Sarpy County Board of Commissioners Report
April 21, 2009

Exhibit A

Subject	Type	By
This is a request for a Change of Zone from IL, Light Industrial to BG, General Business and a Special Use Permit for Retail Alcohol Sales on property legally described as Lot 7, Lakeview South located in the Southeast Quarter of Section 23, Township 14N, Range 11E of the 6 th P.M., Sarpy County	Resolution and public hearing	Rebecca Horner, Planning Director

This is a request for approval of a change of zone to General Business and a special use permit for retail alcohol sales generally located at Interstate 80 and Highway 50.

- History of Request
 - Planning Department staff received a request to upgrade the existing liquor permit for the Andy's General Store which is associated with the Amoco service station. It was determined that the existing use is non-conforming and no expansion or improvement may occur under the existing non-conforming regulations. The applicant was informed of the situation and discussed options with Planning Department staff.
- Comprehensive Development Plan & Change of Zoning
 - The Comprehensive Plan shows the area as Business Park. (Figure 5.1)
 - The requested zoning of BG, General Business is in conformance with the land use designation of Business Park.
 - The area is generally a combination of light industrial and commercial land uses with a prevailing zoning designation of IL, Light Industrial. There are a number of existing non-conforming uses that will need to be rezoned to commercial if the land uses are found to be consistent with the land use plan and appropriate for the location.
- Special Use Permit
 - The service station and retail sale of alcohol have operated from the site for more than ten years without incident.
 - The BG district allows for Retail Alcohol Sales as a Permitted Special Use.
 - The proposed retail alcohol sales are to be located in a light industrial/commercial area as part of a convenience store/service station adjacent to a highway. There do not appear to be any adjacency issues with the proposed use.
 - The site plan is in conformance with the BG, General Business district zoning regulations. The height and lot requirements are generally the same; however there is a slightly increased rear yard setback and the minimum lot area is slightly decreased in the BG district which will not impact the existing and proposed use.
- Planning Commission Action
 - The Planning Commission voted unanimously (10-0) to recommend approval of the change of zone and special use permit on October 29, 2008.
- *Dunbar moved, seconded by Bliss to approve the request for the change of zone from IL (Light Industrial) to BG General Business as it conforms with zoning regulations and the comprehensive plan of Sarpy County. Ayes – Bliss, Dunbar, Gonzalez, Gross, Stuart, Marquardt, Torczon, Wear, Wees, Whitfield. Nays: None Abstain – none. Absent – Fenster. Motion Carried.*
- *Dunbar moved, seconded by Bliss to approve the special use permit for Ray Anderson, 9501 S 145th or business located at I-80 and Hwy 50 Street, for purposes retail alcohol sales as it meets the zoning regulations and comprehensive plan of Sarpy County. Ayes – Bliss, Dunbar, Gonzalez, Gross, Stuart, Marquardt, Torczon, Wear, Wees, Whitfield Nays: None Abstain – none. Absent – Fenster. Motion Carried.*
- Recommendation Change of Zone
 - Recommend approval to the request to change the zone from IL, Light Industrial to BG, General Business due to compatibility with adjacent zoning/uses, conformance with zoning regulations and consistency with the Comprehensive Development Structure Plan.
- Recommendation Special Use Permit
 - Recommend approval to the request for a Special Use Permit for Retail Alcohol sales due to compatibility with adjacent zoning/uses, conformance with zoning regulations and consistent with the Comprehensive Development Structure Plan.
