PERSONNEL POLICY BULLETIN

Adverse Weather Closure Policy

Purpose:

To standardize the decision making policy for Sarpy County regarding closure for adverse weather. This policy is designed to utilize the decisions of the expert weather personnel on staff at Offutt Air Force Base. This policy bulletin does not apply to the Courts, the Sheriff's Office and divisions, nor designated staff. Designated staff are those employees which have been deemed, by his or her Elected Official or Department Head, as being necessary to ensure continuity of operations.

Policy:

- A. Sarpy County has determined that during periods of adverse weather it will follow the decisions of Offutt Air Force Base regarding full closures and late starts. If Offutt Air Force Base is closed for the full day, County offices and departments will be closed to the public and County employees need not report to work. Additionally, if Offutt Air Force Base declares a late start, County offices and departments will report late for the day with a two hour late start.
- B. If adverse weather conditions arise during the course of a workday, the County Administrator is responsible for contacting the County Board Chairperson and together they will make the decision regarding whether to close early.

Notification:

- A. During normal working hours the County Administrator will notify the County Clerk and the Human Resources Department when adverse weather conditions affect county operations and will advise of the type of closure and effective time(s). The Clerk's Office will contact Elected Officials/Department Heads and the designation will be immediately posted on the County website. The Clerk's Office will also contact all media and list information on the Clerk's voice mail line (402-593-1550). All Elected Officials and Department Heads will notify their respective employees of the change in County and departmental operations.
- B. During non-working hours, the County Clerk's Office will notify the media of a closure or late start and create a voice mail as stated above.
- C. All County Employees are responsible for monitoring the TV/Radio stations, checking the County website (www.sarpy.com) or calling 402-593-1550 for a recorded emergency message for that day. County Employees should continue to monitor all TV/Radio broadcasts for possible updates prior to departing for work. If there is no notification as referenced above, County Employees shall report to work as usual.

SECTION 3 - CLASSIFICATION AND COMPENSATION

EMPLOYEE CLASSIFICATION

The following employee classifications have been established in order to provide a equitable basis for the determination of employee eligibility for benefits, promotion or transfer.

Introductory Status

All new employees (including re-hire) shall serve an introductory period of one hundred eighty (180) calendar days before becoming a regular employee. During the introductory status period, the employee is expected to demonstrate the necessary skills and abilities to perform the duties for which employed. The Elected/Appointed Official when assessing the employee's performance and suitability for continued employment will pay particular attention to punctuality, attendance, willingness to work with others and positive response to supervision. (Introductory employees are not entitled to grievance procedures).

Employees of the Communications Department will continue introductory status for 180 calendar days following completion of training and successful qualification as a dispatcher. Introductory employees will not have recourse to the appeal procedure in matters affecting their employment. The Personnel Department will notify the Elected/Appointed Official at least fourteen (14) days prior to the expiration of an employee's Introductory period. The Introductory Appraisal Report form must be completed and returned to Personnel before the end of the Introductory period as a means for determining the employee's eligibility for transfer from introductory status.

Full-Time Employee

An employee who has completed the introductory period and is regularly scheduled to work eighty (80) hours in a two-week period excluding overtime hours.

Part-Time Employee

An employee who has completed the introductory period and is regularly scheduled to work less than eighty (80) hours in a two-week period excluding overtime hours.

Temporary Employee

An employee hired to complete a specific assignment or for a specific period of time not to exceed six (6) months. A temporary employee may be transferred to full-time or part-time status if they meet all the requirements for the position. The date of hire, introductory period and eligibility of benefits begin on the date the transfer is effective.

Student

An employee who is hired on any of the school work release programs. The time period shall be determined between the school and the Elected/Department head; however, it normally would not exceed 12 consecutive months.

A student may be transferred to full-time or part-time status if they meet all the requirements for the position. The date of hire, introductory period and eligibility of benefits begin on the date the transfer is effective.

HOURS OF WORK

This section is intended to set forth the normal workweek, but shall not be construed as a guarantee of hours of work per day or per week. A workday is a period of twenty-four

(24) consecutive hours beginning at a pre-designated hour during which an employee may be assigned and may perform compensable work. Employees shall report to work at a starting time and leave work at a quitting time as determined by the Elected Official/Department Head. All regular full-time courthouse employees shall work a regular forty (40) hour workweek. The Personnel Department and County Board should be notified prior to any variation or change in a department=s primary workday.

