Re: Resolution Declaring 1995 GMC Pickup Truck With Snowplow Surplus Property

The Highway Department is requesting that 1995 GMC Pickup with snowplow be declared surplus property. Per Sarpy County Resolution "Approving Vehicle Acquisition & Disbursement Policy", January 13, 1998, attached is Fleet Services' recommendation for disposal of the pickup.

Progressive Insurance has declared the Highway Department's 1995 GMC Pickup with snowplow, Unit # 108, VIN # 1GTGK24F7SZ56300, a total loss. Pat Clarke, Fleet Service and Progressive Insurance has agreed on a settlement of \$5,100.00 for the GMC pickup and \$2,000.00 for the snowplow.

Fleet Service will remove the radio and auxiliary fuel tank. After this is done, Progressive will take the vehicle for salvage. The title will be held until the settlement check is received.

It is recommended that the attached title and the Resolution, declaring the Highway Department GMC pickup with snowplow surplus property, be signed.

Re: Declare Highway Department Vehicle Total Loss

On February 13, 2009 a Highway Department vehicle – 1995 GMC 2500 pickup truck with snowplow VIN: 1GTGK24F7SZ563001 with 122,821 miles – was involved in an accident. The county vehicle was declared a total loss. It was determined that the other party involved was at fault. They offered payment for the county's loss in the amount \$7100.00.

I recommend that we accept this offer and approve a resolution declaring the vehicle a total loss. The title will need to be signed off and Fleet Service will forward the title to the salvage company after we receive payment.

Any question please let me know

Subject: RE: Driver's Motor Vehicle Accident Report - Truck #108 - 1995 GMC

I spoke with Heidi Judson of Progressive Insurance about the loss of Highway Truck # 108 -1995 GMC Pickup – VIN 1GTGK24F7SZ563001. They are agreeing with my assessment that this truck is a total loss and have offered a settlement of \$5,100 for the pickup truck and \$2,000 for the snow plow. I agreed to this amount. They are going take the pickup truck next Wednesday 25 Feb 2009 for salvage. We will be removing the radio and auxiliary fuel tank.

Can we have the vehicle declared a loss and the title signed at the next County Board meeting? I would recommend that we hold the title until we receive the settlement check.

Any question please let me know.

Either way this unit does not have any Physical Damage coverage so hopefully the adverse drivers carrier will step up to the plate and offer to pay the County damages.

I check the VIN number on the vehicle and it matches the title. They must have misread the VIN and switch a Z or a 2. It was a little hard to read the VIN number directly off the vehicle at the accident site. See Attached Pictures.
