

BOARD OF COMMISSIONERS
SARPY COUNTY, NEBRASKA
RESOLUTION AWARDING BID FOR STAINLESS STEEL MATERIAL SPREADERS FOR THE
PUBLIC WORKS DEPARTMENT

WHEREAS, pursuant to Neb. Rev. Stat. §23-104(6)(Reissue 2012), the County has the power to do all acts in relation to the concerns of the County necessary to the exercise of its corporate powers; and,

WHEREAS, pursuant to Neb. Rev. Stat. §23-103 (Reissue 2012), the powers of the County as a body are exercised by the County Board; and,

WHEREAS, bids for the stainless steel material spreaders have been solicited, made, opened and reviewed pursuant to applicable Nebraska State Statutes; and,

WHEREAS, based on those proceedings, and after a public hearing, this Board has duly deliberated and considered the bids received; and,

WHEREAS, this Board desires to proceed forthwith in order to expedite and facilitate service to the citizens of Sarpy County.

NOW, THEREFORE, BE IT RESOLVED BY THIS BOARD OF COUNTY COMMISSIONERS THAT:

- (1) Based upon the recommendation of the Purchasing Department, and upon a comparison of the bids to the bid specifications, the bid is hereby awarded to the lowest responsible bidder Palfleet Truck Equipment for Two (2) 2014 Stainless Steel Material Spreaders in the amount of Fifty Three Thousand Seven Hundred Seventy Eight Dollars and No Cents (\$53,778.00) is accepted, ratified, and confirmed.
- (2) This Board's Chairman, Clerk, and Attorney are hereby authorized and directed to execute such ancillary documents as may be required to evidence the contract and take any and all steps necessary or required in order to carry out the terms of such contract after said documents have been reviewed by the Attorney, Fiscal Administrator, and County Administrator.

The above resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with applicable law on the 8th day of July, 2014.

Re: Bid Award – Stainless Steel Material Spreaders

On June 20, 2014 one (1) bid from Palfleet Truck Equipment was opened for the Stainless Steel Material Spreaders for the Public Works Department. The Public Works Department has seven (7) of the proposed units in service, all performing well. Therefore, it is recommended the bid be awarded to the low bid, Palfeet Truck Equipment for \$53,778.00.

In 2013 the County received two (2) bids for the spreaders with the bid being awarded to the lowest responsible bidder (\$49,700.00) of Palfeet Truck Equipment. I anticipated bids from several other companies; however when I contacted them after the bid opening they determined their current schedule was too busy to properly bid the project or felt their product could not properly meet our specifications. Within the next few weeks George Funderburk and I will be meeting to discuss future specifications and bidding. Our goal is to have final specifications that are specific enough to meet Sarpy County expectations but general enough to allow multiple vendors the opportunity to participate in the bidding process.

If you have any questions, please let me know.

Ref: Highway Stainless Steel Material Spreaders Bid

I have reviewed the Public Works Stainless Steel Material Spreader Bid. I would recommend that we purchase the Bid from Palfleet Truck Equipment Company for 2 (two) 2014 Highway Model E2020Xt Stainless Steel Material Spreaders with pre-wet system for the total price of \$53,778.00.

Currently Public Works has 7 units in service, all of which are performing as expected. Adding 2 (two) more units will simplify training and repairs for operators and mechanics.

Any questions please call: 402-537-6980

HI-WAY LIMITED WARRANTY

BASIC WARRANTY

HIGHWAY EQUIPMENT COMPANY ("Highway") has manufactured or is distributing the Product/Genuine Parts to which this warranty is attached, and warrants to its original reseller including Dealers, Distributors and Original Equipment Manufacturers (hereafter called Dealer) that the Product/Genuine Parts will, under normal conditions of use and service, be free from material defects due to faulty manufacturing for a period of six (6) months from the date of delivery to the original user. For any Product/Genuine Part that does not conform to the aforesaid warranty within six (6) months from the date of delivery to the original user, your Dealer will, at its option, repair or replace parts. Labor costs for this basic warranty coverage will be paid by Highway to the Dealer at their standard shop rate, based on the amount of time Highway establishes to be the time reasonably necessary to make required repairs. If the Product/Genuine Part is defective in materials or workmanship, you must promptly notify your Dealer; and complete the warranty registration by utilizing the internet at <http://dealer.highwayequipment.com> for such Product before the expiration of the warranty period (Genuine Parts do not require a warranty registration but may require proof of purchase). If your Dealer determines that the defect is due to Highway's material or workmanship, your Dealer will, with Highway's consent, repair such defect during normal working hours, at their location, or such other location as the Dealer may designate. The installation of any part that did not originate from Highway will void this Basic Warranty in its entirety. In the event of repair or replacement, the warranty period shall not be extended beyond the original warranty period.

