RE: SID No. 68 of Sarpy County, Nebraska  
2014 Paving Repair

Mr. Riggs:

Sarpy County Public Works has reviewed the plans for the above referenced paving repair for SID No. 68 of Sarpy County. Our review indicates that the plans for areas 1, 2, and 3, if followed, will meet the minimum standard requirements as specified in the 2003 3<sup>rd</sup> Edition of the City of Omaha Standard Specifications for Public Works Construction, which is acceptable to the Sarpy County Public Works Department. Public Works will recommend approval of areas 1, 2, and 3 of the project to the Sarpy County Board of Commissioners. Areas 4 and 5 are located within the City of La Vista's extraterritorial jurisdiction and will need to be approved by the City instead of the County.

If you find it necessary to revise the proposed designs for areas 1, 2, or 3, please submit the proposed changes for our further consideration.

Sincerely,

Patrick M. Dowse, P.E.