RECORD OF HOURS WORKED

By law, Sarpy County is obligated to keep accurate records of the time worked by Anon- exempt@ employees. Compensable time worked is defined as any time spent by an employee performing duties or assignments directly relating to employment with Sarpy County. All non-exempt employees are required to complete a Payroll Report card for each pay period provided by the Personnel Department.

Each employee is responsible for his/her own time card. Both the employee and Elected Official/Department Head must sign the Payroll Report card each pay period to verify the hours worked. Paid breaks are not considered compensable time. Tampering with another=s timecard is cause for disciplinary action of the employees involved up to and including termination.

MEAL AND BREAK PERIODS

Full-time employees working an eight (8) hour shift shall receive one (1) hour unpaid lunch break per shift. The lunch break must be taken at a time assigned by the employee=s supervisor in order to allow for appropriate business coverage.

At the discretion of the employee=s supervisor, employees may be allowed paid break periods of fifteen (15) minutes for each four hours worked if the workload allows.

Employees are encouraged to leave the department during an approved break period in order to avoid interfering with the operation of the department.

Using lunch breaks at the end of the workday to leave early or the beginning of the

day to arrive late is not recommended. It is at the discretion of the Elected Official/Department Head to decide if and/or when this is acceptable.

OVERTIME

Overtime shall be defined as any time properly authorized or approved by the Elected Official/Dept. Head in which the employee actually works in excess of 40 hours in a single workweek. This excludes holiday leave, sick leave, compensatory leave, and vacation leave (i.e., if an employee receives paid holiday and/or vacation days and does not work a full week but works four additional hours on Saturday, the employee only receives compensation for actual hours worked, and does not receive overtime pay). Authorization to work overtime shall be obtained from the employee's immediate supervisor prior to working overtime hours. Failure to obtain authorization before working overtime may subject the employee to disciplinary action.

Overtime work shall be mandatory when required by the employer and the employee shall work the hours directed by the employer. Overtime shall not be used to punish or reward employees. It is the policy of Sarpy County to keep overtime work to a minimum.

Overtime will be compensated at one and one-half (1.2) times the employee's regular hourly rate of pay.

COMPENSATORY TIME

Compensatory time (comp. time) is available to non-exempt (hourly) employees. An employee may choose comp. time off in lieu of overtime or call back time. An employee desiring compensatory time off rather than overtime pay shall notify the employer prior to working any comp. time. Authorization to work comp. time shall be obtained from the employee's immediate supervisor prior to working comp. hours. Failure to obtain authorization before working comp. time may subject the employee to disciplinary action.

Comp. time will be compensated at one and one-half (1.2) times the employee's regular work hours (i.e., eight hours overtime converts to twelve hours comp. time). Unless otherwise specified by a collective bargaining agreement, employees may not accrue more than 240 hours of comp. time for hours worked.

The Elected Official/Dept. Head or designated representative shall keep a record of any compensatory time that an employee has earned or used. An employee shall be permitted to use such time off within a reasonable period after making the request, if such use does not unduly disrupt the operations of the Department.

Upon separation, the employee or his beneficiary shall be paid up to, but not more than, the hours of accumulated comp. time computed on the basis of the employee's regular pay as of his or her last day of employment.

ADMINISTRATIVE DAYS

Appointed Officials:	5 days
Management:	3 days

Because salaried (FLSA “Exempt”) employees may be required to periodically work long or irregular hours and to attend various meetings and functions outside the normal business hours to fulfill their responsibilities, Administrative Leave may be granted. Leave will be for a calendar year only and cannot be accumulated or carried over. Any Administrative Leave granted and used must be documented as such. This leave is not an entitlement nor is it subject to accrual or payment for unused leave. Use is completely discretionary upon approval by the Department Head.

DIRECT DEPOSIT POLICY

Sarpy County employees are required to receive paychecks by direct deposit (unless otherwise stated below). It is in the best interest of Sarpy County both financially and administratively to require direct deposit. Direct deposit provides a number of benefits such as less chance of a lost warrant, reduced potential for theft or forgery and funds are deposited in the employees' accounts on the actual payday.

- A. An employee hired for less than thirty (30) days may be paid by warrant. If employment is extended, direct deposit will be required.
- B. An employee's last paycheck may be by warrant to facilitate the checkout process and to insure County property is returned prior to departure.

