RE: Resolution Declaring Component Rack Surplus Property

Sarpy County Information Systems Department has requested that a component rack be declared surplus property.

The Micron 7 ft. Component Rack (server cabinet) Sarpy ID # 1716, acquisition date was January 1999. The component rack is of no use in the computer room of the new Administration Wing. The current value of the component rack is less than \$100.00. The City of Bellevue would have use for the cabinet.

It is recommended that the attached Resolution, declaring server cabinet surplus property, be signed.
