This is a request for approval of a floodplain development permit to raise an existing cabin in Schmid Park so that the lowest floor is at least one foot above the base flood elevation.

- Comprehensive Development Plan
 - The Sarpy County Development Structure Plan indicates this area as Greenway.
- Zoning
 - The existing zoning is AG.
 - The cabins are existing non-conforming structures.
 - The proposed amendment will bring the structure into conformance with the floodplain regulations by bringing the lowest floor elevation to at least one foot above the base flood elevation.
- Natural Resources
 - The Natural Resources District has no objection to the request. Their comments are attached.
- Recommendation
 - For the reasons stated above I recommend approval to the flood plain development permit to raise an existing cabin on 3W, Schmid Park, which is part of TLN1 and TLO, located in the SW ¼ of Section 28, T13N, R12E, in Sarpy County, NE.

RE: Louis Caniglia – W3 Schmid Park Application for Floodplain Development Permit

Dear Ms. Horner:

The District received information concerning the proposed raising of a cabin to above the base flood elevation located on Lot TLO Schmid Park in Sarpy County.. According to the Flood Insurance Rate Map for Sarpy County, Panel 31153C 0180 G, effective December 2, 2005, this property is located in the Zone AE floodplain of the Platte River. The base flood elevation (BFE) determined at this location is approximately 999.0 ft (NAVD 1988).

The District has reviewed an elevation certificate prepared by William A. Farrell, dated Marcy 8, 2010 and offers the following comments:

- The applicant is raising an existing cabin so that the lowest floor of the cabin is one foot above the BFE. There will be no new construction at this site. The proposed lowest floor of the cabin is proposed to be 1000.0 ft (NAVD 1988) and is at least one foot above the BFE.

The District has no objections to this application. If you have any questions or concerns, please contact me at 444-6222 or at llaster@papionrd.org.

Sincerely,
