Re: Lektriever Maintenance Agreements

The Sarpy County Attorney's Office and the Clerk of the District Court both have two lektriever units for high capacity file storage. Annually, OSDI Midwest services the machines through preventative maintenance and emergency services. The agreements include all labor, but do not include parts.

This has been placed on the February 12, 2013 Board agenda and is recommended for approval. Please feel free to contact me with any questions.
