RE: Grant for hanging artwork in the Courthouse and Administration Buildings

On March 8, 2011, the County Board will be asked to give Lisa Haire permission to write a grant under the Sarpy County Safe Policy Corporation 501 (c) (3) for an artwork hanging system in the County Courthouse and County Administration Buildings. The grant will request \$7,819 to assist with hanging various donated artwork throughout the two buildings.

In an attempt to visually and artistically improve the inside appearance of the buildings, several area businesses and artists have donated artwork for display. Sarpy County will attempt to secure funding from area Foundation sources.

In order to discretely and securely display the donated artwork, Sarpy County would like to install a versatile track mounting system. These sophisticated systems consist of hidden rail mounts with multiple finishes which make them virtually invisible. The system can be easily adjusted and moved to incorporate new artwork as needed. Additionally, with the installation of a track mounting system, donated artwork will be secure and hanging mistakes readily corrected without the time and extra expense of patching and painting holes created by the removal of nails. There will be no County match required if the grant request is approved.

Please contact either myself or Lee Polikov with any questions.
