RE: SID No. 291 of Sarpy County, Nebraska
Whitetail Creek
Sanitary Sewer, Storm Sewer, and Paving, Section II

Mr. Grote

Sarpy County Public Works has reviewed the plans for the above referenced public improvements for SID 291 of Sarpy County (Whitetail Creek Section II). Our review indicates that the plans, if followed, will meet the minimum standard requirements as specified in the 2003 3rd Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of the project to the Sarpy County Board of Commissioners upon approval of the Final Plat.

If in the future, you find it necessary to revise the proposed designs, please submit the proposed changes for our further consideration.

Sincerely,

Dennis L. Wilson, PE, PhD
Sarpy County Engineer
