Subject: Resolution 2014-347 and 2014-348

Deb,

No changes need to be made to the resolution 2014-347 or 2014-348, but I ask that you include this email with your official resolution records for each resolution. Additionally, the issue described below will be addressed by the Planning Department representative during the County Board meeting, so there is no need to print this email for the County Board.

Geoff McGregor, the applicant for the Preliminary and Final Plat of 370 Storage wanted to make it clear in the record that the owner of the property for resolutions 2014-347 and 2014-348 is "McGregor Interests 370 Storage, LLC".

The applicant for the Preliminary and Final Plat of 370 Storage, Geoff McGregor identified himself as both the applicant and the owner on the application documents filed with the Planning Department. The resolution identifies the applicant as Geoff McGregor and does not identify the owner. However, the Planning Department report lists Geoff McGregor as the applicant and the owner, as shown on the application.

The physical copies of the Preliminary and Final plat that are filed with the Register of Deeds lists the owner as McGregor Interests 370 Storage, LLC., with Geoff McGregor, Managing Member as the signatory. The applicant noticed this discrepancy in the ownership and was apparently concerned with the Planning Department report.

This concern surfaced on the day of the County Board meeting and a written update to the Planning Department report was not possible in the short timeframe. Thus, while the matter will be addressed at the meeting, the simplest solution for the written record would be to submit this email as part of the resolution records. Please include this email as part of the record of resolutions 2014-347 and 2014-348.

Please contact me with any questions.

CONSTRUCTION DEED OF TRUST

**THIS DEED OF TRUST IS A CONSTRUCTION SECURITY AGREEMENT
WITHIN THE MEANING OF THE NEBRASKA CONSTRUCTION LIEN ACT**

THIS DEED OF TRUST is dated July 1, 2014, among MCGREGOR INTERESTS 370 STORAGE, LLC, a Nebraska Limited Liability Company, whose address is 11750 STONEGATE CIR, OMAHA, NE 68164-3692 ("Trustor"); PINNACLE BANK, whose address is 180TH & WEST DODGE ROAD OFFICE, 18081 BURT STREET, OMAHA, NE 68022 (referred to below sometimes as "Lender" and sometimes as "Beneficiary"); and PINNACLE BANK, whose address is PO BOX 540001, OMAHA, NE 68154 (referred to below as "Trustee").

CROSS-COLLATERALIZATION. In addition to the Note, this Deed of Trust secures all obligations, debts and liabilities, plus interest thereon, of Trustor to Lender, or any one or more of them, as well as all claims by Lender against Trustor or any one or more of them, whether now existing or hereafter arising, whether related or unrelated to the purpose of the Note, whether voluntary or otherwise, whether due or not due, direct or indirect, determined or undetermined, absolute or contingent, liquidated or unliquidated, whether Trustor may be liable individually or jointly with others, whether obligated as guarantor, surety, accommodation party or otherwise, and whether recovery upon such amounts may be or hereafter may become barred by any statute of limitations, and whether the obligation to repay such amounts may be or hereafter may become otherwise unenforceable.

FUTURE ADVANCES. In addition to the Note, this Deed of Trust secures all future advances made by Lender to Trustor whether or not the advances are made pursuant to a commitment. Specifically, without limitation, this Deed of Trust secures, in addition to the amounts specified in the Note, all future amounts Lender in its discretion may loan to Trustor, together with all interest thereon.

Trustor presently assigns to Lender (also known as Beneficiary in this Deed of Trust) all of Trustor's right, title, and interest in and to all present and future leases of the Property and all Rents from the Property. In addition, Trustor grants to Lender a Uniform Commercial Code security interest in the Personal Property and Rents.

THIS DEED OF TRUST, INCLUDING THE ASSIGNMENT OF RENTS AND THE SECURITY INTEREST IN THE RENTS AND PERSONAL PROPERTY, IS GIVEN TO SECURE (A) PAYMENT OF THE INDEBTEDNESS AND (B) PERFORMANCE OF ANY AND ALL OBLIGATIONS UNDER THIS DEED OF TRUST. THIS DEED OF TRUST, INCLUDING THE ASSIGNMENT OF RENTS AND THE SECURITY INTEREST IN THE RENTS AND PERSONAL PROPERTY, IS ALSO GIVEN TO SECURE ANY AND ALL OF TRUSTOR'S OBLIGATIONS UNDER THAT CERTAIN CONSTRUCTION LOAN AGREEMENT BETWEEN TRUSTOR AND LENDER OF EVEN DATE HERewith. ANY EVENT OF DEFAULT UNDER THE CONSTRUCTION LOAN AGREEMENT, OR ANY OF THE RELATED DOCUMENTS REFERRED TO THEREIN, SHALL ALSO BE AN EVENT OF DEFAULT UNDER THIS DEED OF TRUST. THIS DEED OF TRUST IS GIVEN AND ACCEPTED ON THE FOLLOWING TERMS:

PAYMENT AND PERFORMANCE. Except as otherwise provided in this Deed of Trust, Trustor shall pay to Lender all amounts secured by this Deed of Trust as they become due, and shall strictly and in a timely manner perform all of Trustor's obligations under the Note, this Deed of Trust, and the Related Documents.

