Re: Energy and Efficiency Conservation Block Grant (EECBG) Close-Out Documents

On September 10, 2013 the County Board will be asked to authorize the Chairman to sign the grant closeout documents for the Sarpy County EECBG projects. In 2009, Sarpy County was awarded \$312,600 in funding for various energy efficiency projects. Sarpy County installed an E-85 tank at the Law Enforcement Center, a water heater, and a jail energy management system in the Sarpy County Jail in addition to writing a comprehensive energy plan.

The projects are complete and the Department of Energy (DOE) is currently in the process of finishing their paperwork for all EECBG projects. The attached documents are the DOE required close-out forms which indicate the project is complete and ready for their close-out process.

Please do not hesitate to contact me with any questions or comments.

Instructions for Final Report: SF-428 Attachment B

A. General Instructions:

This Attachment is to be used by recipients when required to provide a final property report for closeout of Federal assistance awards. The Attachment allows recipients to request specific disposition of Federally-owned property and acquired equipment. The attachment also provides a means for calculating and transmitting appropriate compensation to the awarding agency for residual unused supplies.

Requirements for final reporting are based on individual award provisions and the type of property. Generally, at the end of a Federal assistance award, recipients are required to:

- a. submit a report of Federally-owned property.
- b. provide a listing of equipment items, with an acquisition cost of \$5,000 or more, when the awarding agency has reserved the right to transfer title to the equipment to the Federal Government or a third party.
- c. compensate the awarding agency for residual unused supplies with a total aggregate fair market value greater than \$5,000 that are not needed for any other Federally sponsored programs or projects.

Federal Grant or Other Identifying Number Assigned by Federal Agency. Enter the Federal grant, cooperative agreement or other Federal financial assistance award instrument number or other identifying number assigned to the Federal financial assistance award.

1. **Report.** Check applicable lines a-c to indicate the type of property that is being reported. Note: Federally-owned property includes items provided by the awarding agency, regardless of dollar value. Check line d to indicate no property to report, if the awarding agency requires a negative report.

2. Complete the relevant sections to correspond with the property reported in Block 1.

2a. **Federally-owned Property.**

- (i) To request transfer of the property for use on a specific Federal award.
- (ii) To request Federal agency disposition instructions for unneeded Federally-owned property.
- (iii) To request a disposition other than (i) or (ii). For example, requests for transfer of title under authority of the Stevenson-Wydler Act.

2b. **Acquired Equipment with acquisition cost of \$5,000 or more for which the awarding agency has reserved the right to transfer title.**

- (i) When statutory authority exists, the Federal awarding agency has the option to vest title to equipment acquired with award funds in the recipient with no further obligation to the Federal government and under conditions the Federal awarding agency considers appropriate.
- (ii) To request Federal agency disposition instructions for equipment acquired with award funds.

2c. **Reportable Residual Unused Supplies.** Indicate whether the supplies have been sold or if they will be retained for use solely on non Federally-funded projects.

- (i) Enter the total amount of sales proceeds or an estimate of the current fair market value if the supplies will be retained. Note: Fair market value means the best estimate of the gross sales proceeds if the property were to be sold in a public sale.
- (ii) Enter the percentage of Federal Government participation in the award under which the supplies were acquired.
- (iii) Enter the dollar amount of sales proceeds (or estimate of current fair market value) multiplied by the percentage of Federal Government participation listed in (ii).
- (iv) If the supplies were sold, enter the amount of selling and handling expenses. Enter zero if the supplies will be retained for use on non Federally funded projects.
- (v) Enter the amount of the Federal share in (iii) less the selling and handling expense listed in (iv). Indicate in Block 3 how the funds are being returned to the government (e.g., attached check made out to the Awarding Agency/U.S. Treasury or electronic remission).