EVALUATION PROCEDURES

The Employee Performance Evaluation Program provides a uniform mechanism by which to measure the performance of employees. To insure understanding and the opportunity to benefit from such evaluations, performance reviews shall be conducted annually on the employee's job anniversary date. New hires shall be reviewed upon the completion of their Introductory period. A review may also be conducted in the event of a promotion or change in duties and responsibilities.

During formal performance reviews, the employee's supervisor will consider the following factors, among others:

- The quality and quantity of work performed
- Attendance, initiative and effort
- Knowledge of and ability to perform the job duties of the position
- Attitude and cooperation

Employee Performance Evaluations provide a vital source of information to Elected Officials/Department Heads and employees. It should serve as a tool to measure an employee=s strengths and weaknesses in order to reinforce dependable habits and develop ways to improve in weaker areas. The review also should serve as a way to discuss and to document how an employee=s job performance compares to the goals and requirements of the position. Cooperation by both Elected Officials, department heads and employees with this process will encourage communication and enhance personal development. Sarpy County is interested in helping employees progress and grow in order to achieve personal, as well as work-related goals.

It is considered inappropriate due to the fact that county employees may be able to ensure property is repaired prior to an auction sale, as well as have additional knowledge of the property that is not available to the general public. In addition, any trade will not be negotiated for the property until it becomes the property of the buyer of the trade-in.

Employees are discouraged from bidding, directly or indirectly, at any auction sale conducted for or by Sarpy County of surplus property for the purpose of purchasing such property.

WHISTLE BLOWER POLICY

Purpose

To prohibit supervisory personnel from taking adverse action against an employee as a result of the employee's good faith disclosure of alleged wrongful conduct. An employee who discloses and subsequently suffers adverse personnel action as a result is subject to the protection of this policy.

Alleged Wrongful Conduct

No adverse personnel action may be taken against a Sarpy County employee in knowing retaliation for any lawful disclosure of information on a matter which the employee in good faith believes evidences: (1) a violation of any law, (2) a misappropriation of Sarpy County resources, (3) an abuse of authority, or (4) a violation of the Sarpy County Policies and Procedures Manual; collectively referred to as alleged wrongful conduct. Adverse personnel action is an employment-related act or decision by an Elected Official, Department Head or supervisor which negatively affects an employee.

Making a Disclosure

An employee who becomes aware of alleged wrongful conduct is encouraged to make a disclosure to the Elected Official, Department Head or the Personnel Coordinators as soon as possible. An employee must make the disclosure no later than 365 days after becoming aware of the alleged wrongful conduct. In order to allow the Elected Official, Department Head or the Personnel Coordinators an opportunity to review alleged wrongful conduct and to take the necessary corrective action, employees are encouraged to report the alleged wrongful conduct in writing. A form for reporting alleged wrongful conduct is available in the Personnel Department.

False Allegations of Wrongful Conduct

An employee who knowingly makes false allegations of alleged wrongful conduct to an Elected Official, Department Head or the Personnel Coordinators will be subject to discipline in accordance with Sarpy County Disciplinary Procedure.

Legitimate Employment Action

This policy may not be used as a defense by an employee against whom an adverse personnel action has been taken for legitimate reasons or cause under Sarpy County

Policies and Procedures. It will not be a violation of this policy to take adverse personnel action against an employee whose conduct or performance warrants that action separate and apart from that employee making a disclosure of alleged wrongful conduct.

PERSONNEL AND PUBLIC RECORDS

All official employee personnel records will be maintained by the Personnel Department. These are the permanent employment records for the County; thus, Elected Officials and Department Heads should submit all required employee personnel records to Personnel for maintenance in the official personnel files. NURSING MOTHER
2010)

(Approved 9-

Sarpy County recognizes that working mothers are a vital part of its workforce, and therefore supports nursing mothers by establishing a policy to accommodate mothers who wish to express and collect their milk for one year after the child’s birth during work hours.

To comply with the Fair Labor Standards Act amendment, it is the goal of Sarpy County to identify proper private space and needs within each building occupied by County employees for the purpose of allowing mothers to express breast milk. These areas should include, at a minimum:

- ◆ A place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk. In the absence of a room that can be set aside, a private office that meets the above requirements that can be scheduled for 15-20 minute sessions three times per day, may be used; and
- ◆ An electrical 110v outlet; and
- ◆ Access to a nearby clean and safe water source and a sink for washing hands and rinsing out any breast-pump equipment; and
- ◆ Access to hygienic / refrigerated storage alternatives for the mother to store her breast milk.

