Re: Resolution Designating an Authorized Representative for Keno Lottery Worker License Applications

The attached resolution designates Mikala Gansemer as an Authorized Representative to review and approve Lottery Worker License Applications so that when I, the Authorized Governing Official, am out of the office the Lottery Worker License Applications can be signed. A lottery worker cannot work unless they are licensed by the state - they cannot be licensed by the state until their application is signed by the Governing Official or Authorized Representative. When I am out of the office, Mikala Gansemer will be authorized to sign.

Debby, Carrie Fitzgerald from DOR said I could get into the website and add Mikala as an authorized representative, but I didn't have any luck. ☹ Would you give it a try? Thanks!

Debby, if Keno workers apply online, we have to approve or disapprove them online as well. Would you work it out with John/Shelly so that we still get the extra page that we have them sign? What do you think about having the Board approve Mikala as an Authorized Representative so that she could approve applications if you or I are gone and also so she could do License Searches?

INSTRUCTIONS FOR ONLINE FILING OF NEW LOTTERY WORKER LICENSE APPLICATIONS

The Charitable Gaming Division of the Nebraska Department of Revenue (Department) has recently made available the ability for an individual to apply online for a lottery worker license. This is another step in meeting the Department's goal to reduce paper. Of course, you still have the option of filing a paper copy with our office.

ONLINE APPLICATION FILING BY INDIVIDUAL

In order to begin the license application process, an individual must access the License Information and Online Processes web page at <https://charitablegaming.nebraska.gov>. Under the Applications column, click on "Lottery Worker – New Applicants Only" under the County, City or Village (KENO Applicants Only) subheading.

If the individual is a new applicant, click on "If yes, click here." If the individual has previously held or currently holds a license for another charitable gaming activity, or is returning to complete the lottery worker application process, the applicant must enter his or her Social Security Number and Personal Identification Number (PIN). If the applicant has forgotten his or her PIN, they may contact the Department at 402-471-5949 or 877-564-1315, or email the Department at LotCharitableGamingLicensing@nebraska.gov.

Please note these requirements:

- The individual must enter the Nebraska identification number of the county, city or village; lottery operator; and sales outlet location, if applicable, for which he or she will be working.
- On the Description of Duties screen, the individual must check the appropriate boxes which describe his or her duties. If *Keno Manager* or *Number Verifier* is checked, the applicant must answer additional questions regarding past fingerprint filings. If they answer "no" to these questions, they must contact the Department for fingerprint cards and instructions.
- The applicant must answer questions 1 and 2 regarding criminal convictions. An applicant who provides false information in response to these questions will be disqualified from working.

ONLINE AUTHORIZATION BY GOVERNING OFFICIAL OR AUTHORIZED REPRESENTATIVE

Neb. Rev. Stat. § 9-631.01(2) requires that a governing official of the county, city or village or its authorized representative must approve the application for submission to the Department. In order to approve the application, a governing official or authorized representative must access the License Information and Online Processes web page at <https://charitablegaming.nebraska.gov>. Under the Applications column, click on "Lottery Worker – New Applicants Only" under the County, City or Village (KENO Applicants Only) subheading.

Enter the Nebraska identification number of the county, city or village and the Personal Identification Number (PIN) previously provided to you. If you have forgotten your PIN, please contact the Department at 402-471-5949 or 877-564-1315, or email the Department at LotCharitableGamingLicensing@nebraska.gov.

The License Information Screen displays and identifies any pending lottery worker license applications which require an authorization. Click on "Lottery Worker Application – NAME."

The Signature Page is displayed and identifies the name of each governing official or authorized representative who may approve the application for submission to the Department. Check the applicable box, *Approved* or *Disapproved*, and enter your assigned PIN. Only one signature is required. Please contact the Department as previously mentioned to obtain your individual PIN.

Click on "Link to Lottery Worker Page" to review and print a copy of the application for your records.

Repeat the process until all pending lottery worker license applications have been Approved or Disapproved.

An individual cannot begin his or her keno lottery duties until the application has been filed with the Department. The application is considered filed once the approval process has been completed by a governing official or an authorized representative.

ONLINE VERIFICATION

To see a list of those lottery workers approved for your city, county or village, from the License Information and Online Processes screen, under the Other Online Services column, click on "Licensee Search."

Enter the name of the county, city or village (for example, City of Lincoln), in the box and click the "Search" button. Click on the link provided.

All licenses for your county, city or village will be displayed. The lottery worker licenses will be displayed in alphabetical order along with the status and date the license was issued.
