

BOARD OF COUNTY COMMISSIONERS
SARPY COUNTY, NEBRASKA

APPROVE PRELIMINARY PLAT – TIBURON RIDGE

WHEREAS, pursuant to Neb. Rev. Stat. § 23-104 (Reissue 2007), the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. § 23-103 (Reissue 2007), the powers of the County as a body are exercised by the County Board of Commissioners (County Board); and,

WHEREAS, the County Board has the authority to adopt Subdivision Regulations, which shall have the force and effect of law pursuant to Neb. Rev. Stat. § 23-374 (Reissue 2007); and,

WHEREAS, said Subdivision Regulations require the County Board to approve applications for preliminary plats; and

WHEREAS, the applicant, JMF LLC has applied for approval of a preliminary plat of a subdivision to be known as Tiburon Ridge on property generally located on the north side of Highway 370 between 174th Street and 180th Street and legally described as follows:

Tax Lot 15A and 16B in the southwest corner of Section 28, Township 14 North, Range 10 East of the 6th P.M., Sarpy County, Nebraska.

WHEREAS, Bruce Fountain, Sarpy County Planning Director has reviewed the application of the preliminary plat of a subdivision to be known as Tiburon Ridge for compliance with the Subdivision Regulations; and

WHEREAS, the Planning Director has made a recommendation of approval as noted in Exhibit A, attached hereto and incorporated by reference, which Exhibit A includes the Planning Director report, the aerial map of the subject property and a copy of the preliminary plat of the subdivision to be known as Tiburon Ridge.

NOW, THEREFORE, BE IT RESOLVED BY THE SARPY COUNTY BOARD OF COMMISSIONERS THAT this County Board makes the following findings of fact:

- I. A public hearing regarding the approval of the preliminary plat was held on October 17, 2012 before the Sarpy County Planning Commission. The Planning Commission provided their recommendation to the County Board.
- II. A public hearing regarding the approval of the preliminary plat was held by this County Board.
- III. Notice of each of the public hearings described above was published at least once in the ten (10) day period immediately prior to each respective public hearing.

- IV. The Planning Director recommends approval.
- V. The proposed preliminary plat of a subdivision to be known as Tiburon Ridge is in conformity with the Zoning Regulations, the Subdivision Regulations and the Sarpy County Comprehensive Plan;

BE IT FURTHER RESOLVED THAT the preliminary plat of a subdivision to be known as Tiburon Ridge, as described in the attached Exhibit A is hereby approved.

The above Resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with applicable law on the 6th day of November, 2012.

PRELIMINARY PLAT (PP 12-0003)

CHANGE OF ZONE (CZ 12-0003)

APPLICANT: JMF LLC – PAUL MCCUNE

PROPOSED MIXED USE SUBDIVISION TO BE KNOWN AS TIBURON RIDGE

PLANNING COMMISSION HEARING OF: OCTOBER 17, 2012

I. GENERAL INFORMATION

A. APPLICANT:

JMF LLC – Paul McCune
11550 I Street, Suite 200
Omaha NE 68137

B. PROPERTY OWNERS:

JMF LLC – Paul McCune
11550 I Street, Suite 200
Omaha NE 68137

C. SUBJECT PROPERTY LOCATION: Subject property is located on the north side of Highway 370 between 174th Street and 180th Street.

D. LEGAL DESCRIPTION: Tax Lot 15A and 16 B in the southwest corner of Section 28, Township 14 North, Range 10 East of the 6th P.M. Sarpy County, Nebraska.

E. SUBJECT PROPERTY SIZE: approximately 124 acres

F. EXISTING FUTURE LAND USE AND ZONING DESIGNATIONS:

- Future Land Use Designations: Mixed Use Center and Urban Residential
- Zoning: AG (Agricultural Farming District)

G. REQUESTED ACTION(S): To approve a Preliminary Plat of a proposed mixed use development consisting of 150 single-family lots, a multi-family lot, and nine commercial lots in a five-phase project. The proposed zoning would change from AG (Agricultural Farming) to RS-100 (Single-family Residential), RG-15 (General Residential), and BG (General Business). All to be known as Tiburon Ridge.