CONSTRUCTION MORTGAGE. This Deed of Trust is a "construction mortgage" for the purposes of Sections 9-334 and 2A-309 of the Uniform Commercial Code, as those sections have been adopted by the State of Nebraska.

POSSESSION AND MAINTENANCE OF THE PROPERTY. Trustor agrees that Trustor's possession and use of the Property shall be governed by the following provisions:

Possession and Use. Until the occurrence of an Event of Default, Trustor may (1) remain in possession and control of the Property; (2) use, operate or manage the Property; and (3) collect the Rents from the Property.

**DEED OF TRUST
(Continued)**

Page 2

Duty to Maintain. Trustor shall maintain the Property in tenable condition and promptly perform all repairs, replacements, and maintenance necessary to preserve its value.

Hazardous Substances. Trustor represents and warrants that the Property never has been, and never will be so long as this Deed of Trust remains a lien on the Property, used for the generation, manufacture, storage, treatment, disposal, release or threatened release of any Hazardous Substance in violation of any Environmental Laws. Trustor authorizes Lender and its agents to enter upon the Property to make such inspections and tests as Lender may deem appropriate to determine compliance of the Property with this section of the Deed of Trust. Trustor hereby (1) releases and waives any future claims against Lender for indemnity or contribution in the event Trustor becomes liable for cleanup or other costs under any such laws, and (2) agrees to indemnify, defend, and hold harmless Lender against any and all claims and losses resulting from a breach of this paragraph of the Deed of Trust. This obligation to indemnify and defend shall survive the payment of the indebtedness and the satisfaction of this Deed of Trust.

Construction Loan. If some or all of the proceeds of the loan creating the indebtedness are to be used to construct or complete construction of any Improvements on the Property, the Improvements shall be completed no later than the maturity date of the Note (or such earlier date as Lender may reasonably establish) and Trustor shall pay in full all costs and expenses in connection with the work. Lender will disburse loan proceeds under such terms and conditions as Lender may deem reasonably necessary to insure that the interest created by this Deed of Trust shall have priority over all possible liens, including those of material suppliers and workmen. Lender may require, among other things, that disbursement requests be supported by receipted bills, expense affidavits, waivers of liens, construction progress reports, and such other documentation as Lender may reasonably request.

DUE ON SALE - CONSENT BY LENDER. Lender may, at Lender's option, declare immediately due and payable all sums secured by this Deed of Trust upon the sale or transfer, without Lender's prior written consent, of all or any part of the Real Property, or any interest in the Real Property. A "sale or transfer" means the conveyance of Real Property or any right, title or interest in the Real Property; whether legal, beneficial or equitable; whether voluntary or involuntary; whether by outright sale, deed, installment sale contract, land contract, contract for deed, leasehold interest with a term greater than three (3) years, lease-option contract, or by sale, assignment, or transfer of any beneficial interest in or to any land trust holding title to the Real Property, or by any other method of conveyance of an interest in the Real Property. If any Trustor is a corporation, partnership or limited liability company, transfer also includes any change in ownership of more than twenty-five percent (25%) of the voting stock, partnership interests or limited liability company interests, as the case may be, of such Trustor. However, this option shall not be exercised by Lender if such exercise is prohibited by federal law or by Nebraska law.

TAXES AND LIENS. The following provisions relating to the taxes and liens on the Property are part of this Deed of Trust:

Payment. Trustor shall pay when due (and in all events prior to delinquency) all taxes, special taxes, assessments, charges (including water and sewer), fines and impositions levied against or on account of the Property, and shall pay when due all claims for work done on or for services rendered or material furnished to the Property. Trustor shall maintain the Property free of all liens having priority over or equal to the interest of Lender under this Deed of Trust, except for the lien of taxes and assessments not due and except as otherwise provided in this Deed of Trust.

PROPERTY DAMAGE INSURANCE. The following provisions relating to insuring the Property are a part of this Deed of Trust.

