RE: SID No. 278 of Sarpy County, Nebraska  
Sanitary/Outfall/Storm Sewers and Paving, Section I  
LRA Project No. 0107018.11

Mr. Hillyer,

Per the correspondence dated February 28, 2013, Sarpy County Public Works has reviewed the plans and specifications for the above referenced public improvements project for SID 278 of Sarpy County (Tiburon Ridge, Phase I). As the plans have not been revised since that time, Public Works still finds these plans acceptable as they meet current minimum standards.

As the Final Plat for Phase I was approved in County Board Resolution 2013-138, Sarpy County Public Works can now recommend approval of the plans and specifications to the County Board.

If you find it necessary to revise the proposed systems designs, please submit the proposed changes for our further consideration.

Sincerely,

Dennis L. Wilson, PE, PhD  
Sarpy County Engineer