II. BACKGROUND INFORMATION

A. EXISTING CONDITION OF SITE: Undeveloped

B. GENERAL VICINITY AND LAND USE

- North and East: Acreage Residential and Low Density Residential w/ Golf Course
- South: Undeveloped
- West: Acreage Residential Development on the west side of 180th Street

C. RELEVANT CASE INFORMATION:

- This property has been preliminary platted twice in the past by other developers. Those approvals expired for failure to move forward with a final plat.
- Water would be provided by MUD
- Sanitary Sewer would be provided by way of the Gretna Interceptor Sewer. A 6-party Wastewater Sewer Agreement would need to be approved if the proposed sewer for Phase 1 and 2 flows through Pebblebrooke. Sewer for Phase 3-5 would go to a proposed lift station along 180th Street and then be lifted into a gravity flow system in Tiburon.
- Proposed access points are as follows:
 - Highway 370 at 174th Street
 - 176th Street in Tiburon
 - 180th Street
 - 177th and Highway 370 - right in, right out only

D. APPLICABLE REGULATIONS:

- Sarpy County Comprehensive Development Plan
- Sarpy County Zoning Regulations:
 - Section 14, RS-100 Single-family Residential District
 - Section 18, RG-15 General Residential District
 - Section 20, BG General Business District
 - Section 32, Highway Corridor Overlay District
 - Section 38, Stormwater Regulations
- Sarpy County Subdivision Regulations
 - Section 5, Procedure for Approval of Preliminary Plat
 - Section 6, Preliminary plat and Supplementary Data
 - Section 10, Minimum Design Standards
 - Section 12, Standards for Construction Plans and Specifications
 - Section 17, Guidelines, Procedures for Public Improvements

III. ANALYSIS / STAFF COMMENTS

A. COMPREHENSIVE PLAN:

- The Comprehensive Plan shows the area as future Mixed Use Center and Urban Residential. The proposed development is consistent with these future land use designations.

B. TRAFFIC AND ACCESS:

- Access to the subject property will be available from several locations:
 - Full access at Highway 370 at 174th Street (Constructed with Phase 1)
 - Connect to existing access in Tiburon at 176th Street (constructed with Phase 1)
 - Access to 180th Street (constructed with Phase 4)
 - Right in, right out at 177th and Highway 370 (Constructed with Phase 5)
- Any street, road or highway improvements required will be the developer's responsibility.

C. OTHER AGENCY REVIEW/COMMENTS: The applications were sent to each of the five cities in Sarpy County as well as jurisdictional agencies or departments that may have an interest.

- Comments were received from:
 - **Sarpy County Public Works** – Comments include the requirement to include the legal description on the plat; location of existing utilities; proposed location of

- 180th Street and the possibility of it becoming a right in, right out in the future; general comments (see attached comments as submitted for details).
- **Sarpy County GIS** – Commented that once the Final Plat is approved they will add street names and addresses for the subdivision (see attached comments).
 - **Papio Missouri River Natural Resource District** – Comments include the requirement of a post construction stormwater management plan and the submittal of all documentation to the Papillion Creek Watershed Partnership Website (Omaha Permix); and Watershed Management Fees (see attached comments as submitted for details).
 - **City of Gretna City Engineer** – Commented on the connection to the Gretna Municipal Interceptor Sewer, applicable fees, and agreements necessary for service. Gretna recommends that the proposed subdivision be served by the ultimate system for the sub basin rather than connecting to the existing Pebblebrooke system although they realize that the ultimate system is development driven (see attached comments as submitted for details).
 - **City of Gretna Fire Chief** – Commented on the accesses and the amount of traffic that will be utilizing the 174th Street intersection; requests that when the streets are named that the north/south streets be “number” streets and the east/west streets be “name” streets (see attached comments as submitted for details).
 - **Other responses** received indicated they had no comments or objections to the application.

