Re: Domestic Preparedness Grant Application

On October 20, 2009 the County Board will be asked to give the Sarpy County Sheriff's Office permission to submit the Domestic Preparedness grant application. This is a continuation grant that will allow the Sarpy County Sheriff's Office to purchase equipment for protection of an unspecified site. The application requests \$194,000 for equipment that will be used by the Sarpy County Sheriff's Office and the Bellevue Fire Department.

There is no county match requirement and the equipment to be purchased will be 100% funded by this grant.

Do not hesitate to contact Captain Dan Williamson if you have comments or questions.