EXTENDED WARRANTY

In lieu of the basic warranty described above, if the warranty registration (or warranty information as provided above) is received at Highway within thirty (30) days after the date of delivery to the original user, Highway will warrant that the Product will, under normal conditions of use and service, be free from material defects due to faulty manufacturing for a period of thirteen (13) months from the date of delivery to the original user. For any Product that does not conform to the aforesaid warranty within thirteen (13) months from the date of delivery, your Dealer will, at its option, send you a new part, or give you full credit for the part, provided the replacement part is purchased through your Dealer. Labor costs for this extended warranty coverage will be paid by Highway to the Dealer at their standard shop rate, based on the amount of time Highway establishes to be the time reasonably necessary to make required repairs. If the Product is defective in materials or workmanship, you must promptly notify your Dealer before the expiration of the warranty period. If your Dealer determines that the defect is due to Highway's material or workmanship, your Dealer will, with Highway's consent, repair such defect during normal working hours, at their location, or such other location as your Dealer may designate. In the event of repair or replacement, the warranty period shall not be extended beyond the original warranty period.

Genuine Parts are covered by the Basic Warranty and are not eligible for the Extended Warranty.

If you fail to complete the warranty registration (or warranty information as provided above) to Highway within thirty (30) days after the date of delivery, this extended warranty shall not apply, and your sole remedy for any defects in the Product shall be under the basic warranty described above.

The above warranties do not cover:

- (1) Product that is damaged by abuse, neglect, accident, or modification;
- (2) fluids, towing, telephone, travel and cleaning cost;
- (3) loss of use of vehicle, inconvenience, commercial loss, or consequential damages;
- (4) any product, component, or part not manufactured by Highway; or
- (5) the Product itself if parts are installed on the Product that did not originate from Highway.

The above warranties do not apply under the following conditions:

- (1) when Product has been improperly used or installed, or modified, or fitted with sideboards, or fails because of defects or inefficiency of components not furnished with the Product;
- (2) when Product is used for purposes for which it was not originally designed or intended;
- (3) when Product is used under abnormal operating conditions; or
- (4) when the dealer or user fails to follow Highway instructions regarding the Product, including the instruction to install only Highway-supplied parts onto the Product.

HIGHWAY WILL BEAR NO OTHER EXPENSE, INCLUDING BUT NOT LIMITED TO LABOR AND MATERIAL COSTS (OTHER THAN THOSE SPECIFIED HEREIN) OF ANY KIND, AND YOUR EXCLUSIVE REMEDY, IN LIEU OF ALL INCIDENTAL, SPECIAL, CONSEQUENTIAL OR ANY OTHER DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR NEGLIGENCE, IS LIMITED TO REPAIR OR REPLACEMENT AS HERETOFORE DESCRIBED. THE FOREGOING WARRANTIES ARE IN LIEU OF ALL OTHER REPRESENTATIONS OR WARRANTIES, EXPRESS OR IMPLIED OF ANY KIND REGARDING ANY PRODUCT, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE OR USE. IN NO CASE SHALL HIGHWAY BE LIABLE FOR ANY SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES BASED UPON BREACH OF WARRANTY, BREACH OF CONTRACT, NEGLIGENCE, STRICT TORT, OR ANY OTHER LEGAL THEORY.

Unless modified in writing, signed by both parties, this Limited Warranty is understood to be the complete and exclusive agreement between the parties, superseding all prior agreements, oral or written, and all other communications between the parties relating to the subject matter of this Limited Warranty. No representative or agent of Highway nor any third party has authority to change or modify this warranty in any respect, nor to assume any other obligation or liability on behalf of Highway. Any action for breach of warranty must be commenced within six (6) months following the expiration of the Limited Warranty.

These warranties are extended only to the original Dealer and are not transferable. In the event of a warranty claim, you should promptly notify your Dealer, and provide the following:

1. Model and serial number of the Product;
2. Date of delivery to the original user;
3. Part number of the defective part;
4. Description of the difficulty encountered;
5. Date of repair.

Highway will work with your Dealer regarding instructions for repair, replacement, or refund, if the warranty claim can be validated.

Effective with Product delivered to original user on or after September 20, 2010.

Pricing provided on this quote is valid for 30 days. Pricing based on FOB Cedar Rapids, IA.

Hi-Way E2020XT Heavy-Duty Spreader

The **E2020XT** is the spreader of choice among municipalities for winter deicing. Mounted on a dump body or truck chassis, it features a gearcase assembly that quickly removes for faster service.

Standard Equipment:

- A heavy-duty 10-gauge hopper and stakes with 7-gauge conveyor bottom panel and sills. Stainless steel units are constructed of a 12-gauge hopper and stakes with 10-gauge conveyor bottom panel and sills.
- A 24" (61 cm) wide roller chain conveyor with 3/8" x 1-1/2" (9.5mm x 38mm) crossbars for spreading deicing materials. The conveyor is driven by a 6:1 reduction, 98% efficient spur gear drive with a hi-torque low-speed hydraulic motor.

- A heavy-duty height-adjustable hydraulic-drive spinner with two internal deflectors, mounted on a heavy-duty splaner disc including six bolt-on hardened fins and a hydraulic control for material application.

Optional Equipment:

- 12" or 14" roller chain, #4 belt-over-chain, or #5 roller chain conveyor for spreading a variety of materials.
- 12" or 14" roller chain conveyor with 1/2" or 3/4" crossbars for spreading a variety of materials.

- An inverted "V" that mounts in a fixed or swinging position to reduce material bridging and protect the conveyor.
- Fenders, mud flaps, cab shield, and screens are just some of the other options available.
- Other popular options: inverted "V", hinged top screens, extended idler adjustment, hinged idler grease tubes.

- Convenient dump body mounting kits and truck chassis mounting kits.