Maintenance of Insurance. Trustor shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Trustor shall also procure and maintain comprehensive general liability insurance in such coverage amounts as Lender may request with Trustee and Lender being named as additional insureds in such liability insurance policies. Additionally, Trustor shall maintain such other insurance, including but not limited to hazard, business interruption, and boiler insurance, as Lender may reasonably require. Policies shall be written in form, amounts, coverages and basis reasonably acceptable to Lender and issued by a company or companies reasonably acceptable to Lender. Trustor, upon request of Lender, will deliver to Lender from time to time the policies or certificates of insurance in form satisfactory to Lender, including stipulations that coverages will not be cancelled or diminished without at least ten (10) days prior written notice to Lender. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Trustor or any other person. Should the Real Property be located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, Trustor agrees to obtain and maintain Federal Flood Insurance, if available, within 45 days after notice is given by Lender that the Property is located in a special flood hazard area, for the full unpaid principal balance of the loan and any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan.

LENDER'S EXPENDITURES. If any action or proceeding is commenced that would materially affect Lender's interest in the Property or if Trustor fails to comply with any provision of this Deed of Trust or any Related Documents, including but not limited to Trustor's failure to discharge or pay when due any amounts Trustor is required to discharge or pay under this Deed of Trust or any Related Documents, Lender on Trustor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate on the Property and paying all costs for insuring, maintaining and preserving the Property. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Trustor. All such expenses will become a part of the indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity.

WARRANTY; DEFENSE OF TITLE. The following provisions relating to ownership of the Property are a part of this Deed of Trust:

Title. Trustor warrants that: (a) Trustor holds good and marketable title of record to the Property in fee simple, free and clear of all liens and encumbrances other than those set forth in the Real Property description or in any title insurance policy, title report, or final title opinion issued in favor of, and accepted by, Lender in connection with this Deed of Trust, and (b) Trustor has the full right, power, and authority to execute and deliver this Deed of Trust to Lender.

Defense of Title. Subject to the exception in the paragraph above, Trustor warrants and will forever defend the title to the Property against the lawful claims of all persons.

EVENTS OF DEFAULT. Each of the following, at Lender's option, shall constitute an Event of Default under this Deed of Trust:

Payment Default. Trustor fails to make any payment when due under the indebtedness.

Other Default. Trustor fails to comply with any other term, obligation, covenant or condition contained in this Deed of Trust or in any of the Related Documents.

2

DEED OF TRUST
(Continued)

Compliance Default. Failure to comply with any other term, obligation, covenant or condition contained in this Deed of Trust, the Note or in any of the Related Documents.

Default on Other Payments. Failure of Trustor within the time required by this Deed of Trust to make any payment for taxes or insurance, or any other payment necessary to prevent filing of or to effect discharge of any lien.

Default in Favor of Third Parties. Should Grantor default under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or Grantor's ability to repay the Indebtedness or Grantor's ability to perform Grantor's obligations under this Deed of Trust or any related document.

Death or Insolvency. The dissolution of Trustor's (regardless of whether election to continue is made), ~~any member withdraws from the limited liability company, or any other termination of Trustor's existence as a going business or the death of any member,~~ the insolvency of Trustor, the appointment of a receiver for any part of Trustor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Trustor.

Events Affecting Guarantor. Any of the preceding events occurs with respect to any Guarantor of any of the Indebtedness ~~or any Guarantor dies or becomes incompetent,~~ or revokes or disputes the validity of, or liability under, any Guaranty of the Indebtedness.

Adverse Change. A material adverse change occurs in Trustor's financial condition, or Lender believes the prospect of payment or performance of the Indebtedness is impaired.

~~Insecurity.~~ Lender in good faith believes itself insecure.

RIGHTS AND REMEDIES ON DEFAULT. Upon the occurrence of any Event of Default under any indebtedness, or should Trustor fail to comply with any of Trustor's obligations under this Deed of Trust, Trustee or Lender may exercise any one or more of the following rights and remedies:

Acceleration Upon Default; Additional Remedies. If any Event of Default occurs as per the terms of the Note secured hereby, Lender may declare all Indebtedness secured by this Deed of Trust to be due and payable and the same shall thereupon become due and payable without any presentment, demand, protest or notice of any kind. Thereafter, Lender may:

