Re: Certification of E911 Surcharge

We are required by the law to recertify our E911 surcharge by September 1 of each year. The attached resolution will retain the rate at \$1.00 per month per line, which is the maximum allowed by law. This fee will bring in around \$624,000 out of total budget requirements of approximately \$3,580,297. After subtracting cash on hand and other revenues, the remaining \$2,779,199 will come from contributions from the County and the cities.
