PROJECT UNDERSTANDING

This project involves the acquisition of fee title and temporary easements from two parcels of land located along Harrison Street from 204th to 210th Streets in Sarpy County, Nebraska. The acquisitions are required for the construction of a road improvement project for Harrison Street.

PROJECT MANAGEMENT

This task will involve coordination of all project elements so that work is initiated as it should be, appropriate progress is made, and schedules are met. Coordination and scheduling of the title work, appraisals, and the acquisition and closing process will be the responsibility of the project manager.

TITLE SEARCHES

Title searches will be ordered for the property to be acquired in order to determine fee ownership and any liens and encumbrances which will affect the title. Midwest Right of Way Services will contract with Nebraska Title Company in Omaha to provide these services and pass the cost through to Sarpy County.

APPRAISALS

This task involves preparation of two short form appraisals which will provide values for the land and easements to be acquired. Marty Giff of Giff Appraisal Services will prepare the reports based on recent comparable sales in the area. Marty is approved by Nebraska Department of Roads to provide appraisals and reviews for Federal-Aid projects.

ACQUISITION

Midwest Right of Way Services' acquisition agents will make every effort to understand the project's objective before meeting with the property owner. They will prepare all documents, present and explain the offer, answer all acquisition-related questions, and secure signatures from all interested parties. Our acquisition agent will obtain tenant information from property owners and proceed to obtain signed a leasehold contract, if applicable.

Midwest Right of Way Services will perform the services in accordance with Sarpy County's procedures. Our goal is to acquire the necessary right of way through amicable negotiations. If condemnation is required, Midwest Right of Way Services will deliver the parcel files to Sarpy County and be available for consultation or condemnation testimony.
