Re: Addendum to Amend E-85 Tank

Attached is an addendum and resolution amending the E-85 Fuel Storage, Dispensing and Management System Agreement. The original Agreement was approved on June 22, 2010 for \$97,749.00, however after further consideration the Vendor determined there was an adding error in the bid and decreased the agreed upon price to \$95,625.00.

The addendum will be on the July 13, 2010 Board agenda for your consideration. If you have any questions, please feel free to contact me at 593-4476.
