MEMO

To: Sarpy County Board of Commissioners
From: Lois Spethman, Purchaser
Re: Surplus Of Highway Department Equipment

The Highway Department is requesting that the attached list of old equipment (Exhibit A) be declared surplus property.

The Bonnell Windrow Eliminator E113 and the old equipment has not been used for a significant number of years. The drags were fabricated at the Highway shop approximately 15 years ago. The drags were attached to motor graders and which did the same thing the Windrow Eliminator did. There was a danger with the drags because of a higher volume of traffic on our County roads. All the equipment will be sold at the next Sheriff's auction on December 4, 2010.

It is recommended that the attached Resolution, declaring the Highway equipment surplus property, be signed. If you have any questions, please feel free to contact me at 593-2102.
