revenue Service as an issuer that may not certify its bonds.