D. GENERAL COMMENTS:

▪ Preliminary Plat:

- Staff held a pre-application meeting with developer to discuss the proposed development. Staff has made the developer aware of general comments.
- Staff requested that the developer and or his agent schedule a neighborhood meeting with abutting property owners to discuss the proposed development.
- Proposed mixed use development to be completed in five phases.
- 150 total large single-family lots.
- One multi-family lot (with square footage to support 400 plus multi-family units pursuant to code).
- Nine commercial lots that will front Highway 370 and 180th Street.
- Outlots A and B and D through F are dedicated drainage ways and are unbuildable.
- Outlot C is proposed for landscape buffer for properties in Ballena (Tiburon South).
- No direct vehicular access will be allowed to any proposed lot within the subdivision from 180th Street or Highway 370.
- Staff recommends that no direct vehicular access be allowed from “Street 7” to Lots 1, 51, 94,95, 126, and 127.
- Additional Right-of-way will be dedicated along 180th Street.
- Highway 370 access at 174th Street is proposed to be a full movement access.
- 180th Street is proposed as a full movement access but pursuant to comment by Public Works, it could be restricted to right in, right out in the future.
- Proposed “Street 8” access to Hwy 370 will be right in, right out.
- Any required traffic improvements on Hwy 370 or 180th Street related to the development shall be the developer’s responsibility.

- Staff recommends that the 800 foot block length be waived for those blocks that exceed the maximum due to irregular shape of blocks and the existing developments to the north and east.
 - Staff has requested a Landscape Plan for Highway 370 right-of-way and Outlot C.
 - The commercial/multi-family development lots that are located with one quarter mile of the centerline of Highway 370 will be subject to the Highway Corridor Overlay District criteria.
 - Subdivision Agreement is to be submitted for review and approval.
 - Legal description needs to be corrected on preliminary plat to reflect Tax Lot 15A and Tax Lot 16B.
 - Lot 1A and 1B, Ballena are not included in the plat as the public right-of-way will be done by dedication (per consultant's email correspondence).
 - Development will be served with utilities as follows: water by MUD, natural gas by Black Hills Energy, sanitary sewer by City of Gretna, and electrical power by OPPD.
- **Change of Zone**
 - Currently zoned AG, Agricultural Farming District
 - Portion of the property that is located with one quarter mile of the centerline of Highway 370 is within the Highway Corridor Overlay District.
 - Lots 1-150 to be zoned RS-100, Single-family Residential
 - Lot 151 to be zoned RG-15, General Residential
 - Lots 152-160 to be zoned BG, General Business
 - Outlots A-F will be zoned according to abutting parcels but will remain unbuildable lots.

IV. STAFF RECOMMENDATIONS:

- Staff recommends **APPROVAL** of the proposed preliminary plat of a subdivision to be known as Tiburon Ridge, subject to the comments and conditions listed above being addressed as necessary prior to submittal and consideration by County Board of Commissioners. Staff makes this recommendation as the Preliminary Plat, with conditions as noted, meets requirements of the Sarpy County Comprehensive Development Plan, Zoning Regulations, and Subdivision Regulations.
- Staff recommends **APPROVAL** of the Change of Zone for the proposed Tiburon Ridge development as it is in conformance with the Sarpy County Comprehensive Development Plan and the Sarpy County Zoning Regulations.

V. PLANNING COMMISSION RECOMMENDATION:

- The Planning Commission voted 8-0 to recommend **APPROVAL** of the Change of Zone application from AG to RS-100, RG-15, and BG.

MOTION: Vanek moved, seconded by Stuart, to recommend approval of a change of zone from AG to RS-100, RG-15A, and BG for proposed Tiburon Ridge Subdivision as it complies with the Sarpy County Comprehensive Plan and Zoning Ordinance.

Ballot: Ayes – Torczon, Stuart, Whitfield, Mohr, Murante, Fenster, Farrell, and Vanek. Nays – none. Abstain – none. Absent – Thompson, Lichter, and Bliss. **Motion carried 8-0-3**

- The Planning Commission voted 8-0 to recommend **APPROVAL** of the Preliminary Plat for Tiburon Ridge with conditions to be addressed prior to the County Board's review.

