Re: Sarpy County Juvenile Detention Alternatives Initiative (JDAI)

On November 22, 2011 the County Board will be asked to give Lisa Haire permission to write the 2012 Sarpy County Juvenile Detention Alternatives Initiative (JDAI) Grant offered through the Nebraska Crime Commission.

The grant application will request \$42,400 for Sarpy County to become a JDAI site. \$36,400 will pay for a JDAI Site Consultant and \$6,000 will be used for supplies/operating expenses.

This request is for year one funding. The first two years are funded at 100%. The third year is funded at 75%. Becoming a JDAI site requires a JDAI Site Consultant to work with the Annie E. Casey Foundation for the first three (3) years. As grant funding decreases, the time the Consultant is required to work with Sarpy County will also decrease.

There is no County match for this grant, however; a portion of the Juvenile Justice Center Director's salary and benefits will be used as an in-kind match due to the amount of time spent traveling, attending meetings, and analyzing data.

The goal of JDAI is to analyze data in order to reform the process of placing juveniles in secured detention providing alternatives when appropriate. JDAI is a nationally renowned program that effectively; lowers detention populations, enhances public safety, saves tax payer money, reduces the overrepresentation of minority youth, and introduces other overall juvenile justice system improvements.

If you have any questions, please do not hesitate to call myself or Dick Shea.
