Re: Authorize Chairman to sign Addendums for School Resource Deputy

During the June 5, 2012 Board meeting, I will be asking the Chairman to sign the Addendums to Interlocal Cooperation Agreements to facilitate a "School Resource Officer" Program. The Program was previously approved by the Board on August 1, 2006 and seeks to ensure the safety and security of students.

The Sarpy County Sheriff's Department provides one (1) School Resource Deputy to serve in the public high schools, middle schools and elementary schools to assist the South Sarpy School District Number 46 and Sarpy County School District 37 (Gretna Public School District) in the education of students and faculty, assist in communication between the districts, County, and Sheriff's Department, and to take appropriate action when situations arise which require the exercise of police authority. The current interlocal agreements between the County and the two (2) school districts expires on June 30, 2012.

Under the terms of the Agreement the school districts reimburse Sarpy County for one half of the deputy costs. When school is not in session (e.g. summer breaks and holidays) or when needed in emergencies, the deputies perform Sarpy County functions.

This is a continuation of the existing agreement that has been in place for several years. The term of the new agreements shall be for a period of three (3) years ending on June 30, 2015.

Please feel free to contact me with any comments or questions at 593-4476.