Mothers who are nursing may use their two paid fifteen-minute breaks for expressing breast milk. These employees will not be penalized when the expressing procedure extends slightly beyond their two 15-minute breaks daily. Appropriate break times will be allotted for new mothers that choose to nurse.

PROCEDURE

Employees who are nursing mothers and have returned to the workplace should notify their supervisor that they intend to nurse their infant and would like to express their milk during work hours.

The supervisor should contact the Personnel Department for assistance in identifying an appropriate area that will meet the purpose of accommodating nursing mothers.

EMPLOYEE RECOGNITION

(Amended 11-2008)

PURPOSE

A dependable and productive workforce is crucial to any organization, public or private. The Sarpy County Board of Commissioners is extremely proud of the dedication shown by its employees and wishes to recognize those employees who have dedicated many years of service and exemplary work performance. PUBLIC SERVICE RECOGNITION WEEK's purpose is to enhance good employee relations, develop programs that raise morale for all employees in the county, and improve county government relations with its citizens. Since 1985, this week has been celebrated across the nation **beginning the first Monday through Sunday in May**, and is to recognize men and women who serve America as federal, state, and local government employees.

II. POLICY

The purpose of this policy is to establish a program which provides for a systematic and meaningful manner in which the County may recognize employees who have rendered long and/or valuable service to Sarpy County either through "Years of Service" or upon retirement. Special recognition may also be given for unique situations such as fiscal responsibility, workplace safety, exemplary customer service, county-related community service or emergency volunteer work. Special recognition must be pre-approved by Personnel and/or the County Administrator.

Employees recognized for "Years of Service" will be presented, in an appropriate ceremony before the County Board, an award and certificate. Appreciation for 20, 30, 40 and 50+ years of service will be recognized annually at the Board Meeting during the national "Public Service Week".

III. "YEARS OF SERVICE" PROCEDURE

Every year Personnel will compile a list of employees that will be recognized for the upcoming year. Personnel will contact each individual, along with their department head, to notify them of the ceremony (date and time). The County awards "Years of Service" recognition is as follows:

- A. Employees reaching 20 "Years of Service" – Maximum award value \$50.00
- B. Employees reaching 30 "Years of Service" – Maximum award value \$75.00
- C. Employees reaching 40 "Years of Service" – Maximum award value \$150.00
- D. Employees reaching 50 "Years of Service" – Award determined by Official/Dept Head (no more than \$300.00 – approved by Personnel/Administrator)

***Award type determined by Personnel – i.e. pen, clock, plaque, watch and when available "award choices" will be offered to the employee. At no time will an employee get to request cash value in place of their award. County specific awards will be given.**

Recognition for the above years of service will occur during an annual awards ceremony administered by Personnel (Board ceremony and reception) in May of every year. The County Board, Elected Officials, Department Heads and local media will be invited to attend along with County employees to recognize these honorees. Awards and certificates will be awarded at this time with pictures taken of each individual.

IV. RETIREMENT/SEPARATION OF SERVICE PROCEDURE 11/25/08

Recognizing an employee who has worked for Sarpy County ten or more years may be eligible for a "cake & punch reception" upon retirement or separation of service. Cake/nuts/punch may be purchased for the reception following Personnel's general

guidelines (paper supplies/utensils are usually available from Personnel). For further details contact the Personnel Department before purchasing. Expenditures for recognition of “one” employee shall cost no more than \$250 dollars (with invitation extended to “all” County employees). If the reception is for “one” employee and restricted to their “department only” or invitation only – no more than \$100 shall be expended for the “cake & punch” reception.

All purchases for any items related to “Employee Recognition” shall be submitted to Personnel for payment under Personnel’s Awards & Recognition budgetary line item and must meet “recognition” requirements. Requirements include but are not limited to: Maximum award amount of \$75.00 may be given for retirement, separation of service (after ten or more years of service) or specific County related service (must be nominated by an Official/Department Head for recognition of documented exemplary performance). An employee may only be recognized once per year and once for the same recognition reason (i.e. may not be recognized every year for performance).

OTHER EXPENDITURES: The Sarpy County Board of Commissioners may expend funds for recognition dinners for employees, volunteers and officials of Sarpy County for a County function/event but are limited to \$25.00 per person being recognized as per the Local Government Miscellaneous Expenditures Act.

