A copy of these audits must be sent to NEMA thirty (30) days upon receipt by the Subgrantee. (see OMB Circular A-133).
3. The Subgrantee understands and agrees that it cannot use any federal funds, either directly or indirectly, in support of the enactment, repeal, modification or adoption of any law, regulation or policy, at any level of government, without the express prior written approval of FEMA.
4. The Subgrantee further agrees to comply with the standards put forth in OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments.

8. The Subgrantee agrees to cooperate with any assessments, national evaluation efforts, or information or data collection requests, including, but not limited to, the provision of any information required for the assessment or evaluation of any activities within this project.
9. Prior approval by NEMA for any changes of this award will be required. Approval for changes must be requested of the Grant Administrator and will be awarded when written or email verification is sent.
10. Re: 2008 Emergency Management Performance Grant Extra Award Agreement

On July 14, 2009 the County Board will be asked to ratify the approval of the 2008 Emergency Management Performance Grant extra award agreement. The award was signed by Larry Lavelle on June 18, 2009 and submitted to the grantor, the Nebraska Emergency Management Agency (NEMA).

The EMPG grant funds are Federal Grant funds that support the Emergency Management programs at the state and local levels. This Grant is awarded to those counties and regions that comply with program requirements set forth by Nebraska Emergency Management Agency and adhere to the Nebraska Emergency Management Act. The Nebraska Emergency Management Agency allocates the EMPG funds to the county and/or regional Emergency Management Agencies for local emergency management programs based on current Emergency Management Program budget requests.

In 2008 Sarpy County received and accepted an award in the amount of \$63,096.00 and has recently been supplemented with an additional amount of \$7,319.39. The EMPG Grant amounts are received and placed in the County General fund to help offset the Emergency Management Program in Sarpy County.
