

**BOARD OF COUNTY COMMISSIONERS SARPY COUNTY, NEBRASKA****RESOLUTION: SEWER EXTENSION**

WHEREAS, pursuant to Neb. Rev. Stat. § 23-104 (Reissue 2012), the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. § 23-103 (Reissue 2012), the powers of the County as a body are exercised by the County Board; and,

WHEREAS, Sarpy County has constructed an outfall sewer pursuant to the County Industrial Sewer Act, found at Neb. Rev. Stat. §23-3601, *et seq.* (Reissue 2012); and,

WHEREAS, anticipated growth of commerce and industry require the County to consider the extension of the existing sewerage disposal system in this County; and,

WHEREAS, the future needs of planned commercial or industrial users of the sewer system require the availability of an outfall sewer in the area of Highway 50 and Schram Road, which is not presently served by sanitary sewer; and,

WHEREAS, the County Board has determined that it is prepared to proceed with an order for development of the sewer extension as shown on the map attached hereto and incorporated by reference as Exhibit A, subject to the approvals as required under the County Industrial Sewer Act.

NOW, THEREFORE, BE IT RESOLVED by the Sarpy County Board of Commissioners that:

(1) Pursuant to Neb. Rev. Stat. §23-3605, the County Board of Commissioners hereby indicates its intent to extend the existing sewer system of Sarpy County, as constructed under the County Industrial Sewer Construction Act, to serve the area of Highway 50 and Schram Road in Sarpy County, Nebraska, as shown on Exhibit A.

(2) The future needs of those commercial and industrial users with present plans for development in the area to be served (Highway 50 & Schram Road) and the future users of areas adjacent thereto, will be served by the extension and expansion of the existing sewer system to the Highway 50 and Schram Road area.

(3) The County Administrator shall undertake appropriate engineering studies concerning the development of the sewer extension plans as may be necessary to expand and extend the existing sewerage disposal system.

(4) The proposed sewer extension will connect to the Papillion Interceptor Sewer connecting to the Missouri River Treatment Plan, both owned and operated by the City of Omaha. Notice of this Resolution shall be given to the City of Omaha as required by Neb. Rev. Stat. §23-3606.

(5) The proposed sewer extension is located within the future growth and development area of the City of Springfield as shown on the future growth and development map attached hereto as Exhibit B and adopted by the County Board at Book 19, Page 477 on January 31, 1995.

(6) The County Administrator shall send formal notice of this Resolution required by Neb. Rev. Stat. §23-3606, §23-3612, and as may otherwise be required by law.

The above Resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with applicable law on the 29<sup>th</sup> day of October, 2013.