MOTION: *Vanek moved, seconded by Torczon, to recommend approval of the proposed preliminary plat of a subdivision to be known as Tiburon Ridge subject to the conditions and comments as listed in the staff report being addressed as necessary prior to the submittal and consideration of the County Board, as it complies with the Sarpy County Comprehensive Plan, Zoning Regulation and Subdivision Regulation.*

Ballot: *Ayes – Torczon, Stuart, Whitfield, Mohr, Murante, Fenster, Farrell, and Vanek. Nays – none. Abstain – none. Absent – Thompson, Lichter, and Bliss.*

PROJECT DESCRIPTION: *(Describe the project in detail, including physical features of the site, proposed improvements, proposed uses or business, operating hours, number of employees, anticipated customers, etc. – Attach additional sheets if necessary.) PLEASE NOTE: A detailed project description is essential to the reviewing process of this request.*

Tiburon Ridge is a proposed subdivision located northwest of Hwy 370 and 174th Street. The first two phases will be single-family lots. The remaining phases will be 30 acres of commercial, 3 acres of office, 16 acres of apartments and single-family lots. The current plan to have single-family lots, commercial and also multi-family lots is to create a mixed use area along Highway 370. The sanitary sewers on the eastern portion of the site area will drain by gravity to the existing sewer and lift station on the south side of Pebblebrooke, where it is stored and pumped through the existing force-main system that currently serves the others areas of Pebblebrooke. An existing Wastewater Services Agreement will need to be amended between all parties, including Pebblebrooke, as well as several other existing developments, to allow Tiburon Ridge to connect to this system. Sanitary sewer on the western portion of the site, will drain to the southwest corner and be pumped by a lift station to the future Gretna Interceptor Sewer near Cornhusker Road. Storm water runoff from the project will be captured in landscaped storm water quality basins in key locations where it will be treated before leaving the site. Proposed commercial and office areas will have to treat their storm water runoff on their respective lots. 180th Street will be widened from Hwy 370 north to provide additional access to the commercial and multi-family lots as they are developed so that traffic will not be required to traverse through the single-family lots. The project will have MUD water, BHE gas, OPPD power and street lights.

PLAT INFORMATION: *Complete each section in its entirety. If a question is not applicable to your project, please indicate this to show that each question has been carefully considered.*

RE: Preliminary Plat Submittal Review – SID 278, Tiburon Ridge

Sarpy County Public Works has reviewed the submittal by Lamp Rynearson and Associates for SID 278, Tiburon Ridge. After review, Sarpy County Public has the following comments:

6.1 General Requirements

A preliminary plat shall include a legal description; only a general description was included. There is no Metes and Bounds around the entire property, except for those portions conveyed for NE HWY 370 for street widening in the caption below TIBURON RIDGE.

6.2.8 Utility Locations

The preliminary plat does not show all existing utilities in or on streets adjoining the area, merely the Utility Note states that there was observed evidence of utilities in the area.

6.2.15.5 Locations of Streets

Street 9 is approximately 850 feet north of the intersection of 180th Street and NE HWY 370. Future expansion of 180th Street may warrant that Street 9 be converted into a right-in-right-out access due to the proximity to the major intersection.

Preliminary Plan and Profile General Comments

The sag vertical curves along the following roadway profiles should be checked for accuracy of the Headlight Sight Distance value:

Sheet 2 of 17, ST01, PVI STA 200+50

Sheet 3 of 17, ST02, PVI STA 23+99+96 and STA 30+86.93

Sheet 6 of 17, ST04, PVI STA 51+00

Sheet 7 of 17, ST04, PVI STA 5+05.23

Sheet 13 of 17, ST07, PVI STA 115+12.02

Also, the Title Block of Sheet 12 of 17, the AND of PLAN AND PROFILE has a typographical error.

RE: Tiburon Ridge – Preliminary Plat and Change of Zone Applications

Dear Mr. Fountain:

The District has reviewed the preliminary plat and the change of zone applications for Tiburon Ridge, northwest of 174th Street and Highway 370 in Sarpy County and offers the following comments:

- A post construction stormwater management plan demonstrating on-site control of the first one-half inch of stormwater runoff and no-net increase in peak runoff from a 2-year storm event must be submitted for this project. An application and all supporting documentation must be submitted to the Omaha Permix website at <http://www.omahapermix.com/pcsmp/applicant/login.php>.
- A development agreement was not provided for review; however, as stated in the Papillion Creek Watershed Partnership Interlocal Agreement adopted by the County in 2009, Watershed Management Fees are to be collected for all new development or significant redevelopment.