The Sarpy County Board of Commissioners, Officials or Department Heads may elect to have a reception that includes two or more recognized individuals (examples may include the Health and Benefit Fair, group recognition events, special awards, etc). ***County Board of Commissioners will be required to approve funds for a “group reception” of employees, volunteers and/or officials of Sarpy County up to, but not to exceed, \$500.00.***

V. TAX IMPLICATIONS

Personalized (engraved) awards with a cost of \$200 or less such as plaques, frames, pens, clocks, watches that are engraved with the employee’s name and/or accomplishment are not considered taxable because their fair market value is deemed negligible due to the personal nature of the item.

VI. PERSONNEL RESPONSIBILITIES

Personnel shall be responsible for compiling a list of employees and “Years of Service” dates for each department. Personnel will arrange for presentation of the award before the County Board and notify the Officials/Dept Heads and County Board of the date, time and award recognition.

Personnel will also coordinate the purchase and distribution of said awards. Personnel will be available to help schedule, notify and set-up all “recognition events” if needed. Please contact Personnel for assistance.

The following employee classifications have been established in order to provide a equitable basis for the determination of employee eligibility for benefits, promotion or transfer.

Introductory Status

All new employees (including re-hire) shall serve an introductory period of one hundred eighty (180) calendar days before becoming a regular employee. During the introductory status period, the employee is expected to demonstrate the necessary skills and abilities to perform the duties for which employed. The Elected/Appointed Official when assessing the employee's performance and suitability for continued employment will pay particular attention to punctuality, attendance, willingness to work with others and positive response to supervision. (Introductory employees are not entitled to grievance procedures).

Employees of the Communications Department will continue introductory status for 180 calendar days following completion of training and successful qualification as a dispatcher. Introductory employees will not have recourse to the appeal procedure in matters affecting their employment. The Personnel Department will notify the Elected/Appointed Official at least fourteen (14) days prior to the expiration of an employee's Introductory period. The Introductory Appraisal Report form must be completed and returned to Personnel before the end of the Introductory period as a means for determining the employee's eligibility for transfer from introductory status.

Full-Time Employee

An employee who has completed the introductory period and is regularly scheduled to work eighty (80) hours in a two-week period excluding overtime hours.

Part-Time Employee

An employee who has completed the introductory period and is regularly scheduled to work less than eighty (80) hours in a two-week period excluding overtime hours.

Temporary Employee

An employee hired to complete a specific assignment or for a specific period of time not to exceed six (6) months. A temporary employee may be transferred to full-time or part-time status if they meet all the requirements for the position. The date of hire, introductory period and eligibility of benefits begin on the date the transfer is effective.

Student

An employee who is hired on any of the school work release programs. The time period shall be determined between the school and the Elected/Department head; however, it normally would not exceed 12 consecutive months.

A student may be transferred to full-time or part-time status if they meet all the requirements for the position. The date of hire, introductory period and eligibility of benefits begin on the date the transfer is effective.

HOURS OF WORK

This section is intended to set forth the normal workweek, but shall not be construed as a guarantee of hours of work per day or per week. A workday is a period of twenty-four

(24) consecutive hours beginning at a pre-designated hour during which an employee may be assigned and may perform compensable work. Employees shall report to work at a starting time and leave work at a quitting time as determined by the Elected Official/Department Head. All regular full-time courthouse employees shall work a regular forty (40) hour workweek. The Personnel Department and County Board should be notified prior to any variation or change in a department=s primary workday.

RECORD OF HOURS WORKED

By law, Sarpy County is obligated to keep accurate records of the time worked by Anon- exempt@ employees. Compensable time worked is defined as any time spent by an employee performing duties or assignments directly relating to employment with Sarpy County. All non-exempt employees are required to complete a Payroll Report card for each pay period provided by the Personnel Department.

Each employee is responsible for his/her own time card. Both the employee and Elected Official/Department Head must sign the Payroll Report card each pay period to verify the hours worked. Paid breaks are not considered compensable time. Tampering with another=s timecard is cause for disciplinary action of the employees involved up to and including termination.

MEAL AND BREAK PERIODS

Full-time employees working an eight (8) hour shift shall receive one (1) hour unpaid lunch break per shift. The lunch break must be taken at a time assigned by the employee=s supervisor in order to allow for appropriate business coverage.

At the discretion of the employee=s supervisor, employees may be allowed paid break periods of fifteen (15) minutes for each four hours worked if the workload allows.

