RE: Papio-Missouri Natural Resources District Stormwater Grant

On February 28, 2012, the County Board will be asked to give the Sarpy County Grant Coordinator permission to write the Papio-Missouri Natural Resources District (NRD) Stormwater Best Management Practices Program application. The application will request \$10,000 from the Papio-Missouri NRD for a rain garden which will be located on the northeast corner of the Courthouse overflow parking lot (corner of Golden Gate Drive and East Gold Coast Road).

The grant requires a \$10,000 match which will be met with funds from Sarpy County's Annual Stormwater Management Program (SWMP) Grant awarded to Sarpy County from the Nebraska Department of Environmental Quality (NDEQ).

Please contact myself or Scott Bovick with any questions.