If you have any questions or concerns, I can be contacted at (402) 444-6222 or at llaster@papionrd.org.

Sincerely,

Lori Ann Laster, CFM
Stormwater Management Engineer

Donna

Based on the information furnished by LR&A and our discussion with Scott Loos, PE: we offer the following comments:

1. This area is programmed to be serviced with a future regional sewage lift station located south of Highway 370 as shown on the attached Concept Plan. The lift station would pump north to a future gravity main in 180th Street that will connect to the existing Tiburon sub-interceptor sewer. To date, this is a concept plan only.
2. There will be a sub basin interceptor fee levied for all properties within this basin in addition to the Gretna municipal interceptor fees already in place. If the developer chooses to connect to the existing Pebblebrook gravity sewer and lift station, these fees will still be payable to the City of Gretna at the time of platting pursuant to City code.
3. The City of Gretna is aware of the limitations of the Pebblebrook, Lake Ridge, Tiburon, and Palisades systems and would recommend that this area be served at this time by the ultimate system as initially programmed.
4. The City of Gretna realizes that this sub-interceptor sewer is development driven. As result, the revenue stream must be sufficient enough to support the project prior to the commence of any preliminary engineering design.

Please contact this office if you have any comments regarding the above

Subject: RE: Preliminary Plat and Change of Zone - Tiburon Ridge

Attached is the Planning/Zoning Review form for a Preliminary Plat and Change of Zone application we recently received. The applicant, JMF LLC – Paul McCune has submitted application for consideration of a proposed Preliminary Plat for the 125+/- acres located in the southwest quarter of Section 28, T14N, R11E for SID 278, Tiburon Ridge. The proposal for a mixed use development consists of both single and multi-family residential, as well as a commercial development area. In conjunction with the proposed plat, the applicant has also requested a change of zoning from AG (Agricultural) to RS-100 (Single-family Residential), RG-15 (General Residential), and BG (General Business). This application is slated for the October 14th Public Hearing before the Sarpy County Planning Commission, therefore we would like to have any comments back prior to October 1, 2012.

Feel free to contact me if you have any questions.

Respectfully,

Donna Lynam

Subject: RE: Preliminary Plat and Change of Zone - Tiburon Ridge

Sorry I am late.

I think we have done this long enough, you know what I look at.

It appears that they are going to connect into 174th street for access to 370 and also connect into 176th Street of the existing subdivision to get their two access points. Is the access to 180th going to happen anytime soon since that is showing phase 4? Am I missing any other connections/outlets from this plat?

I see that the streets are not named yet but would like to keep the number streets going north and south and named east and west.

I think this is going to be a lot of traffic coming on at 174th street. Can't see many of the people wanting to cut thru to the north to get out.

Thanks

Rod

Subject: RE: Preliminary Plat and Change of Zone - Tiburon Ridge

Attached is the Planning/Zoning Review form for a Preliminary Plat and Change of Zone application we recently received. The applicant, JMF LLC – Paul McCune has submitted application for consideration of a proposed Preliminary Plat for the 125+/- acres located in the southwest quarter of Section 28, T14N, R11E for SID 278, Tiburon Ridge. The proposal for a mixed use development consists of both single and multi-family residential, as well as a commercial development area. In conjunction with the proposed plat, the applicant has also requested a change of zoning from AG (Agricultural) to RS-100 (Single-family Residential), RG-15 (General Residential), and BG (General Business). This application is slated for the October 14th Public Hearing before the Sarpy County Planning Commission, therefore we would like to have any comments back prior to October 1, 2012.

Feel free to contact me if you have any questions.

Thanks. If/when they are ready for the street names on the prelim plat please have the CAD file sent to Chris or I.
Thanks.

Nikki
