RE: F.O.P. - Sheriff and Communications Contracts

The F.O.P has voted and approved the contract of FY 2008-2009. The one year agreement included an increase in pay across-the-board for all classifications of 3.75%. There were no other changes in compensation or benefits since the contract is 10 months expired and we will begin negotiations for the FY 2009 contract in the next few weeks.

The only other change is on page 41, number 5 which lays out comparability analysis by classification. We will attempt to negotiate different salary increases by classification based upon survey results. Please contact me if you have any questions.

ARTICLE 3

DUES CHECK OFF

- SECTION 1. The County shall deduct regularly monthly F.O.P. dues from the pay of each employee covered by the Agreement provided that, at the time of such deduction, there is in the possession of the County a current, un-revoked written assignment, executed by the employee, in the form and according to the terms of the authorization form, attached hereto, marked as Appendix "A", and made a part hereof. Such authorization may be revoked by the employee at any time by giving written notice thereof to the County.
- SECTION 2. Previously signed and un-revoked written authorizations shall continue to be effective as to employees reinstated following layoff, leave of absence, or suspension not exceeding sixty (60) days; previous authorizations of other employees rehired or reinstated shall not be considered to be effective.
- SECTION 3. Such authorization deductions shall be made from every other payroll period, and will within ten (10) days be remitted to the duly designated F.O.P. Official. The F.O.P. shall advise the County in writing of the name of such Official.
- SECTION 4. If an employee has no pay coming for the pay period in question, or if such pay period is the first pay period of a new employee, or if the employee has signed an authorization form during such pay period of the subsequent month, such deductions shall be limited to the amount of the current regular monthly F.O.P. dues, and shall not include dues for the prior months or any portion thereof.

If subsequently, the F.O.P. requests the County to deduct additional monthly F.O.P. dues, such request shall be effective only upon written assurance by the F.O.P. to the County that the amounts are regular monthly F.O.P. dues duly approved in accordance with the F.O.P.'s constitution and by-laws.
- SECTION 7. The County agrees to provide this service without charge to the F.O.P.
- SECTION 8. The County shall not be liable for the remittance payment of any sums other than those constituting actual deductions made; and if for any reason it fails to make a deduction for any employee as above provided, it shall make a deduction for the employee's next pay period in which F.O.P. dues are normally deducted after written notification to the County of the error. If the County makes an overpayment to the F.O.P., the County will deduct that amount from the next remittance to the F.O.P. The F.O.P. agrees to indemnify and hold the County harmless against any and all claims, suits, orders, or judgments brought or issued against the County as a result of any action taken or not taken by the County under the provisions of this Article.

ARTICLE 4

SECTION 1. The County shall permit the F.O.P. to use one (1) bulletin board designated by the Department Head, in the designated break room for the posting of F.O.P. meetings, elections, reports of F.O.P. committees, and other notices or announcements that would be of benefit or interest to the employees.

SECTION 2. Posted notices shall not contain anything political or anything reflecting adversely upon the County or any of its employees.

SECTION 4. The County will permit the F.O.P. the use of one ballot box, designated by the Department Head or designee, for use in F.O.P. elections. No employee shall participate in any F.O.P. election, in any manner, during his/her tour of duty. Any F.O.P. authorized violation of this section shall entitle the County to cancel immediately the provisions of this section and prohibit further use of the ballot boxes.

ARTICLE 5

GRIEVANCE PROCEDURE

SECTION 1. A grievance is a claim of an employee alleging a violation of any provisions as set forth in this Agreement. All grievance and disputes, including disciplinary action, arising from the application of this Agreement, shall be settled in the following manner:

The County and the F.O.P. agree to incorporate and recognize only the grievance form available on the County Intranet as indicated in Appendix "B" hereof. Grievance forms may be obtained from either the F.O.P. or the County Personnel Department and shall be obtained or submitted only during an employee's off-duty time.