- (a) Either in person or by agent, with or without bringing any action or proceeding, or by a receiver appointed by a court and without regard to the adequacy of its security, enter upon and take possession of the Property, or any part thereof, in its own name or in the name of Trustee, and do any acts which it deems necessary or desirable to preserve the value, marketability or rentability of the Property, or part of the Property or interest in the Property; increase the income from the Property or protect the security of the Property; and, with or without taking possession of the Property, sue for or otherwise collect the rents, issues and profits of the Property, including those past due and unpaid, and apply the same, less costs and expenses of operation and collection attorneys' fees, to any indebtedness secured by this Deed of Trust, all in such order as Lender may determine. The entering upon and taking possession of the Property, the collection of such rents, issues and profits, and the application thereof shall not cure or waive any default or notice of default under this Deed of Trust or invalidate any act done in response to such default or pursuant to such notice of default; and, notwithstanding the continuance in possession of the Property or the collection, receipt and application of rents, issues or profits, Trustee or Lender shall be entitled to exercise every right provided for in the Note or the Related Documents or by law upon the occurrence of any event of default, including the right to exercise the power of sale;
- (b) Commence an action to foreclose this Deed of Trust as a mortgage, appoint a receiver or specifically enforce any of the covenants hereof; and
- (c) Deliver to Trustee a written declaration of default and demand for sale and a written notice of default and election to cause Trustor's interest in the Property to be sold, which notice Trustee shall cause to be duly filed for record in the appropriate offices of the County in which the Property is located; and
- (d) With respect to all or any part of the Personal Property, Lender shall have all the rights and remedies of a secured party under the Nebraska Uniform Commercial Code.

Foreclosure by Power of Sale. If Lender elects to foreclose by exercise of the Power of Sale herein contained, Lender shall notify Trustee and shall deposit with Trustee this Deed of Trust and the Note and such receipts and evidence of expenditures made and secured by this Deed of Trust as Trustee may require.

- (a) Upon receipt of such notice from Lender, Trustee shall cause to be recorded, published and delivered to Trustor such Notice of Default and Notice of Sale as then required by law and by this Deed of Trust. Trustee shall, without demand on Trustor, after such time as may then be required by law and after recordation of such Notice of Default and after Notice of Sale having been given as required by law, sell the Property at the time and place of sale fixed by it in such Notice of Sale, either as a whole, or in separate lots or parcels or items as Trustee shall deem expedient, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States payable at the time of sale. Trustee shall deliver to such purchaser or purchasers thereof its good and sufficient deed or deeds conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including without limitation Trustor, Trustee, or Lender, may purchase at such sale.
- (b) As may be permitted by law, after deducting all costs, fees and expenses of Trustee and of this Trust, including costs of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of (i) all sums expended under the terms of this Deed of Trust or under the terms of the Note not then repaid, including but not limited to accrued interest and late charges, (ii) all other sums then secured hereby, and (iii) the remainder, if any, to the person or persons legally entitled thereto.
- (c) Trustee may in the manner provided by law postpone sale of all or any portion of the Property.

Remedies Not Exclusive. Trustee and Lender, and each of them, shall be entitled to enforce payment and performance of any indebtedness or obligations secured by this Deed of Trust and to exercise all rights and powers under this Deed of Trust, under the Note, under any of the Related Documents, or under any other agreement or any laws now or hereafter in force; notwithstanding, some or all of such indebtedness and obligations secured by this Deed of Trust may now or hereafter be otherwise secured, whether by mortgage, deed of trust, pledge, lien, assignment or otherwise. Neither the acceptance of this Deed of Trust nor its enforcement, whether by court action or pursuant to the power of sale or other powers contained in this Deed of Trust, shall prejudice or in any manner affect Trustee's or Lender's right to realize upon or enforce any other security now or hereafter held by Trustee or Lender, it being agreed that Trustee and Lender, and each of them, shall be entitled to enforce this Deed of Trust and any other security now or hereafter held by Lender or Trustee in such order and manner as they or either of them may in their absolute discretion determine. No remedy conferred upon or reserved to Trustee or Lender, is intended to be exclusive of any other remedy in this Deed of Trust or by law provided or permitted, but each shall be cumulative and shall be in addition to every other remedy given in this Deed of Trust or now or hereafter existing at law or in equity or by statute. Every power or remedy given by the Note or any of the Related

Documents to Trustee or Lender or to which either of them may be otherwise entitled, may be exercised, concurrently or independently, from time to time and as often as may be deemed expedient by Trustee or Lender, and either of them may pursue inconsistent remedies. Nothing in this Deed of Trust shall be construed as prohibiting Lender from seeking a deficiency judgment against the Trustor to the extent such action is permitted by law. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Trustor under this Deed of Trust, after Trustor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

Request for Notice. Trustor, on behalf of Trustor and Lender, hereby requests that a copy of any Notice of Default and a copy of any Notice of Sale under this Deed of Trust be mailed to them at the addresses set forth in the first paragraph of this Deed of Trust.

Attorneys' Fees; Expenses. If Lender institutes any suit or action to enforce any of the terms of this Deed of Trust, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees, title insurance, and fees for the Trustee, to the extent permitted by applicable law. Trustor also will pay any court costs, in addition to all other sums provided by law.
