**INTERLOCAL AGREEMENT
SARPY COUNTY ADULT AND JUVENILE DRUG COURTS**

THIS AGREEMENT is made and entered into by and between the County of Sarpy, Nebraska, a political subdivision of the State of Nebraska, hereinafter referred to as the "County", and the Office of Probation Administration, an agency of the State of Nebraska, hereinafter referred to as the "Office".

WHEREAS, the Interlocal Cooperation Act, Neb. Rev. Stat. § 13-801 et seq. (Reissue 1997; Cum. Supp. 2008) provides that units of local government of the State of Nebraska and Nebraska state agencies may enter into an agreement for the joint and cooperative exercise of powers, privileges, or authority capable of being exercised by either agency; and

WHEREAS, the County has established programs for the purpose of continuing the Adult and Juvenile Drug Courts for offenders within Sarpy County, Nebraska; and

WHEREAS Legislative Bill 321 appropriated certain state dollars for the purpose of funding specialized courts, including Drug Courts; and

WHEREAS, the Nebraska Supreme Court, with the approval of the Community Corrections Council, allocated a portion of such funds to assist Sarpy County with the personnel costs for its Adult and Juvenile Drug Courts; and

WHEREAS, the parties wish to set forth an agreement wherein the Office will provide personnel costs for the Sarpy County Adult and Juvenile Drug Courts.

NOW THEREFORE, the parties mutually covenant and agree as follows:

1. The term of the agreement is July 1, 2009, through June 30, 2010. This Agreement may only be modified by mutual agreement of the parties hereto. Either party may terminate this Agreement for any reason by giving the other party thirty (30) days written notice of its intention to terminate. In the event of termination, the Office agrees to compensate the County for personnel costs up to and including the date of termination.

2. The County will facilitate the administration of Adult and Juvenile Drug Courts for the District Court of Sarpy County by and through six (6) Office employees to wit: one (1) Problem-Solving Court Coordinator, three (3) Problem-Solving Court Officers, one (1) half-time Drug Technician, and one (1) half-time Secretary, hereinafter referred to as "Staff". The aforementioned Staff shall perform the duties respectively outlined within the job descriptions as provided in Exhibits A, B, C, and D attached hereto and incorporated by this reference. The County further agrees that for so long as it operates Adult and Juvenile Drug Courts, it will do so in compliance with the rules for said courts as they may be promulgated from time to time by the Nebraska Supreme Court.

3. In consideration of providing one (1) Problem-Solving Court Coordinator, three (3) Problem-Solving Court Officers, one (1) half-time Drug Technician, and one (1) half-time Secretary, the Office shall directly pay salary and benefits for the aforementioned Staff with a sum total not to exceed Two Hundred Sixty-Seven Thousand Six Hundred Sixty-Three Dollars and No Cents (\$267,663.00).

4. Participants in Adult Problem-Solving Court programs in which probation personnel or probation resources are utilized pursuant to an interlocal agreement shall pay the one-time administrative enrollment fee and the monthly probation programming fee. Any participant, who defaults on the payment of any such fees may, at the discretion of the court, be removed from such program or service. This does not preclude a court or other governmental entity from charging additional local fees for participation in such programs and services. The court shall establish the administrative enrollment fee and monthly probation programming fees as follows:

Adult participants placed in a Problem-Solving Court shall pay a one-time administrative enrollment fee of thirty dollars. The fee shall be paid in a lump sum upon the beginning of program or service. Adult participants placed in Problem-Solving Courts shall pay a monthly programming fee of twenty-five dollars, not later than the tenth day of each month, for the duration of participation in a program or service.

The court shall waive payment of the monthly programming fees in whole or in part if, after a hearing, determination is made that such payment would constitute an undue hardship on the offender due to limited income, employment or school status, or physical or mental handicap. Such waiver shall be in effect only during the period of time that the participant is unable to pay his or her monthly fee.

If a participant defaults in the payment of monthly programming fees or any installment thereof, the court may revoke his or her participation for nonpayment, except that shall not be revoked nor shall the offender be imprisoned for such nonpayment if the participant is financially unable to make the payment, if he or she so states to the court in writing under oath, and if the court so finds after a hearing. If the court determines that the default in payment described is attributable to a deliberate refusal to obey the order of the court or to failure on the probationer's part to make a good faith effort to obtain the funds required for payment, the court may enter an order allowing the participant additional time for payment, reducing the amount of each installment, or revoking the fees or the unpaid portion in whole or in part.

5. Probation staff operating in conjunction with a Problem-Solving Court are likewise under the policies and procedures of the Supreme Court and Office of Probation Administration, under the direct supervision of the Chief Probation Officer or designee. The cost of training and travel shall lie with the Office.

6. Each party agrees to indemnify and hold harmless, to the fullest extent allowed by law, the other party and its principals, officers and employees from and against all claims, demands, suits, actions, payments, liabilities, judgments, and expenses (including court-ordered attorneys' fees), arising out of or resulting from the acts or omissions of their principals, officers or employees in the performance of this Agreement. Liability includes any claims, damages, losses, and expenses arising out of or resulting from performance of this Agreement that results in any claim for damage whatsoever including bodily injury, civil rights liability, sickness, disease, or damage to or destruction of tangible property, including the loss of use resulting therefrom. Further, each party shall maintain a policy or policies of insurance (or a self-insurance program), sufficient in coverage and amount to pay any judgments or related expenses from or in conjunction with any such claims. Nothing in this Agreement shall require either party to indemnify or hold harmless the other party from liability for the negligent or wrongful acts or omissions of said other party or its principals, officers or employees.

7. Each party hereby agrees to obey and comply with any and all applicable laws, rules and regulations in governing its activities under the terms of this Agreement. Furthermore, the parties agree that in providing services pursuant to this Agreement, they shall not discriminate against any employee, applicant for employment, participant, or any other person on the basis of race, color, religion, sex, disability, national origin, age, marital status, receipt of public assistance, or any other basis prohibited by applicable state or federal law.

8. It is understood and agreed by the parties hereto that if any part, term, condition, or provision of this Agreement is held to be illegal or in conflict with any law of this State or of the United States, the validity of the remaining parts, terms, conditions, or provisions shall not be effected, and the rights and obligations of the parties shall be construed and enforced as if the Agreement did not contain that particular part, term, condition or provision.

9. The parties acknowledge the possibility of future reductions in State appropriations and/or County revenue. Neither the Court nor the County guarantees the continued availability of funds for the Sarpy County Adult and Juvenile Drug Courts. In the event State funds to assist the County with personnel costs for the Adult and Juvenile Drug Courts become unavailable in whole or in part, the Court may terminate this Agreement or reduce its obligation hereunder upon sixty (60) days written notice to the County. In the event the County discontinues funding for the Adult and Juvenile Drug Courts, the County may terminate this Agreement or reduce its obligation hereunder upon (60) days written notice to the Court.

10. This Agreement may not be assigned without prior written consent of the other party.

11. This agreement shall supersede any and all previous agreements between the parties regarding the subject matter covered herein, and any previous agreements are hereby terminated by agreement of the parties.
