SUBJECT: Resolution Authorizing "STOP" Signs within Springfield Industrial Park

I recommend approval of the resolution to place "STOP" Signs on Oak Street at the intersection of 1st Street, and on 3rd Street at the intersection of Spruce Street. See attached drawing for proposed sign locations. The above mentioned subdivision is outside of the corporate limits of the City of Springfield, therefore installation of these regulatory signs requires approval from the County Board.

- a) Springfield Industrial Park will be placing signs to make the public aware of the "STOP" Signs as per the Manual on Uniform Traffic Control Devices.
- b) Springfield Industrial Park will be notifying the Sarpy County Sheriffs Department of the change that will take place.

The Sarpy County Engineers office has reviewed the proposed location of the signs in question. It is our recommendation that these signs are to be placed at the locations shown on the plan that was submitted.

If you have any questions, please give me a call at 537-6917.