Employees are encouraged to leave the department during an approved break period in order to avoid interfering with the operation of the department.

Using lunch breaks at the end of the workday to leave early or the beginning of the

day to arrive late is not recommended. It is at the discretion of the Elected Official/Department Head to decide if and/or when this is acceptable.

OVERTIME

Overtime shall be defined as any time properly authorized or approved by the Elected Official/Dept. Head in which the employee actually works in excess of 40 hours in a single workweek. This excludes holiday leave, sick leave, compensatory leave, and vacation leave (i.e., if an employee receives paid holiday and/or vacation days and does not work a full week but works four additional hours on Saturday, the employee only receives compensation for actual hours worked, and does not receive overtime pay). Authorization to work overtime shall be obtained from the employee's immediate supervisor prior to working overtime hours. Failure to obtain authorization before working overtime may subject the employee to disciplinary action.

Overtime work shall be mandatory when required by the employer and the employee shall work the hours directed by the employer. Overtime shall not be used to punish or reward employees. It is the policy of Sarpy County to keep overtime work to a minimum.

Overtime will be compensated at one and one-half (1.2) times the employee's regular hourly rate of pay.

COMPENSATORY TIME

Compensatory time (comp. time) is available to non-exempt (hourly) employees. An employee may choose comp. time off in lieu of overtime or call back time. An employee desiring compensatory time off rather than overtime pay shall notify the employer prior to working any comp. time. Authorization to work comp. time shall be obtained from the employee's immediate supervisor prior to working comp. hours. Failure to obtain authorization before working comp. time may subject the employee to disciplinary action.

Comp. time will be compensated at one and one-half (1.2) times the employee's regular work hours (i.e., eight hours overtime converts to twelve hours comp. time). Unless otherwise specified by a collective bargaining agreement, employees may not accrue more than 240 hours of comp. time for hours worked.

The Elected Official/Dept. Head or designated representative shall keep a record of any compensatory time that an employee has earned or used. An employee shall be permitted to use such time off within a reasonable period after making the request, if such use does not unduly disrupt the operations of the Department.

Upon separation, the employee or his beneficiary shall be paid up to, but not more than, the hours of accumulated comp. time computed on the basis of the employee's regular pay as of his or her last day of employment.

ADMINISTRATIVE DAYS

Appointed Officials:	5 days
Management:	3 days

Because salaried (FLSA “Exempt”) employees may be required to periodically work long or irregular hours and to attend various meetings and functions outside the normal business hours to fulfill their responsibilities, Administrative Leave may be granted. Leave will be for a calendar year only and cannot be accumulated or carried over. Any Administrative Leave granted and used must be documented as such. This leave is not an entitlement nor is it subject to accrual or payment for unused leave. Use is completely discretionary upon approval by the Department Head.

DIRECT DEPOSIT POLICY

Sarpy County employees are required to receive paychecks by direct deposit (unless otherwise stated below). It is in the best interest of Sarpy County both financially and administratively to require direct deposit. Direct deposit provides a number of benefits such as less chance of a lost warrant, reduced potential for theft or forgery and funds are deposited in the employees’ accounts on the actual payday.

- A. An employee hired for less than thirty (30) days may be paid by warrant. If employment is extended, direct deposit will be required.
- B. An employee’s last paycheck may be by warrant to facilitate the checkout process and to insure County property is returned prior to departure.

EVALUATION PROCEDURES

The Employee Performance Evaluation Program provides a uniform mechanism by which to measure the performance of employees. To insure understanding and the opportunity to benefit from such evaluations, performance reviews shall be conducted annually on the employee’s job anniversary date. New hires shall be reviewed upon the completion of their Introductory period. A review may also be conducted in the event of a promotion or change in duties and responsibilities.

During formal performance reviews, the employee’s supervisor will consider the following factors, among others:

- The quality and quantity of work performed
- Attendance, initiative and effort
- Knowledge of and ability to perform the job duties of the position
- Attitude and cooperation

Employee Performance Evaluations provide a vital source of information to Elected Officials/Department Heads and employees. It should serve as a tool to measure an employee=s strengths and weaknesses in order to reinforce dependable habits and develop ways to improve in weaker areas. The review also should serve as a way to discuss and to document how an employee=s job performance compares to the goals and requirements of the position. Cooperation by both Elected Officials, department heads and employees with this process will encourage communication and enhance personal development. Sarpy County is interested in helping employees progress and grow in order to achieve personal, as well as work-related goals.

