Mr. Michael E. Behm
Executive Director
Nebraska Crime Commission

Dear Mr. Behm:

At the SCEP (Sarpy County Educational Program) Board meeting which was held on December 15, 2010 we discussed the Truancy Grant Application. The SCEP Board voted to support the Grant Application.

We are in complete support of the Truancy Grant and believe it will assist our school districts in Sarpy County. This is a very innovative program being led by the Sarpy County Sheriff's Department Juvenile Services Division. The Superintendents of Schools within Sarpy County have been in collaboration with the Sheriff's Department in the development of the Grant. The SCEP Board is prepared and committed to provide on-going financial support for the Truancy Program once Grant funding ends.

Sincerely,

Jeffrey L. Davis
Chairman - SCEP Board

MEMO

To: Sarpy County Board

From: Lisa A. Haire

Re: Sarpy County Juvenile Justice Center Truancy Grant

On November 22, 2011 the County Board will be asked to give Lisa Haire permission to write the 2012 Sarpy County Juvenile Justice Center's Truancy Grant offered through the Nebraska Crime Commission.

The grant application will request \$50,970 for continuation of the Truancy Program. \$49,870 will pay salaries for three part-time Truancy Staff at the Sarpy County Juvenile Justice Center and \$1,100 will pay for supplies.

This request is for year two funding. The first two years are funded at 100%. The third year is funded at 75%, the fourth year at 50% and the fifth year at 25%. The Sarpy County Education Program (SCEP) Board has indicated support for future sustainability through revenue generated from the Traffic Program.

There is no County match for this grant, however; a portion of the Juvenile Justice Reporting Center's Supervisor and a portion of the JJC Director's salary and benefits will be used as an in-kind match due to the amount of time spent implementing and supervising the Program.

The goal of the Sarpy County Truancy Program is to implement a comprehensive plan by engaging students in the school culture, developing strategies that will reduce and prevent truancy and the involvement in Juvenile Court.

If you have any questions, please do not hesitate to call myself or Dick Shea.
