RE: Recreational Trails Program Grant Agreement

On June 12, 2012 the County Board will be asked to authorize the Chairman to sign the agreement for the Recreation Trails Program Grant (RTP) offered through the Nebraska Game and Parks Commission (NGPC). The Recreational Trails Program provides funds to develop recreational trails and trail-related facilities for non-motorized and motorized recreational use. Maintenance of the trail will be the responsibility of Sarpy County and the City of Bellevue for 25 years after completion.

Sarpy County was awarded \$164,600 in federal funds through the NGPC to develop and extend the Marv Holubar Trail. The development will extend the trail south to Quail Creek/Lakewood Villages and north to the Bellevue Soccer Complex which runs along the Papio Creek.

The grant requires a match of \$41,200. The City of Bellevue has agreed to contribute \$12,360 toward the match and 25% of the costs for maintenance of the trail. Sarpy County's matching funds will be deducted from Sarpy County Public Works Department budget line items 551302 and 551200.

Please do not hesitate to contact myself or Dennis Wilson with any questions.

The parties to the Project Agreement specifically recognize that the Fund-assisted project creates an obligation to maintain the property described in the Project Agreement as a public recreational trail in a condition that is reasonably safe, accessible, usable and inviting to the public so that the public may enjoy the opportunities that will be made available from the trails program funding.

Further, it is the intent of the parties hereto that recipients of the assistance will use monies granted hereunder for the purposes of this program, and that assistance granted from the trail program will result in a net increase, commensurate at least with the Federal cost-share, in a sponsor's trail program. It is intended by the sponsor that assistance from the Fund will be added to, rather than replace or be substituted for, the sponsor's local public trail funds.

1. The Project Sponsor agrees, as recipient of this assistance, that it will meet the following specific requirements and the terms of the Project Agreement.
2. The Project Sponsor agrees that the benefit to be derived by the State from the full compliance by the Project Sponsor with the terms of this agreement is the net increase in the quality and quantity of public trail facilities and resources which are available to the people of the Project Sponsor and of the State. The Project Sponsor further agrees, therefore, that the appropriate remedy in the event of a breach of this agreement shall be the specific performance of this agreement.
3. The Project Sponsor agrees to comply with policies and procedures set forth in the Recreational Trails Program Guidance of the FHWA and the State program managers. Provisions of the Guidance are incorporated and made part of this Project Agreement.

 - d. Trail tread and trail related facilities, including trail facilities developed under other programs, shall be kept in reasonable repair so as to prevent undue deterioration and to encourage public use.
 - e. The facility shall be kept open for public use at reasonable hours and times of the year, according to the type of area or facility. The Sponsor may employ

reasonable hour and time constraints or other methods as required to enhance public safety or to ensure protection of the resource and the facilities developed under this project.

- f. To enhance trail aesthetics and ensure public safety, all new utility lines and utility lines installed after project completion, where reasonable and economical, will be buried.
5. The Sponsor agrees that the project grant documents shall be retained in the public file records and available for public inspection including access by State and Federal employees. Grant records shall be retained at least 3 years after final payment and closing of the project.
- a. The Project Sponsor shall comply with Title IV of the Civil Rights Act of 1964 (P.L. 88-352) and all requirements imposed by or pursuant to the Department of Transportation Regulation issued pursuant to the Title, to the end that, in accordance with Title IV of that act, no person in the United States shall, on grounds of race, religion, color or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination in the use of any property or facility acquired or developed pursuant to the Project Agreement. The Project Sponsor shall immediately take any measures necessary to effectuate this provision. The assurance shall be binding on the Project Sponsor to which Fund-assistance or property acquired or developed with Fund-assistance has been transferred for public trail purposes.
 - b. The Project Sponsor shall comply with Title IV of the Civil Rights Act of 1964 (42 U.S.C. 2000d) prohibiting employment discrimination where: 1) the primary purpose of a grant is to provide employment, or 2) discriminatory employment practices will result in unequal treatment of persons who are or should be benefiting from the grant-aided activity.
 - c. The Project Sponsor shall comply with the regulations and guidelines promulgated pursuant to the Civil Rights Act of 1964 by the Secretary of Transportation.
 - d. The Project Sponsor shall comply with the regulations and guidelines promulgated pursuant to Section 504 of the Rehabilitation Act of 1973 (P.L. 933-112) by the Secretary of Transportation and the FHWA.
 - e. The Project Sponsor shall comply with the Age Discrimination Act of 1975 (42 U.S.C. 6101), as amended (Title III of P.L. 94-135).