Step 1. An employee or the F.O.P. shall present the grievance in writing to the Department Head or designee within ten (10) calendar days from the date on which the employee or the F.O.P. becomes aware of the grievance. The Department Head or designee shall respond to the grievance in writing within seven (7) calendar days from the date on which the written grievance is received.

Step 2. If satisfactory settlement is not reached under Step 1, the employee and/or the Department Head grievance shall be presented to the Personnel Department within ten (10) calendar days from the date any decision was received under Step 1. The Personnel Department shall respond to the grievance in writing within ten (10) calendar days from the date on which the grievance was received.

Step 3. If satisfactory settlement is not reached under Step 2, either party may appeal by filing a written request to the Personnel Board within ten (10) calendar days of the notification of the decision reached under Step 2. The Personnel Board shall consist of two members appointed by the Sarpy County Board of Commissioners, two members appointed by the elected officials, and two members selected by each of the three Sarpy County bargaining units (See Personnel Policy Board Rules and Regs). The Personnel Board will conduct a hearing within thirty (30) calendar days or as soon thereafter, that a quorum can be assembled from the date of the appeal. Testimony will be presented as outlined in the Personnel Board Policies and Procedures. The Board shall decide during the hearing whether to make a final determination or to carry over its decision to the following meeting based upon the facts presented and existing Sarpy County and/or department policies and procedures.

In rendering a decision, the Personnel Board will be governed and limited by this Agreement's provisions, applicable law, and the expressed intent of the parties as set forth in this Agreement. The Personnel Board will have no authority to add to, subtract from, or modify any of the terms and provisions of this agreement, or substitute its judgment for that of the County, and will confine its judgment strictly to the facts submitted in the hearing, the

evidence before it, and the express terms and provisions of this Agreement. The Personnel Board's decision will be final and binding upon the parties, except as provided in Step 4 below.

Step 4. If satisfactory settlement is not reached under Step 3, either party may appeal to District Court. Appeals to District Court shall conform with Nebraska Revised Statute 25-1903. If the F.O.P. or an employee seeks review under this paragraph, service shall be accomplished by delivering a copy of the petition in error on the Clerk of Sarpy County with a summons from the District Court. If Sarpy is seeking review under this paragraph, service shall be accomplished by delivering a copy of the petition in error on the F.O.P. President at the Sheriff's Office, and upon any individual member who may be a party at their last know address, with a summons from the District Court. A responsive pleading must be filed within 30 days of receipts of the summons.

When an employee elects to process a grievance without an F.O.P. representative as is his or her right, the F.O.P. shall have the right, to intervene and become a party to the proceedings. Any adjustment of grievance between the employer and an employee not choosing to be represented as assisted by the F.O.P., must be consistent with the terms of this Collective Bargaining Agreement.

SECTION 2. Any time limitations provided herein may be waived or extended by written mutual agreement of the parties.

SECTION 4. Employees may be dismissed for cause. The Department Head may dismiss an employee in his department by delivering a written statement to the employee concerned. The notification shall indicate the reason for the action and the date the dismissal is effective. If the Department Head wishes to make the action immediate, the employee may be placed on leave with pay pending the delivery to the employee of the written communication addressing the dismissal. An employee who is dismissed has the option to file a grievance, following the Sarpy County Policies and Procedures Grievance Procedure. The termination letter will be placed in the employee's personnel file.

SECTION 5. The Department Head or designee shall notify the President of F.O.P. Lodge Three immediately after receiving a grievance from a member of the Dispatchers Bargaining Unit.

SECTION 6. In cases falling within the jurisdiction of Boards established by the attached NCIC agreement, marked Appendix "C", the Boards replace the Personnel Department as the reviewing/approving authority.

ARTICLE 6

EMPLOYEE RIGHTS

SECTION 1. No employee shall be disciplined without the element of just cause.

SECTION 2. The Department Head or designee reserves the right to conduct internal investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights, privacy and dignity of accused personnel. Employees shall fully cooperate with an investigation, and shall not withhold any information that may be relevant to the investigation.

