DATE: August 16, 2013

SUBJECT: Resolution Authorizing a Right Turn Sign at 168th Street and Briar Street

I recommend approval of the resolution to install a "RIGHT LANE MUST TURN RIGHT" sign along 168th Street at the southbound to westbound Briar Street right turn lane as follows:

- a) Sarpy County Public Works Department will be placing this regulatory sign in accordance with the Manual on Uniform Traffic Control Devices.
- b) Sarpy County Public Works Department will be notifying the Sarpy County Sheriff's Department of the change that will take place.

The Sarpy County Engineer's Office has received requests for this sign from the SID Engineer of the adjacent SID, #221. It appears motorists are continually misusing the right turn lane for traffic movements other than the intended right turn movement designated for this lane configuration. This sign, coupled with a right turn arrow painted on the pavement will increase the conspicuity of the lane, to relay to the motoring public the proper traffic movements of this lane.
