Several departments will appear before the Board at the June 25, 2013 meeting to request additional appropriations for their 2013 fiscal year budgets. Attached are resolutions requesting additional appropriations for all the departments, as well as a printout showing their budget status as of June 19, 2013. **Please note that there are still personnel expenses not reflected in the printouts as they will not be posted to the budgets until the final pay period of June 28, 2013.**

A number of the departments will be asking to transfer appropriations from one budget under their control to another budget under their control while other departments are asking that additional appropriations be transferred from the Miscellaneous General budget.