SECTION 3. In conducting internal investigations, the Department Head or designee will not knowingly commit any act which deprives the employee of any statutory or constitutional rights or privileges.

SECTION 4.

- A. In order to justify investigations by the County, citizens' complaints must be verified in person or signed by the person making the complaint. In no event will a citizen's complaint taken over the telephone without verification of the identity of the caller be the basis for discipline against an employee.
- B. Only sustained findings may be inserted in personnel records. Unfounded findings will not be inserted into the permanent Personnel record, or referred to in performance evaluations.
- C. When an employee is questioned or interviewed concerning a complaint or allegation, the employee will be informed, prior to the interview of the nature of the investigation, whether he/she is the subject of the investigation or a witness in the investigation.
- D. Interviews and questioning of employees will be conducted in a professional manner. Statements from employees will not be taken in a coercive manner. Dishonesty during an investigation shall be considered just cause for discipline, up to and including discharge in the County's discretion in accordance with this Agreement.
- E. Employees who are the subject of a disciplinary investigation shall, upon request, receive a copy of their written or recorded statement at no cost to the employee no less than 24 hours prior to their Loudermill hearing.
- F. Upon conclusion of an investigation, the employee who has had prior notification of an internal investigation, shall be notified in writing of the disposition of the case.
- G. The County and the F.O.P., shall not make any press release regarding any internal investigation.

SECTION 5. Employees shall comply with all existing work rules, provided that the rules the employees believe are in conflict with the terms of this Agreement or situations in which the rules are not being uniformly applied may be grieved by the employee; however, the employee will comply with such rules until they are found, through the grievance Procedure, to be conflicting or inappropriately applied, except in those situations in which the employee reasonably believes there to be an immediate and substantial safety hazard.

SECTION 6. Performance Evaluations. If the County or Department Head or designee decides to conduct performance evaluations of employees, such evaluations shall be conducted on a regular basis and fairly and adequately cover the duties and responsibilities of each employee. In that event, the employee will be provided with a copy of the evaluation used, and the County agrees to discuss with the employee all terms contained in such evaluation. The employee shall have the right to add pertinent information or brief comments to any evaluation and to have such comments or information attached to such evaluation.

SECTION 7. Personnel Files.

- A. The personnel file documents required for operations shall be maintained in the office of the Department Head. Other legally required and payroll related information shall be maintained in the Personnel Department. Every employee may during his/her non-duty hours and during regular office hours of the Department Head's Office, inspect his/her file at either office, and shall be allowed to make copies of anything contained therein. All disciplinary action and documentation issued by the Department Head will state the reason for the documentation, the action to be taken by the employee to ensure the violation does not reoccur and will be signed and dated by the employees and submitted to the employee's file. Employees have no right to refuse to sign a disciplinary notice to verify their knowledge when asked to do so, but their signature shall not be an admission of guilt. Full disclosure of all documentation will be provided upon request of the employee. Sarpy shall have sole responsibility to ensure the employees' files are complete upon request for inspection by the employees.
- B. Any employee shall have the right to respond in writing to any adverse comment or incorrect information contained in his/her personnel file and such comments shall be kept in the employee's personnel file as long as the challenged comment or information remains in the file.
- C. No documentation reflecting performance or conduct problems shall be placed in an employee's personnel file without the signature of the employee verifying knowledge of the existence of such information.
- D. The County agrees that pre-employment background investigations, psychological evaluations and polygraphs will be kept confidential and will not be deemed part of the employee's personnel file, and agrees further that performance evaluations performed on any employee will be maintained on a

confidential basis with access available only to the employee, the employee's supervisor, and authorized members of the personnel staff.

