

**BOARD OF COUNTY COMMISSIONERS
SARPY COUNTY, NEBRASKA
RESOLUTION AUTHORIZING ADVANCED RAILROAD SIGNING PROJECT**

WHEREAS, the Hazard Elimination Program is a "core safety program" for Highway Safety Construction. This program is provided for in Title 23, Section 148 of U.S. Code, and is part of the Highway Safety Improvement Program (HSIP) which is provided for in 23 CFR, Part 924, which is administered by the Federal Highway Administration,

WHEREAS, the State of Nebraska maintains a Multi-Disciplinary High Risk Rural Road Committee to oversee facets of the HSIP; and,

WHEREAS, the High Risk Rural Road Committee has determined that it is desirable to install Advance Railroad Signing on rural county roads to prevent or minimize rail-vehicle crashes on rural county roads throughout the State of Nebraska; and,

WHEREAS, the High Risk Rural Road Committee on September 14, 2010 approved a project known as HRRR-STWD(116)-Advance Railroad Signing to accomplish the following: The purchase and distribution of Advance Railroad Signing, by the State of Nebraska Department of Roads with installation of said signing materials by the County.

NOW THEREFORE, BE IT RESOLVED that the State of Nebraska is hereby requested to act on behalf of Sarpy County to program a project for the installation of the advance railroad signing shown on Exhibit "A" (Response Form) attached.

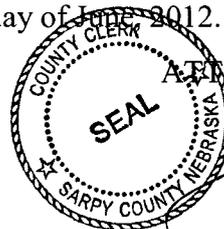

BE IT FURTHER RESOLVED that sufficient funds of said County are now available or will be made available and are hereby pledged to the Nebraska Department of Roads in the amount and at the required time for the purpose of matching Federal funds for the contemplated construction.

BE IT FURTHER RESOLVED that the Sarpy County Public Works Department shall share costs of said project of ten percent (10%) of the total costs, which is available within the current budget.

BE IT FURTHER RESOLVED that the Chairman of the Sarpy County Board of Commissioners is authorized to sign this Resolution on behalf of said Board. In addition the Chairman and the Highway Superintendent are hereby authorized to sign the Certificate of Compliance after completion of the work.

The above Resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with the applicable law on the 26th day of June, 2012.

MEMO

TO: Sarpy County Board of Commissioners

FROM: Patrick M. Dowse, P.E.

DATE: June 22, 2012

SUBJECT: Resolution Authorizing Advanced Rail Road Signing Project

I recommend approval of the resolution to participate in the Advanced Railroad Signing Project provided by the Highway Safety Improvement Program, administered by the Federal Highway Administration. The State of Nebraska's High Risk Rural Road Committee oversees facets of the Highway Safety Improvement Program, and has found that it is desirable to install advanced railroad signage to minimize rail-vehicle crashes on county roads within the State of Nebraska.

a) Sarpy County Public Works Department will share in the cost of purchasing these signs, and said costs are ten percent (10%) of total material costs. Estimated total cost is \$3,900.00, with the County share being \$390.00.

b) Sarpy County Public Works Department will be placing signs per the latest addition of the Manual on Uniform Traffic Control Devices.

It is the recommendation of the Sarpy County Public Works Department that the Sarpy County Board of Commissioners pass said resolution to participate in the Advanced Rail Road Signing Project.

If you have any questions, please give me a call at 537-6917.