NURSING MOTHER
2010)

(Approved 9-

Sarpy County recognizes that working mothers are a vital part of its workforce, and therefore supports nursing mothers by establishing a policy to accommodate mothers who wish to express and collect their milk for one year after the child's birth during work hours.

To comply with the Fair Labor Standards Act amendment, it is the goal of Sarpy County to identify proper private space and needs within each building occupied by County employees for the purpose of allowing mothers to express breast milk. These areas should include, at a minimum:

- ◆ A place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk. In the absence of a room that can be set aside, a private office that meets the above requirements that can be scheduled for 15-20 minute sessions three times per day, may be used; and
- ◆ An electrical 110v outlet; and
- ◆ Access to a nearby clean and safe water source and a sink for washing hands and rinsing out any breast-pump equipment; and
- ◆ Access to hygienic / refrigerated storage alternatives for the mother to store her breast milk.

Mothers who are nursing may use their two paid fifteen-minute breaks for expressing breast milk. These employees will not be penalized when the expressing procedure extends slightly beyond their two 15-minute breaks daily. Appropriate break times will be allotted for new mothers that choose to nurse.

PROCEDURE

Employees who are nursing mothers and have returned to the workplace should notify their supervisor that they intend to nurse their infant and would like to express their milk during work hours.

The supervisor should contact the Personnel Department for assistance in identifying an appropriate area that will meet the purpose of accommodating nursing mothers.

PURPOSE

A dependable and productive workforce is crucial to any organization, public or private. The Sarpy County Board of Commissioners is extremely proud of the dedication shown by its employees and wishes to recognize those employees who have dedicated many years of service and exemplary work performance. PUBLIC SERVICE RECOGNITION WEEK's purpose is to enhance good employee relations, develop programs that raise morale for all employees in the county, and improve county government relations with its citizens. Since 1985, this week has been celebrated across the nation **beginning the first Monday through Sunday in May**, and is to recognize men and women who serve America as federal, state, and local government employees.

II. POLICY

The purpose of this policy is to establish a program which provides for a systematic and meaningful manner in which the County may recognize employees who have rendered long and/or valuable service to Sarpy County either through "Years of Service" or upon retirement. Special recognition may also be given for unique situations such as fiscal responsibility, workplace safety, exemplary customer service, county-related community service or emergency volunteer work. Special recognition must be pre-approved by Personnel and/or the County Administrator.

Employees recognized for "Years of Service" will be presented, in an appropriate ceremony before the County Board, an award and certificate. Appreciation for 20, 30, 40 and 50+ years of service will be recognized annually at the Board Meeting during the national "Public Service Week".

III. "YEARS OF SERVICE" PROCEDURE

Recognition for the above years of service will occur during an annual awards ceremony administered by Personnel (Board ceremony and reception) in May of every year. The County Board, Elected Officials, Department Heads and local media will be invited to attend along with County employees to recognize these honorees. Awards and certificates will be awarded at this time with pictures taken of each individual.

IV. RETIREMENT/SEPARATION OF SERVICE PROCEDURE 11/25/08

Recognizing an employee who has worked for Sarpy County ten or more years may be eligible for a “cake & punch reception” upon retirement or separation of service. Cake/nuts/punch may be purchased for the reception following Personnel’s general guidelines (paper supplies/utensils are usually available from Personnel). For further details contact the Personnel Department before purchasing. Expenditures for recognition of “one” employee shall cost no more than \$250 dollars (with invitation extended to “all” County employees). If the reception is for “one” employee and restricted to their “department only” or invitation only – no more than \$100 shall be expended for the “cake & punch” reception.

All purchases for any items related to “Employee Recognition” shall be submitted to Personnel for payment under Personnel’s Awards & Recognition budgetary line item and must meet “recognition” requirements. V. TAX IMPLICATIONS

Personalized (engraved) awards with a cost of \$200 or less such as plaques, frames, pens, clocks, watches that are engraved with the employee’s name and/or accomplishment are not considered taxable because their fair market value is deemed negligible due to the personal nature of the item.

VI. PERSONNEL RESPONSIBILITIES

Personnel shall be responsible for compiling a list of employees and “Years of Service” dates for each department. Personnel will arrange for presentation of the award before the County Board and notify the Officials/Dept Heads and County Board of the date, time and award recognition.