- E. Any documentation representing disciplinary action will be removed from the employee's file after the time periods listed below but shall remain active for progressive discipline, and promotion evaluation, purposes for these time periods. It shall be the employee's responsibility, after the appropriate time, to request the removal of any inactive documentation:

Documented Verbal Reprimand	6 months (1 st incident) 1 yr (2 nd)
Written Reprimand	2 Years
Suspension	4 Years
Demotion	Permanent
Termination	Permanent

Any documentation representing disciplinary action that is removed from the employees' file after the time period listed above shall be maintained in a single generic file known as "Removed Disciplinary Action." In the event of a recommended termination any previous disciplinary action may be taken into consideration.

- SECTION 8. Employees shall be allowed to trade shifts only during the same payroll period when approved in advance and in writing by the Department Head. Trades will be approved when the trade will not compromise the operational effectiveness of the Department, in the sole discretion of the Department.

ARTICLE 7

MANAGEMENT RIGHTS

SECTION 1. Except where limited by expressed provisions elsewhere in this Agreement, nothing in this Agreement shall be construed to restrict, limit, or impair, the rights, powers, and the authority of the Employer as granted it under the laws of the State of Nebraska.

ARTICLE 8 DISCIPLINE AND DISCHARGE

SECTION 1. Employees required to attend disciplinary meetings which involve a contemplated change in pay status and tenure will be provided due process; notified at the outset of the meeting of the purpose for the meeting; and shall have the right to be represented by the F.O.P. or the F.O.P.'s designated legal counsel, in the F.O.P. discretion.

SECTION 2. Progressive Discipline Policy
Disciplinary action may include any of the following, depending on the severity of the offense and the employee's work history:

Verbal - A verbal reprimand shall be administered by the employee's supervisor. Verbal reprimands shall be documented in writing and shall indicate those present for the reprimand, the purpose of the reprimand, the date the reprimand took place, the corrective action recommended and further disciplinary action, which may be taken if the violation reoccurs.

Written Reprimand - A written reprimand is a documented written correspondence issued by the Department Head. The reprimand will state the action that caused the reprimand to be issued, what corrective action must be taken by the employee to ensure the violation does not reoccur and further disciplinary action which may be taken if the violation does reoccur. The employee will receive a copy of the written reprimand.

These types of suspension shall have no impact on the County's contribution to the employee's insurance benefits. The Department Head shall notify the employee in writing of the reasons for the action, the number of days of suspension, corrective action which must be taken by the employee to ensure the violation does not reoccur and further disciplinary action which may be taken should the violation reoccur.

Demotion - The Department Head may demote an employee in grade/position. The employee shall be notified verbally and in writing. The notification shall indicate the reason for the action, the effective date of the action, and further disciplinary action which may be taken should the violation reoccur.

Dismissal - The Department Head may dismiss an employee under his/her jurisdiction by delivering a written statement to the employee concerned. The notification shall indicate the reason for the action and the date the dismissal is effective. If the Dept. Head wishes to make the action immediate, the employee may be placed on leave with pay pending the delivery to the employee of the written communication addressing the dismissal.

Grievance Procedure

The grievance procedure is designed to maintain friendly working relations between the County and its employees. Furthermore, the procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, or reprisal against any employee who may submit or be involved in a grievance. The grievance procedure shall not be used to change, but to clarify expressed provisions of any county and/or department policy and procedure.

A grievance is defined as a complaint of an employee (excluding introductory employees) who feels that he/she has not been treated fairly under the Sarpy County Policies and Procedures Manual. Should an employee have a grievance, it shall be handled in the following manner:

The employee must first provide a grievance form with a written account of his/her grievance to the Department Head and discuss the grievance details. The employee must provide a written account of his/her grievance within fifteen (15) days from the date the action took place to cause the grievance to be submitted. The specific action or non-action of the grievance must be stated as well as the date of occurrence. The Elected Official/Dept. Head shall then provide the employee with a written response and return the grievance form within ten (10) calendar days from the date of discussion.

