

**BOARD OF COUNTY COMMISSIONERS
SARPY COUNTY, NEBRASKA**

RESOLUTION TO APPROVE PUBLIC IMPROVEMENTS FOR SID #101

WHEREAS, Sanitary and Improvement District No. 101 of Sarpy County, Nebraska, hereinafter SID 101, has submitted plans and specifications to the Sarpy County Engineer's Office for certain public improvements, namely 2013 Treatment Plant Improvements, to SID 101, a development in Sarpy County;

WHEREAS, SID 101 has requested approval of said plans and specifications for public improvements pursuant to Neb. Rev. Stat. § 31-740 (Reissue 2008); and,

WHEREAS, Sarpy County Public Works has, by written correspondence dated August 1, 2014, which correspondence is attached herewith and incorporated herein by reference as Exhibit "A", has evaluated the proposed plans and hereby recommends approval of said improvements; and,

WHEREAS, the Nebraska Department of Environmental Quality has, by written correspondence, which is attached herewith and incorporated herein by reference as Exhibit "B", has evaluated the proposed plans and approved the project;

NOW, THEREFORE, BE IT RESOLVED BY THE SARPY COUNTY BOARD OF COMMISSIONERS that the plans as submitted to the Sarpy County Engineer for improvements to SID 101 are hereby approved.

The above Resolution was approved by a vote of the Sarpy County Board of Commissioners at a public meeting duly held in accordance with applicable law on the

5th day of August, 2014.

Attest

SEAL

Sarpy County Board Chairman

County Clerk

SARPY COUNTY

Dennis L. Wilson, P.E., PhD
Sarpy County Engineer

MEMO

TO: Sarpy County Board of Commissioners

FROM: Dennis Wilson, P.E., Sarpy County Engineer 

DATE: August 1, 2014

SUBJECT: Resolution to Approve Public Improvements for SID #101

I recommend approval of the resolution regarding the public improvements project, 2013 Treatment Plant Improvements, within Sanitary and Improvement District #101 (Chris and Hanson Lakes), as described below:

- a) The SID #101 Engineer of Record has produced plans and specifications for the aforementioned public improvements within the SID.
- b) SID #101 will pay for 100% of the construction costs.

The Public Works Department has reviewed the plans and specifications of the aforementioned project. It is our recommendation that the project be approved by the County Board.

If you have any questions, please give me a call at 402-537-6908.

STATE CONSTRUCTION PERMIT: 14-0089

Dear Mr. Hill:

Pursuant to Neb. Rev. Stat. Sec. 81-1506 (2) (Reissue 1994), documents describing this project have been approved and stamped accordingly. One set of construction documents is being retained for the Department's records. The remaining sets are being returned to the **submitting engineer** for distribution, including a construction certification card to be returned to the Department.

Compliance with wastewater design standards and regulations was the primary consideration in the review of this project. **This construction permit does not supersede any required local approvals or substitute for other required Department permits, such as for storm water construction or for construction dewatering.** This permit does not release the owner from the responsibility of providing an operable facility. If significant changes, as described in Title 123, Chapter 9.001 are made during construction, change orders must be submitted to the Department, and as-built plans are required. Please reference the State construction permit number in all submittals.

The Undersigned issues this document on behalf of Director in accordance with Title 123 – Rules and Regulations for the Design, Operation and Maintenance of Wastewater Works. **If you have questions, please contact Charles Duerschner, P.E., Supervisor, Technical Assistance Unit, at (402) 471-4206.**

Sincerely,

Marty Link
Acting Water Quality Division Administrator

RE: SID No. 101 of Sarpy County, Nebraska
2013 Treatment Plant Improvements

Mr. Zimmerer,

Sarpy County Public Works has reviewed the plans for the above referenced drainage and guardrail improvements for SID No. 101 of Sarpy County. Our review indicates that the plans, if followed, will meet the minimum standard requirements as specified in the 2003 3rd Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of the project to the Sarpy County Board of Commissioners.

If you find it necessary to revise the proposed designs, please submit the proposed changes for our further consideration.

Sincerely,

Dennis Wilson, PE, PhD
Sarpy County Engineer