If satisfactory settlement is not reached with the Dept. Head the employee and/or the Dept. Head may then, within ten (10) calendar days from the date the grievance form was returned, may file the grievance with the Personnel Policy Board (Personnel will accept filing and notify Personnel Policy Board). Again, the grievance form must contain a description of the grievance, what policy or policies have been violated by the department and what the employee seeks as a remedy.

Upon receipt of the written grievance form Personnel shall, within thirty (30) calendar days, schedule a meeting with the Personnel Policy Board, the Department Head and the employee involved to discuss the matter. Upon hearing the matter the Personnel Policy Board shall issue a written decision no later than five (5) days from the date of the meeting. The decision of the Personnel Policy Board shall be final and binding; however, this does not prevent either party from pursuing further actions in a court of law. The Personnel Department will advise all employees of the procedure by which the grievance hearings will be conducted.

PERSONNEL POLICY BOARD

Personnel Department: The Board of County Commissioners have created a Personnel Department, the executive head(s) of which shall be the County Personnel Coordinator(s). Hearings before the Personnel Policy Board shall be scheduled through said Personnel Department. All hearings shall be conducted in accordance with the provisions of the collective bargaining unit agreements with Sarpy County.

The Personnel Policy Board will consist of eight appointed members. Two members shall be appointed by the Board of County Commissioners, two members shall be appointed by the Elected Officials and two members shall be appointed by each of the bargaining units (two from each unit). Hearings will consist of six board members. If the bargaining unit appointees are unavailable the other bargaining unit appointees may be used if agreeable to the person filing the grievance.

Specific Personnel Policy Board Policies and Procedures may be obtained from the Personnel Department.

SECTION 3. Disciplinary action limitations. An employee shall not have a disciplinary action imposed more than once for a single incident; however, discipline for each additional act of the same or similar nature may be imposed.

SECTION 4. Unless otherwise specifically provided in this Agreement, both parties shall follow the provisions of the rules and regulations of the Sarpy County Communications Center in effect at the time of the infraction with regard to any disciplinary action taken against an employee.

SECTION 5. When an employee is being questioned about possible criminal matters and it has been officially determined that any self-incriminating statements that the member makes will not be used against him/her in a criminal prosecution, "Garrity" warnings will be given to the employee. See Garrity v. New Jersey, 385, U.S. 493 (1967).

ARTICLE 9

SENIORITY

SECTION 1. Seniority as it applies to full-time employees will be based on continuous length of service with the Communications Department without a break or interruption: provided that any suspension for disciplinary purposes, absence on authorized leave with pay, or layoff for thirty (30) calendar days or less, shall not constitute a break or interruption of service within the meaning of this section.

An approved FMLA ("Family Medical Leave Act") shall not constitute a break in service.

SECTION 2. Seniority as it applies to shift bidding shall be based on continuous length of service within a specific classification.

SECTION 3. Seniority relative to bidding for duty shift shall be based on the most recent period of uninterrupted service with the Communications Department in that particular classification.

SECTION 4. A list of employees arranged in order of seniority shall be maintained and made available for examination by employees, provided that the seniority list be revised and updated at the end of each fiscal year. A copy of the same shall be transmitted to the F.O.P.

SECTION 6. Seniority as it applies to vacation accrual is based on continuous length of service.

ARTICLE 10

The employee lowest on the classification seniority list shall be the first laid off and the last to be recalled. The F.O.P. shall be notified in advance of any anticipated layoff to allow the F.O.P. to work closely with the County and/or the Department Head to correctly align the determining conditions of the layoff.

- SECTION 3. No full-time employee shall be laid off from any classification while there are provisional, probationary, part-time, or seasonal employees working in the same classification.

In such event, the junior employee in the lower classification is subject to layoff.
- SECTION 5. In the event that an employee becomes subject to layoff in his/her particular classification and a vacancy exists in a position of lower classification for which he/she is qualified, he/she may, with the approval of the Department Head, be appointed to such position in a lower classification on the basis of his/her seniority.
- SECTION 6. The names of employees who have been laid off shall be placed on a layoff list maintained by the Communications Department for a period not to exceed one year. The Communications Department shall recall in the reverse order of the layoff, provided such employees are otherwise qualified and immediately capable of performing all of the essential functions of the position. No new employees will be hired by the Communications Department as long as there are employees laid off who have seniority, and who are immediately capable of performing all of the essential functions of the position.
- SECTION 7. Where an employee has accepted a position in a lower classification by virtue of Sections Four (4) or Five (5) hereof, he/she shall be recalled to his/her former position when the same becomes available in the reverse order of reduction.

- J. Temporary employees are not subject to accumulation of sick, vacation, or holiday benefits.

Any employee who has resigned or has been separated or dismissed shall be entitled to and shall receive all accrued vacation leave computed on the basis of the compensation plan in effect on the last day of employment.

Vacation working days may be taken at a minimum of one (1) hour and a maximum of thirty (30) working days vacation at one time.

When vacation time is taken in increments of two (2) consecutive work days, and when requests for vacations are received between fifteen (15) calendar days and six (6) months in advance, then such vacation requests will not be unreasonably denied by the Center Supervisor or designee at the time.

Absence without pay will not effect the crediting of vacation leave to any employee continuing in service unless such leave exceeds forty (40) hours in a thirty (30) day period. If absent without pay more than forty (40) hours, but less than one hundred twenty (120) hours, an employee will earn one-half (1/2) of the vacation to which he/she is entitled. If absent more than one hundred twenty (120) hours, no vacation will be earned for that thirty (30) day period.

Regularly scheduled days off and holidays occurring during vacation leave shall not be charged against vacation leave.

An employee, with the consent of the Department Head, may elect to carry over a maximum of one hundred sixty (160) working hours into the subsequent calendar year, and must use at least 80 hours each calendar year.

Seniority will apply only to those requests made more than forty-five (45) calendar days in advance of requested leave date(s). When applying for vacation leave, an employee's request MAY be "bumped" prior to forty-five (45) calendar days before the requested leave date(s). After employees requests have reached the forty-fifth (45th) day prior to commencement of said leave, their requests may no longer be "bumped" by seniority.

Should two or more employees request vacation leave for the same date(s) and if the request were made less than forty-five(45) calendar days prior to commencement, the first employee to request vacation leave will have preference.

SECTION 2. Jury Duty or Election Service. When an employee is summoned for jury duty by a court of competent jurisdiction or for election board duty, and that employee's attendance is required during his/her regularly scheduled duty shift with the employer, he/she shall receive his/her regular pay from the employer during such service. The employee shall be required to turn over to the employer any compensation received for such jury duty or election service. 3. Part-time employees will accrue sick pay benefits at a rate of one hour for each twenty-six (26) hours worked.
4. Sick leave shall not be accrued by temporary employees.

General Procedure

Sick leave will be considered for a nonwork-related bona-fide illness or injury. Employees will be entitled to utilize sick leave for treatment of drug or alcohol addition, injury, pregnancy, or sickness which renders an employee incapable of performing his or her required job duties, for medical and dental care, or for exposure to contagious disease under circumstances in which the health of other employees or the public would be endangered by the employees attendance on duty.

Employees may utilize their sick time in order to keep medical or dental appointments.

Employees may utilize their sick time for the illness of his or her immediate family (Spouse, child(ren), mother/father) where the employee's attendance is required. Only twenty (20) hours per fiscal year of the Employee's sick time may be used for parents or children living outside the home.

Sick leave may be used at 1/10 (6 minutes) of an hour.

Sick leave will not be granted if the employee is absent due to a disability arising out of and in the course of their employment as are governed by the provisions of Workmen's Compensation Laws. SEE WORKER'S COMP. POLICY.

When unable to report to work, the employee must notify his/her immediate on duty supervisor in accordance with Standard Operating Guidelines Internal-12, except in an obvious emergency. During absence due to illness, the employee must notify his/her Center Supervisor daily of their progress and expected date of return.

Sick pay will be paid only for approved absences and for time when the employee would normally be scheduled for work.

Employees on sick leave for three (3) consecutive workdays must submit a physician's certificate in order to receive sick pay, unless waived by the department head or elected official. The cost, if any, of the certificate shall be paid by the employee. For a lesser period of absence, the department head or elected official may, at his or her discretion, require evidence of illness from a physician for other reasons, as defined by this section.

Illness or non-compensable injury caused by the employee's own misconduct, intentional self-inflicted injury or gross negligence shall not be the basis of any paid sick leave.

Sick leave shall not be used as vacation leave.

Upon written request with approval, vacation pay may be used to continue compensation during illness when all sick pay has been exhausted.

For employees with less than ten (10) years of service upon retirement or resignation (except for dismissal for disciplinary cause), or death, such employee or his beneficiaries shall be paid one-fourth ($\frac{1}{4}$) of his, or her accumulated sick leave up to a maximum of two hundred (200) hours.

For employees with ten (10) or more years of service, upon separation from service, an employee or his/her beneficiaries shall be paid one half ($\frac{1}{2}$) of his/her accumulated sick leave up to a maximum of four hundred (400) hours.

Under each case, such amounts shall be paid at the rate of payment based upon the employee's regular rate of pay at the time of separation.

Any employee who has accumulated more than eight hundred (800) hours of sick leave may convert such excess, up to a maximum of 160 hours, at a 2 to 1 ratio, to a maximum of 80 hours of vacation or pay once per calendar year. Vacation hours are subject to the maximum of 160 hours carry over into the employee's next anniversary year.

An employee on leave of absence without pay will not earn sick leave benefits until they return to a paid status.

Restricted Duty

The Department Head may allow an employee to return to work on a restricted duty basis if the employee has a physician's statement that releases the employee with limitations and/or restrictions. The restricted duty policy will be in accordance with the following criteria:

1. If there is a restricted duty position or work duties available within the classifications covered by this agreement that satisfies the restrictions set forth by the physician, the employee will be assigned to said position or duties.
2. Restricted duty is not meant to be a permanent work arrangement, therefore an employee will be placed in a restricted duty position for a period of time equal to the shorter of (a) The time the employee remains under physician's restricted release, or (b) the light duty job is no longer available.

If an employee remains on restricted status following the completion of thirty (30) calendar days of light duty, his/her health condition will be evaluated to determine whether or not further light duty is appropriate. Preferences for restricted duty positions shall be given to employees' whose medical conditions are work related.

SECTION 5. Job-Related Injuries. Employees are covered by Worker's Compensation as provided by the law of the State of Nebraska. When an Employee under this agreement is entitled to Worker's Compensation benefits, other than medical, surgical, and hospital services as defined by law, that Employee shall be eligible for a supplemental payment by the County if they are injured in a violent incident while at work. The supplemental payment shall be in amount equal to the difference between the average weekly wage, as calculated for Worker's Compensation purposes, and the amount of the weekly Worker's Compensation benefit the Employee receives. Such compensation shall continue for as long as said Employee receives Worker's Compensation, or until lump-sum payment is agreed upon and approved by order of a court of competent jurisdiction.

Upon the approval by a court of competent jurisdiction of a lump sum settlement, the County shall provide no further supplemental benefit under the terms of this agreement. This provision does not obligate the County to supplement the lump-sum agreement or to in any way provide a supplement to Worker's Compensation benefit under the terms of this paragraph.

The Employee shall not be entitled to a supplemental payment under this section in an amount that, when added to any Worker's Compensation Benefit and/or any wage or salary compensation received from the Employer, would result in the Employee receiving total compensation greater than the average weekly wage for the applicable period of time.

SECTION 6. Leave of Absence Without Pay. A leave of absence without pay of up to one year, for good cause shown, may be granted at the discretion of the Department Head. When a leave of absence is granted, all accumulated sick, vacation, and compensatory time off, if any, will be frozen, and the employee will not continue to accrue these benefits while on leave of absence without pay.

If the leave of absence is greater than thirty (30) calendar days, the effective leave date will be retroactive to the first day of work absent. All longevity, step increases, and vacation accrual dates will be adjusted based on the hours the employee was absent without pay. If the leave of absence is less than thirty (30) calendar days, no adjustments will be made.

Health and dental insurance may be retained during a leave of absence at the full premium rate. Insurance benefits will be maintained according to the provisions outlined by Federal COBRA regulations.

NCIC/NCIS MANAGEMENT CONTROL AGREEMENT

- I. This agreement is undertaken by the Sarpy County Sheriff, the police chiefs of the cities of Bellevue, LaVista and Papillion in the State of Nebraska and the Sarpy County Director of Communications. The purpose of the agreement is to provide guidelines and oversight of the Sarpy County Communications Center NCIC operations as required by the Nebraska State patrol and the Federal Bureau of Investigation.
- II. A Sarpy County NCIC Board (hereafter referred to as "the Board") is hereby created. Members of the Board are the Sarpy County Sheriff, the police chiefs of Bellevue, LaVista and Papillion and the Sarpy County Director of Communications. This board shall be responsible for and have the authority to manage NCIC operations in the Sarpy County Communications through the following procedures:
 - A. The Board shall follow all State Patrol and FBI operating and licensing guidelines, rules and regulations applicable to NCIC/NCIS operations in the Sarpy County Communications Center.
 - B. The Board shall have full responsibility and authority for creation, implementation and administration of all NCIC policies and procedures applicable to and utilized in the Sarpy County Communications Center.
 1. These policies and procedures shall insure that the Board maintains management control over persons who are authorized to run NCIC/NCIS warrants, warrants and queries or who conduct data entries. The Board shall be responsible for implementation and administration of the disciplinary process as it relates to violation of any NCIC/NCIS rules, regulations, directives or guidelines. The Sarpy County Sheriff's Office will conduct background investigations and polygraph tests on all applicants who are interviewed for positions in the communications center. Per NCIC Security Policy (1992), all background investigations shall be fingerprint based.
 - C. The NCIC license of the Sarpy County Sheriff's Office is used to establish at least one terminal in the office/work center of the Sarpy County Communications System. Said terminal shall be programmed to include access to criminal history files.
- III. In addition to the Sarpy County NCIC Board identified in paragraph 2 above, a warrants oversight board is also hereby established. The purpose of the board is to establish management control over warrant entry and deletion procedures accomplished by Sarpy County Communications Center personnel.

A. The warrants oversight board shall be established independent of the Sarpy County NCIC oversight board and shall have full responsibility and authority for creation, implementation and administration of rules, regulations and guidelines that apply to warrant responsibilities exercised in the Sarpy County Communications Center.

1. These policies and procedures shall insure that the warrants oversight board maintains management control over persons who are authorized to make warrant entries and deletions, both temporary and permanent management control includes authority over the disciplinary process as it applies to violations of rules, regulations and guidelines governing the warrant process.
2. Since the Sarpy County Sheriff is statutorily responsible for management of the warrant process and program, more than 50% of the warrant oversight board will consist of members of the Sarpy County Sheriff's Department or other individuals appointed by the sheriff. In addition, the Sarpy County Director of Communications will be a member of the warrants oversight board.
3. The Sarpy County Sheriff shall retain exclusive authority to terminate the warrants oversight board should the need arise. Termination can be as soon as practical, but not until alternative arrangements are made by the sheriff. Any changes on the established board must be brought to the attention of the Sarpy County Sheriff's office within thirty (30) days to ensure the terms and conditions of this agreement.
4. This agreement is effective on the last date signed by affected parties, and will be reviewed annually.
